race multiculturalism and immigration in contemporary British society The various chapters in this volume tackle important social and political issues such as ethnic diversity and segregation post race politics contact and threat hypotheses national identity anti racist mobilisation and whiteness It provides an important insight into the dynamics of contemporary British society This book was originally published as a special issue of Ethnic and Racial Studies Standing My Ground Brendan Cummins,2015-10-08 Brendan Cummins has made more senior hurling championship appearances than any other player in the history of the game In an era that produced such brilliant goalkeeping talents as Davy Fitzgerald Donal g Cusack and Damien Fitzhenry many would argue that Cummins has earned the right to be considered the greatest of them all Following his League debut for Tipperary in November 1993 Cummins went on to play at the top of the intercounty game for 19 consecutive seasons He won two senior All Ireland medals five Munster championships four League titles and five All Star awards From fearless shot stopping to pinpoint accuracy on his puck outs Cummins was unrivalled in the consistency of his performances a consistency underpinned by a sometimes punishing physical commitment mental discipline and great attention to detail He was the rock upon which Tipperary built their team under many managers and changes of personnel Brendan Cummins story is the story of Tipperary hurling over the last two decades The ups and downs The dramas The characters From his senior championship debut in 1995 under Fr Tom Fogarty to his final games under Eamon O Shea Cummins has seen it all Standing My Ground is a remarkable account of an extraordinary career Origin of Group Identity Luis P. Villarreal,2008-12-10 A sense of belonging is basic to the human experience But in this humans are not unique Essentially all life from bacteria to humans have ways by which it determines which members belong and which do not This is a basic cooperative nature of life I call group membership which is examined in this book However cooperation of living things is not easily accounted for by current theory of evolutionary biology and yet even viruses display group membership That viruses have this feature would likely seem coincidental or irrelevant to most scientist as having any possible relationship to human group identity Surely such simple molecular based relationships between viruses are unrelated to the complex cognitive and emotional nature of human group membership Yet viruses clearly affect bacterial group membership which are the most diverse and abundant cellular life form on Earth and from which all life has evolved Viruses are the most ancient numerous and adaptable biological entities we know And we have long recognized them for the harm and disease they can cause and they have been responsible for the greatest numbers of human deaths However with the sequencing of entire genomes and more recently with the shotgun sequencings of habitats we have come to realize viruses are the black hole of biology a giant force that has until recently been largely unseen and historically ignored by evolutionary biology Viruses not only can cause acute disease but also persist as stable unseen agents in their host **True Storey** Peter Storey,2011-01-18 True Storey is the compelling autobiography of notorious 1970s football legend Peter Storey dubbed the bastard s bastard who gained a reputation for ultra violence on the pitch and had a capacity to find even greater trouble off it

a fact borne out by a string of criminal convictions and several jail sentences A key member as their midfield enforcer of the resilient Arsenal team that won the European Fairs Cup followed by the cherished Double in 1970 71 Storey was a confirmed ladies man who loved a drink In the mid 70s Storey s pub the Jolly Farmers in Islington became a magnet for north London villains and he rubbed shoulders with Great Train Robber Tommy Wisbey and Howard Mr Nice Marks Britain s biggest drug smuggler Storey talks candidly about the crimes he committed and the spells in prison that blighted his life He reveals the truth about his feud with George Best and relays an astonishing account of how Bertie Mee tried to make him miss the 1971 FA Cup final against Bill Shankly s Liverpool side because the Arsenal manager wanted Eddie Kelly to start instead Today Peter is an elusive character but a man transformed and at ease with life Only now does he feel the circumstances are right to set the record straight and tell his side of a remarkable True Storey **Resources in Education** ,1998-07
