The Diary Of A Provincial Lady English Edition:

The Diary of a Provincial Lady E.M. Delafield, 2014-05-01 January 22nd Robert startles me at breakfast by asking if my cold which he has hitherto ignored is better I reply that it has gone Then why he asks do I look like that Feel that life is wholly unendurable and decide madly to get a new hat It s not easy being a Provincial Lady in Devonshire in the 1920s juggling a grumpy husband mischievous children and a host of domestic dilemmas from rice mould to a petulant cook But this Provincial Lady will not be defeated not by wayward flower bulbs not by unexpected houseguests not even by the Blitz She will continue to preside over the W I endure rain drenched family picnics and succeed as a published author all the while tending to her strawberries The Diary of a Provincial Lady is a brilliantly observed comic novel as funny and fresh today as when it was first written Widely regarded as one of the funniest English authors and an heir to Jane Austen E M Delafield was born in Sussex in 1890 She took the name Delafield to distinguish herself from her mother De la Pasture also a novelist and wrote over 30 books which could be as laugh out loud funny as PG Wodehouse before her death in 1943 Mapp and Lucia - The Complete Series E. F. Benson, 2023-12-29 E F Benson s Mapp and Lucia The Complete Series intricately weaves the lives of two formidable women Emmeline Lucia Lucas and Elizabeth Mapp Maple in the idyllic yet politically tinged setting of the fictional English town of Tilling This compilation showcases Benson s exquisite prose characterized by sharp wit and keen social observation reflecting the nuances of British society during the early 20th century Each installment in the series delves into the petty rivalries social ambitions and genteel cruelty of its characters with a narrative style that seamlessly blends humor with incisive commentary on the social hierarchies of the time thereby enriching the original genre of social satire E F Benson a prolific author and member of a prominent literary family cultivated his insights into human behavior and social dynamics through diverse experiences including his studies at Cambridge and engagement with the Bloomsbury Group His astute observations were influenced by an era rife with class tensions and changing societal norms motivating him to craft the distinctive interplay of his characters particularly their sharp class consciousness and the absurdity of social competition For readers seeking a masterful tapestry of comedy and sharp social critique Mapp and Lucia The Complete Series stands out as an essential addition to the literary canon Offering not only laughter but also a reflection on the complexities of friendship and rivalry this series invites readers to indulge in the charming yet tumultuous world of Tilling affirming Benson s enduring relevance in literary scholarship **Diary of a Provincial Lady** E. M. Delafield, 2016-06-20 This book has entertained generations with its wit and humor In 1930 the editor of Time and Tide wanted some light middles preferably in serial form E M Delafield promised to think of something to submit and the Diary was born This largely autobiographical novel in the form of a journal of the life of an upper middle class Englishwoman living mostly in a Devon village of the 1930s is a humorous account of a house wife and a mother who juggles her life at home and yet goes on to successfully publish her first book This version has included the translation to English of all the phrases our
