Author of the classic best-seller THE ROAD LESS TRAVELED

The Different Drum Community Making And Peace

Jörg Weber, Shaun Grech

The Different Drum Community Making And Peace:

The Different Drum Morgan Scott Peck,1990 The overall purpose of human communication is or should be reconciliation It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings one from another Although we have developed the technology to make communication more efficient and to bring people closer together we have failed to use it to build a true global community Dr M Scott Peck believes that if we are to prevent civilization destroying itself we must urgently rebuild on all levels local national and international and that is the first step to spiritual survival In this radical and challenging book he describes how the communities work how group action can be developed on the principles of tolerance and love and how we can start to transform world society into a true community

The Different Drum Morgan Scott Peck,1988 Looks at the importance of community in contemporary society examining such topics as individualism group dynamics and nationalism *The Different Drum* Morgan Scott Peck,1987 The Different Drum M. Scott Peck,2010-05-11 The overall purpose of human communication is or should be reconciliation It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings one from another Although we have developed the technology to make communication more efficient and to bring people closer together we have failed to use it to build a true global community Dr M Scott Peck believes that if we are to prevent civilization destroying itself we must urgently rebuild on all levels local national and international and that is the first step to spiritual survival In this radical and challenging book he describes how the communities work how group action can be developed on the principles of tolerance and love and how we can start to transform world society into a true community

Thomas Merton Paul R Dekar,2012-04-26 Thomas Merton was arguably the twentieth century s most widely published and widely read spiritual writer This book explores Merton s prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton s thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so

Authenticity in Culture, Self, and Society Phillip Vannini,J. Patrick Williams,2009 Authenticity in Culture Self and Society addresses the problems surrounding the concept of authenticity by offering its first sociological analysis Compiled by a team of experts from a variety of disciplinary backgrounds it provides readers with a survey of original empirical studies focused on its experience negotiation and social relevance at the levels of self culture and specific social settings **The Ethics of Community** Frank G. Kirkpatrick,2001-05-25 In this important and timely study Frank Kirkpatrick draws on theology political philosophy and the social sciences more generally to develop a Christian ethic of community Building True Community Eve Berry,2022-05-30 Building True Community explores how to build a sense of community as an antidote

to divisiveness and distrust Based on more than thirty years of working with the community building model developed by M Scott Peck M D bestselling author of The Road Less Traveled and co founder of the Foundation for Community Encouragement this book provides a detailed description of the community building experience how to facilitate the experience and how to integrate its principles and practices into daily life Learn how to deepen and restore relationships resolve conflicts and experience the freedom to be your authentic best self dissolve fixed mental perceptions that reinforce the optical delusion of our separateness confront what keeps divisions in place that separate people and lead to conflict Other topics include the underlying principles and conditions that make a sense of community possible how to create conditions for communities to take root and flourish how the stages of community play out in daily life and how to integrate community building practices into daily life The book also looks back at the origins of community and considers the community building experience as a fusion of spiritual practice with a scientific foundation

Creating Community

Michael Robert Pierson, 2011-09-27 The goal of this book is to help those people whose lives are impacted by community association living owners residents board members volunteers management staff and the business partners that service them have a clearer understanding of the dynamics about how to create a community in the truest sense of the word A collection of diverse individuals that are engaged with each other informed about community issues and actively work together in order to accomplish goals that will make the community stronger and each of their individual lives better Creating Community contains simple yet profound management strategies that board members volunteers and management can utilize to attract the energy of change needed in order to bring people together towards the pursuit of common goals and objectives In short it is about the art of empowerment in community association living

The Spirituality of Community Life

Ron McDonald, 2012-12-06 Find out how communities can help people transcend their individual needs to live richer fuller lives The Spirituality of Community Life is a deeply personal analysis of community life and its importance in helping people develop to their full potential Dr Ron McDonald a pastoral counselor examines the dynamics of community life from the perspective of the participant in a variety of settings including the classroom sports teams church groups recreational groups and the workplace This unique book presents alternatives to a culture that creates competition separation and insecurity focusing instead on communities that encourage civility understanding compromise and altruism The Spirituality of Community Life analyzes the need for community life and the obstacles to it found in American culture where money and power rule and people conform to stay out of trouble The book presents insights into the importance and manner of building communities instead of efficient organizations that are fueled by crisis Topics examined include growth and size as mistaken ideals early Christian community life the What Would Jesus Do phenomenon the spiritual disease caused by fighting enemies the place of art and dance in community life and leadership The Spirituality of Community Life looks at a variety of communities including hikers on the Appalachian Trail a college track and country team a seminary course on the Gospel of

Mark a church health center a traditional Quaker meeting an open education elementary school a championship basketball team an annual meeting of pastoral counselors and much more The Spirituality of Community Life also examines the deeply spiritual nature of community life including insights into early Christian community history and how community life was crucial in the lives of our greatest spiritual leaders The book is essential for anyone seeking to be the kind of leader who can build and nurture communities
