Watson,Jack Covarrubias,Douglas M. Brattebo,Tom Lansford,2012-07-01 Lively and engaging essays covering President Obama s domestic and foreign policy governing style and character **Barack Obama, The Political Phenomenon** Didier Ndongala Mumbata,2018-07-04 The aim of this book is to bring into focus the most exciting and complicated presidential campaign which revealed for the first time to the world Barack Obama as an extraordinary politician It is not a biography of the man who became the 44th president of the United States of America On the contrary the book is the absolutely true story of the most remarkable leader during the campaign a man whose intellectual and political gifts prevailed and set him apart as a political genius Barack Obama won the presidency even if unfavourable circumstances made him less likely to be the president of the United States of America being an African American son of a non American from Kenya having a strange name for an American married to a woman who is a descendant of slaves being only four years as Senator Just imagine that before his 2004 convention speech more than half of the American people did not know or had heard about him This book explains explicitly how this African American survived and convinced all the peoples of the world that he was the one they had been waiting for and why the American people chose him as president of the United States of America in a crucial moment of financial crisis despite all the disadvantages on his side Barack Obama really shook the world With this achievement he has definitely proved that anyone not only rich boys from the upper classes can grow up to be president Besides the book The Political Phenomenon is the most nuanced account of the most exciting presidential campaign in American history including not only the high points but the way the campaign actually became dramatic with all the problems conflicts and achievements Usually the rest of the world doesn t pay too much attention about the primaries until the two main candidates have emerged But this time it was different From Paris to Kinshasa Copenhagen to Melbourne people were staying up until late already in the beginning of 2008 to wait for the results of the U S presidential primary season And finally this book captures the essence of one of the most extraordinary leaders of our time and the process by which he became without any doubt a political phenomenon *Demonizing a President* Martin A. Parlett,2014-08-28 This groundbreaking political expos scrutinizes the motivations behind the unparalleled attacks on President Barack Obama that attempted to undermine his eligibility to lead the country The ascendancy of the first Black president was a watershed moment in American history In response Obama s adversaries engaged in relentless and systematic mudslinging throughout his campaign and well into his presidency othering him as a foreign and dangerous political figure Never before has a presidential candidate been so maligned by so many in such a variety of ways and yet won This provocative study investigates the unrest behind the Obama campaign and election and the controversial political

machine that caused it Martin A Parlett himself a former campaigner for Barack Obama examines the role identity politics and racialization played in the anti Obama movement shows how foreignization is the latest tool for political dissent and discusses the ways in which Obama successfully used the outsider label to his own advantage The book questions the popular and often contradictory notions of Obama as illegitimate Muslim Marxist Communist socialist Kenyan terrorist and angry African American Additionally chapters trace political marginalization and race throughout history from slavery to Reconstruction to the Civil Rights Movement concluding with the culture of distrust in the American political psyche since the events of September 11 2001 *A YEAR IN MY PAJAMAS WITH PRESIDENT OBAMA, The Politics of Strange Bedfellows* , *The Hip Hop & Obama Reader* Travis L. The Obama Nation Jerome R. Corsi, 2008-08-05 In this thoroughly researched and documented book the 1 New York Times bestselling co author of Unfit for Command Swift Boat Veterans Speak Out Against John Kerry explains why the extreme leftism of an Obama presidency would leave the United States weakened diminished and divided why Obama must be defeated and how he can be Barack Obama stepped onto the national political stage when the then Illinois State senator addressed the 2004 Democratic National Convention Soon after Obama was elected to the U S Senate author Jerome Corsi began researching Obama s personal and political background Scrupulously sourced with more than 600 footnotes The Obama Nation is the result of that research By tracing Obama s career and influences from his early years in Hawaii and Indonesia the beginnings of his political career in Chicago his voting record in the Illinois legislature his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics his political advisors and fundraising associates and his meteoric campaign for president Jerome Corsi shows that an Obama presidency would in his words be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s In this stunning and comprehensive new book the reader will learn about Obama s extensive connections with Islam and radical politics from his father and step father s Islamic backgrounds to his Communist and socialist mentors in Hawaii and Chicago to his long term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn associations much closer than heretofore revealed by the press Barack and Michelle s 20 year long religious affiliation with the black liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright whose sermons have always been steeped in a rage first expressed by Franz Fanon Stokely Carmichael and Malcolm X a rage that Corsi shows has deep meaning for Obama Obama s continuing connections with Kenya the homeland of his father through his support for the candidacy of Raila Odinga the radical socialist presidential contender who came to power amid Islamist violence and church burnings Obama s involvement in the slum landlord empire of the Chicago political fixer Tony Rezko who helped to bankroll Obama s initial campaigns and to purchase of Barack and Michelle s dream home property The background and techniques of the Obama campaign s cult of personality including the derivation of the words hope and change Obama s far left domestic policy his controversial votes on abortion his history of opposition to the Second Amendment his determination to raise capital gains taxes his impractical plan to achieve universal health care and his radical plan to tax Americans to fund a global poverty reduction program Obama s na ve anti war anti nuclear foreign policy predicated on the reduction of the military the eradication of nuclear weapons and an overconfidence in the power of his personality as if belief in change alone could somehow transform international politics achieve nuclear weapons disarmament and withdrawal from Iraq without adverse

consequences for us for the Iraqis or for Israel Meticulously researched and documented The Obama Nation is the definitive source for information on why and how Barack Obama must be defeated not by invective and general attacks but by detailed arguments that are well researched and fact based **Barack H. Obama** Webster Griffin Tarpley, 2008 Written by the author of the legendary 1992 expose of Bush the elder this book works from a New Deal point of view Obama is exposed as a foundation operative and agent of Wall Street finance capital controlled by Zbigniew Brzezinski George Soros and Goldman Sachs Obama's mother was an official of the Ford Foundation the World Bank and US AID By all indications Obama was identified for future political use by Brzezinski at Columbia in 1981 1983 during Obama's secret lost years Obama has worked for the Gamaliel Foundation the Joyce Foundation the Woods Fund and the Annenberg Foundation as a community organizer a poverty pimp a cynical opportunist who uses suffering people as a political commodity The foundation strategy is divide and conquer pitting blacks against whites against Hispanics against Asians to prevent any challenge to Wall Street Racist provocateurs like Wright and Pfleger along with Weatherman terrorist bombers Ayers and Dohrn Obama's best friends are cast in this mold Rezko Auchie and Al Sammarae represent the cesspool of Chicago graft and corruption in which Obama cavorts Schooled in Nietzsche and Fanon Obama qualifies as a postmodern fascist An Obama administration would strive for brutal economic sacrifice and austerity to finance Wall Street bailouts and for imperialist confrontation with Russia and China *A Long Time Coming* Evan Thomas, 2010-10-08 An adroitly distilled chronicle of the 2008 presidential campaign and the election of Barack Obama This easily devoured crisply anecdotal account spiked with revealing side of the mouth comments charts the most cautious and reckless of political maneuverings and provides in action portraits of the major players both obvious and behind the scenes Thomas writes that Obama an avid reader and gifted writer sees himself as a figure out of literature and indeed real life stories don't get more compelling than this *America's Bitter Pill* Steven Brill, 2015-08-18 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK A tour de force a comprehensive and suitably furious guide to the political landscape of American healthcare persuasive shocking The New York Times *America's Bitter Pill* is Steven Brill's acclaimed book on how the Affordable Care Act or Obamacare was written how it is being implemented and most important how it is changing and failing to change the rampant abuses in the healthcare industry It's a fly on the wall account of the titanic fight to pass a 961 page law aimed at fixing America's largest most dysfunctional industry It's a penetrating chronicle of how the profiteering that Brill first identified in his trailblazing Time magazine cover story continues despite Obamacare And it is the first complete inside account of how President Obama persevered to push through the law but then failed to deal with the staff incompetence and turf wars that crippled its implementation But by chance *America's Bitter Pill* ends up being much more because as Brill was completing this book he had to undergo urgent open heart surgery Thus this also becomes the story of how one patient who thinks he knows everything about healthcare policy rethinks it from a hospital gurney and combines that insight with his brilliant reporting

The result a surprising new vision of how we can fix American healthcare so that it stops draining the bank accounts of our families and our businesses and the federal treasury Praise for America's Bitter Pill An energetic picaresque narrative explanation of much of what has happened in the last seven years of health policy Brill has pulled off something extraordinary The New York Times Book Review A thunderous indictment of what Brill refers to as the toxicity of our profiteer dominated healthcare system Los Angeles Times A sweeping and spirited new book that chronicles the surprisingly juicy tale of reform The Daily Beast One of the most important books of our time Walter Isaacson Superb Brill has achieved the seemingly impossible written an exciting book about the American health system The New York Review of Books

Trump* Forefront Books, 2020-07-28 Love them or hate them the tweets of President Donald J Trump rule the Twittersverse Until our last presidential campaign television particularly campaign ads dominated the political landscape But with the rise of Donald J Trump came a new political tool the internet Trump used this to communicate instantly and very effectively with the American people And it worked Establishing his political positions by tweeting numerous times a day Trump pulled a major upset by defeating Hillary Rodham Clinton to become the 45th president of the United States Once in office Trump did not abandon his penchant for using Twitter as his populist platform Instead he doubled down on it making it his primary means of communicating with the American people Knowing how effective a tweet can be Trump once wrote Boom I press it and
