The Dynamics Of Enduring Rivalries

Paul Diehl, Gary Goertz

The Dynamics Of Enduring Rivalries:

The Dynamics of Enduring Rivalries Paul Francis Diehl, 1998 It is hard to think of Israel without also remembering the country's long standing problems with its Arab neighbors Similarly India and Pakistan have long been less than cordial to each other The concept of enduring rivalries and conflicts tantamount to militarized competition between two states is rapidly emerging as a subject of research in international relations The nine contributors to The Dynamics of Enduring Rivalries place the concept in its empirical and theoretical context exploring how such rivalries arise what influences their development and when and how they may escalate to war Dynamics of Asymmetric Territorial Conflict U.

Resnick, 2013-07-12 This book provides a comprehensive study of asymmetric territorial conflict combining game theory statistical empirical analysis and historiographic analysis Using the Israeli Palestine conflict as a case study it tests the model on a database of almost four hundred territorial conflicts Handbook of War Studies II Manus I. Midlarsky, 2000 Essays

reflecting the most recent theoretically and empirically oriented research on international warfare **Great Power Rivalries** William R. Thompson, 1999 This volume examines interstate rivalries of the past 500 years providing case studies of those between land powers with continental orientations and leading maritime powers and challengers The contributors focus on the transition from commercial to strategic rivalry **Advances in Psychology Research** Serge P. Shohov, 2003 Advances in Psychology Research presents original research results on the leading edge of psychology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum Contents Preface Cognitive Psychology Explicit and Implicit Processes of Metacognition Behavioural Psychology A Cross Sectional and Prospective Study of Crying in the First Year of Life Cognitive Psychology The Structure and Measurements of Self Concept for University Students Behavioural Psychology Training Behaviours of the Self employed in Canada A Decision Tree Analysis Attenuation of Shock Elicited Pain by Electrical Prepulses Social Psychology Perceptions of Financial Stability in Retirement Do Americans Really Know What to Expect Resilience of Maltreated Children in the Family The Political Psychology of Interstate Rivalry Index **War and Peace in International Rivalry** Paul Diehl, Gary Goertz, 2010-06-02 This book provides the first

detailed analysis of international rivalries the long standing and often violent confrontations between the same pairs of states The book addresses conceptual components of rivalries and explores the origins dynamics and termination of the most dangerous form of rivalry enduring rivalry since 1816 Paul Diehl and Gary Goertz identify 1166 rivalries since 1816 They label sixty three of those as enduring rivalries These include the competitions between the United States and Soviet Union India and Pakistan and Israel and her Arab neighbors The authors explain how rivalries form evolve and end The first part of the book deals with how to conceptualize and measure rivalries and presents empirical patterns among rivalries in the period 1816 1992 The concepts derived from the study of rivalries are then used to reexamine two central pieces of international relations research namely deterrence and democratic peace studies The second half of the book builds an explanation of

enduring rivalries based on a theory adapted from evolutionary biology punctuated equilibrium The study of international rivalries has become one of the centerpieces of behavioral research on international conflict This book by two of the scholars who pioneered such studies is the first comprehensive treatment of the subject It will become the standard reference for all future studies of rivalries Paul F Diehl is Professor of Political Science and University Distinguished Teacher Scholar University of Illinois He is the coeditor of *Reconstructing Realpolitik* and coauthor of *Measuring the Correlates of War* Gary Goertz is Assistant Professor of Political Science University of Arizona and is the coauthor with Paul Diehl of *Territorial Change and International Conflict* *The World of Protracted Conflicts* Michael Brecher, 2016-05-26 The World of Protracted Conflicts seeks to frame the models to answer three crucial questions about interstate protracted conflict what are the most likely conditions for the onset of a protracted conflict its escalation persistence and its termination It presents the findings on protracted conflict occurrence continuation and resolution through testing these models and their derived hypotheses against the evidence from 33 interstate protracted conflicts in the last century These findings will in turn shed further light on the conflict crisis war linkage This book examines and explains patterns that exist in the eruption evolution and winding down of these conflicts through a systematic comparison of recent and contemporary PCs **Conflict Change and Persistence** Meirav Mishali-Ram, 2019-09-05 This book traces the roots of the two enduring rivalries the India Pakistan and Arab Israeli conflicts It then compares trends of development and change over time and examines their impact on the persistence of each conflict Covering a wide range of historical events spanning seven decades in the two regions including major militarized disputes and peace negotiations the study points to variation in interstate relations and a significant increase in animosity between states and non state players It shows how changes in the agenda and the identity discourse of the main actors involved in these conflicts have undermined the idea of a two state solution hindering the resolution of the persistent conflicts in South Asia and the Middle East Power and the Purse Jean-Marc F. Blanchard, Edward D. Mansfield, Norrin M. Ripsman, 2014-06-03 The essays here address the relationship between economic interdependence and international conflict the political economy of economic sanctions and the role of economic incentives in international statecraft *The Dynamics of International Law* Paul F. Diehl, Charlotte Ku, 2010-01-14 Offers a new framework for analysing international law and presents a theory of international legal change Globalization and the National Security State Norrin M. Ripsman, T.V. Paul, 2010-03-18 In the past two decades many have posited a correlation between the spread of globalization and the decline of the nation state Moreover such scholars have maintained that the increasing interdependence between countries means that nations are no longer the sole providers of their territorial security They point to the increasing role of transnational institutions NGOs and regional security agreements role in national defense In *Globalization and the National Security State* T V Paul and Norrin Ripsman argue that this thesis has not been borne out by events Despite the effects of globalization weak and powerful states have continued to pursue traditional nation state
