The Eight-Circuit Brain Antero Alli, 2017-09-07 We know who we are We are the dispossessed the outcasts and the outsiders rebels with a cause who have upturned the mulch of our dead lives and seeded those fertile fields with incendiary visions of our future selves Having already subverted the norm we renounce dominator culture s status quo of everything and drift happy disconnected babes in the abyss wavering in the ambiguity fog of dislocation Free floating between old worlds and the new guided only by the shining paths of mother evolution We have passed over we have passed the point of no return and since there is no turning back we celebrate the momentum lifting us on the wings of perception grace and whatever skills we have earned from surviving the inevitable catastrophe of self Only when we are over does our real life begin from Section 2 Praxis Week Six Chapel Perilous The Eight Circuit Brain advances and expands the material in Alli s groundbreaking book Angel Tech a compendium of techniques and practical applications based on Dr Timothy Leary s 8 Circuit Brain model After more than twenty years of research and experimentation Antero s earlier findings are significantly updated and enriched in this new body of work It includes a comprehensive 8 week course of study and practice the author s Neurological Autobiography of Outside Shocks and Hedonic Upgrades Forum interactions with students from his Eight Circuit course stories from his encounters with Christopher S Hyatt and Robert Anton Wilson and much much more Extensively Illustrated

The Shamanic Path to Quantum Consciousness Laurent Huguelit, 2013-12-17 Uniting shamanism with quantum physics and psychology for conscious evolution manifestation of desires and the development of the soul Details each of the 8 circuits of consciousness from the first circuit of physical survival to the eighth circuit of quantum consciousness Reveals how to balance and upgrade your circuits through shamanic techniques and activate your creative power to shape reality Explains how the 8 circuits are interconnected through feedback loops if one is overactive it can cause the others to shut down First outlined by Timothy Leary and later expanded by Robert Anton Wilson and Antero Alli the eight circuit model of consciousness explains how the soul is multidimensional and functions on eight distinct interconnected planes that form the eight circuits of conscious awareness Each circuit is connected to certain behaviors and personality traits the second circuit for example is connected to emotional consciousness such as intuition feelings of courage or in its unbalanced state aggression and domination and the eighth circuit the creative circuit of quantum consciousness is related to limitless perception understanding and action that extends far beyond the limits of planet Earth Laurent Huguelit explains how these eight levels of awareness are interconnected through feedback loops forming a cybernetic mapping of the soul He explores the underactive overactive and balanced states of each circuit offering many psychological profiles as examples He reveals how activating a circuit that has been neglected can help bring another into balance Connecting this model of conscious evolution to shamanism the oldest consciousness science known to man the author explains how to balance and upgrade your own circuits through shamanic techniques He reveals how to reconnect with source energy by

deprogramming trauma from your childhood that can affect your circuits With access to this unlimited energy you can activate your innate creative power to manifest your desires and shape reality Uniting shamanism and the law of attraction with advanced concepts of modern psychology quantum physics and the Akashic field theory of Ervin Laszlo Laurent Huguelit offers a practical map of human consciousness and the development of the soul as well as a vision for the cybernetic future of shamanism

Circuits and Shen: Models of the evolution of consciousness and Chinese medicine Douglas S. Wingate, 2016-12-31 Every individual develops physically and psychologically through distinct stages of life With each stage grows a wider perspective of self and the world around us In Circuits and Shen models of the evolution of consciousness and Chinese medicine the spectrum of human consciousness is explored from the view of the eight circuit model of the brain and the holonomic theory of development It is shown how these relate to brain development psychoneuroendocrinology and holding patterns of the fascial networks throughout the body as well as Eastern subtle body systems Utilizing this information it becomes possible to lay out a systematic means of informing Chinese medical practitioners and bodyworkers in approaches aimed at treating negative imprints psychological impacts or physical illnesses that may develop out of each stage
