The Elsker Saga Box Set S 1 3 Novella:

The Elsker Saga Box Set (Books 1-3 + Novella) S.T. Bende, 2015-05-03 When Kristia discovers that her new boyfriend is the Norse god of winter she's plunged into a world beyond her wildest dreams. A breathtaking fantasy series brimming with romance, magic, and danger. Bookbub. From international bestselling author S.T. Bende comes the complete story of The Elsker Saga Books 1-3 PLUS novella. When bookish student Kristia Tostenson discovers her new boyfriend is the Norse God of Winter, her orderly life becomes very messy. With Ragnarok, the end of days on the horizon, and a lunatic haunting her dreams, Kristia has to find a way to convince Ull that breaking the rules is the only way to survive that defying the order he's sworn to uphold is their only chance to be together. And when someone starts asking the wrong questions, Kristia realizes the crazy visions she's had all her life might be the key to saving their realms, even if they end up costing her her life. The Elsker Saga Box Set includes all three books in S.T. Bende's internationally bestselling ELSKER SAGA plus the bonus novella TUR ELSKER. Bookish Kristia is stunned to discover that her boyfriend Ull Myhr isn't even human. He's a Norse god forbidden to love and destined to die in a battle that will destroy Earth. But these two just might break all the rules and save the world while they're at it. **ENDRE** Winning the heart of an immortal assassin was a dream come true for Kristia Tostenson. But her decision to become immortal could end in heartbreak, not only for Kristia but also for the god who loves her. While Ull would do anything to protect his bride, even the God of Winter is powerless against the Norse apocalypse. Ragnarok is coming, and the gods aren't even close to ready. **TRO** As things heat up between Kristia and Ull, a frost settles over Asgard. Kristia's barely begun to understand what she's capable of, and controlling her powers seems completely out of her grasp. With her new family fighting for their lives and Ull fighting for their future, Kristia has to make a devastating choice: preserve the life she loves or protect the god she can't live without. **TUR** Inga Andersson has it all: great friends, a job as Odin's personal fight choreographer, and a happy ever after with her realm's hottest assassin. But when evil invades Asgard, her world comes crashing down. With Ragnarok on the horizon, Inga has to decide how she'll spend her final moments of freedom. Because once the battle begins, Inga's perfect life will be nothing more than a memory. [Endre: The Elsker Saga Book Two](#) S.T.
