The Escape David Baldacci, 2014-11-18 Special Agent Puller's brother is the country's most wanted criminal but his conviction points to a cover up and a dangerous enemy bent on burying the truth in this 1 New York Times bestselling thriller. It's a prison unlike any other. Military discipline rules. Its security systems are unmatched. None of its prisoners dream of escaping. They know it's impossible until now. John Puller's older brother Robert was convicted of treason. His inexplicable escape from prison makes him the most wanted criminal in the country. Some in the government believe that John Puller represents their best chance at capturing Robert alive and so Puller must bring in his brother to face justice. But Puller quickly discovers that his brother is pursued by others who don't want him to survive. Puller is in turn pushed into an uneasy fraught partnership with another agent who may have an agenda of her own. They dig more deeply into the case together and Puller finds that not only are her allegiances unclear but there are troubling details about his brother's conviction and someone out there doesn't want the truth to ever come to light. As the nationwide manhunt for Robert grows more urgent, Puller's masterful skills as an investigator and strengths as a fighter may not be enough to save his brother or himself.

The 6:20 Man David Baldacci, 2022-07-12 A cryptic murder pulls a former soldier turned financial analyst deep into the corruption and menace that prowl beneath the opulent world of finance in this 1 New York Times bestselling thriller from David Baldacci. Every day without fail Travis Devine puts on a cheap suit, grabs his faux leather briefcase, and boards the 6:20 commuter train to Manhattan where he works as an entry level analyst at the city's most prestigious investment firm. In the mornings he gazes out the train window at the lavish homes of the uberwealthy, dreaming about joining their ranks. In the evenings he listens to the fiscal news on his phone, already preparing for the next grueling day in the cutthroat realm of finance. Then one morning Devine's tedious routine is shattered by an anonymous email: She is dead. Sara Ewes, Devine's coworker and former girlfriend, has been found hanging in a storage room of his office building, presumably a suicide, at least for now, prompting the NYPD to come calling on him. If that wasn't enough, before the day is out, Devine receives another ominous visit, a confrontation that threatens to dredge up grim secrets from his past in the army unless he participates in a clandestine investigation into his firm. This treacherous role will take him from the impossibly glittering lives he once saw only through a train window to the darkest corners of the country's economic halls of power where something rotten lurks. And apart from this high stakes conspiracy, there's a killer out there with their own agenda, and Devine is the bullseye.
