The Extraordinary Secrets Of April May June:

The Extraordinary Secrets of April, May, & June Robin Benway, 2010-08-03 I hugged my sisters and they fit against my sides like two jigsaw pieces that would never fit anywhere else I couldn't imagine ever letting them go again like releasing them would be to surrender the best parts of myself Three sisters share a magical unshakeable bond in this witty high concept novel from the critically acclaimed author of *Audrey Wait Around the time of their parents divorce* sisters April May and June recover special powers from childhood powers that come in handy navigating the hell that is high school Powers that help them cope with the hardest year of their lives But could they have a greater purpose April the oldest and a bit of a worrier can see the future Middle child May can literally disappear And baby June reads minds everyone's but her own When April gets a vision of disaster the girls come together to save the day and reconcile their strained family They realize that no matter what happens powers or no powers they'll always have each other Because there's one thing stronger than magic sisterhood
