In The Fib The Swap and The Trick George Layton's collections of short stories evoke a nostalgic atmospheric view of growing up in the 1950s Now published together for the first time as a bind up The coach started to move off I felt frightened All these weeks looking forward to it and now I didn't want to go Please Mum let me go home She was running alongside waving her hanky and crying He'd nagged his mother for weeks to let him go on the school exchange swapping his home in the backstreets of a northern town for a posh house in London With a proper family With a dad But now it was all going wrong The Wheatstack and Other Stories Joseph Smith Fletcher, 1909 The Song of Hyacinth, and Other Stories John Oxenham, 1908 **Katherine Mansfield and Bliss and Other Stories** Enda

Duffy, 2020-08-18 This book celebrates the centennial of Bliss's publication by offering new readings of some of Mansfield's

most well known stories *The Dead and Other Stories* James Joyce, 2014-06-03 That James Joyce's *The Dead* forms an extraordinary conclusion to his collection *Dubliners* there can be no doubt But as many have pointed out *The Dead* may equally well be read as a novella arguably one of the finest novellas ever written *The Dead* a story of public life as Joyce categorized it was written more than a year after Joyce had finished the other stories in the collection and was meant to redress what he felt was their unnecessary harshness Set on the feast of the epiphany it is a haunting tale of connection and of alienation reflecting in the words of Stanislaus Joyce James's brother and confidant the nostalgic love of a rejected exile The present volume highlights *The Dead* for readers who wish to focus on that great work in a concise volume and for university courses in which it is not possible to cover all of *Dubliners* But it also gives a strong sense of how that story is part of a larger whole Stories from each of the other sections of *Dubliners* have been included and a wide range of background materials is included as well providing a vivid sense of the literary and historical context out of which the work emerged

The Works of Thackeray: Lovell the widower and other stories and sketches William Makepeace Thackeray, 1911

The Ball of the Vegetables and Other Stories in Prose and Verse Madge Elliot, 1883 *The country doctor and other stories* Honoré de Balzac, 1898 **Yvette and Other Stories** Guy de Maupassant, 1915 *War Stories* Michael

Morpurgo, 2020-04-02 Specially commissioned by Michael Morpurgo to mark the 60th anniversary of VE day this deeply moving collection features stories of war from the most well loved voices in children's literature including Michelle Magorian Celia Rees George Layton Robert Westall Joan Aiken Eva Ibbotson Geraldine McCaughrean and other top children's authors From World War II to the Crusades 1970s Beirut to the modern day Middle East these vivid stories explore wars throughout history They examine not only the immediate consequences of war but also what happens after the fighting is over *Waiting for Peace War Stories* was originally published as *War Stories of Conflict*
