BOOK JACKET *Final Judgement and the Dead in Medieval Jewish Thought* Susan Weissman, 2020-07-23 Through a detailed analysis of ghost tales in the Ashkenazi pietistic work *Sefer asidim* Susan Weissman documents a major transformation in Jewish attitudes and practices regarding the dead and the afterlife that took place between the rabbinic period and medieval times She reveals that a huge influx of Germano-Christian beliefs customs and fears relating to the dead and the afterlife seeped into medieval Ashkenazi society among both elite and popular groups In matters of sin penance and posthumous punishment the infiltration of Christian notions was so strong as to effect a radical departure in Pietist thinking from rabbinic thought and to spur outright contradiction of talmudic principles regarding the realm of the hereafter Although it is primarily a study of the culture of a medieval Jewish enclave this book demonstrates how seminal beliefs of medieval Christendom and monastic ideals could take root in a society with contrary religious values even in the realm of doctrinal belief

The Final Order Krishnakant, 2023-01-04 THE BOOK THAT HAS THE GURUS ON THE RUN The Final Order by Krishnakant Desai has been perhaps the most influential

post 1977 publication in the Vaisnava world HH Bhakti Vikasa Swami ISKCON guru Who should initiate disciples in the Hare Krishna Movement The spiritual purity and general prestige of the International Society for Krishna Consciousness ISKCON or the Hare Krishna Movement has undergone a serious meltdown since the physical departure on November 14th 1977 of its pure and saintly founder His Divine Grace A C Bhaktivedanta Swami Srila Prabhupada Most of the scandals that have rocked the Movement can be traced back to fairly blatant deviations from the instructions and pure standards given by Srila Prabhupada the chief of which being his unauthorised displacement as the sole initiating diksa guru for ISKCON This particular deviation was highlighted in 1996 in the first edition of The Final Order which was sent to all ISKCON s leaders in a bid to help solve the Movement s problems No ISKCON leader could now credibly claim to be oblivious to the legal documents personally signed by Srila Prabhupada that clearly set out his intention to remain the sole initiating guru for the global spiritual movement he founded It is these legal documents that constitute the core of The Final Order Far from accepting the conclusions of The Final Order ISKCON s Governing Body Commission GBC embarked on a systematic and sometimes brutal campaign of harassment suppression and evasion Surely it is no coincidence that most if not all of the members of the GBC are also initiating gurus This book will help the reader get to grips with the plain facts underlying one of the most fascinating and serious religious controversies of the modern age The GBC should all be the instructor gurus I am the initiator guru and you should be the instructor guru by teaching what I am teaching and doing what I am doing Srila Prabhupada Letter to Madhudvisa 4 8 1975 Yes I am the spiritual master of this institution and all the members of the Society they re supposed to be my disciples They follow the rules and regulations which I ask them to follow and they are initiated by me spiritually Srila Prabhupada Radio Interview 12 3 1968 Pearl Harbor: Final Judgement Henry C. Clausen, Bruce Lee, 2015-07-07 This account of the top secret investigation is essential history the authoritative appraisal of why American armed forces met the Japanese attack asleep The Christian Science Monitor On December 6 1941 Admiral Husband E Kimmel commander in chief of the United States Pacific Fleet assured his staff that the Japanese would not attack Pearl Harbor The next morning Japanese carriers steamed toward Hawaii to launch one of the most devastating surprise attacks in the history of war proving the admiral disastrously wrong Immediately an investigation began into how the American military could have been caught so unaware The results of the initial investigation failed to implicate who was responsible for this intelligence debacle Secretary of War Henry L Stimson realizing that high ranking members of the military had provided false testimony decided to reopen the investigation by bringing in an unknown major by the name of Henry C Clausen Over the course of ten months from November 1944 to September 1945 Clausen led an exhaustive investigation He logged more than fifty five thousand miles and interviewed over one hundred military and civilian personnel ultimately producing an eight hundred page report that brought new evidence to light Clausen left no stone unturned in his dogged effort to determine who was truly responsible for the disaster at Pearl Harbor Pearl Harbor Final Judgement reveals

all of the eye opening details of Clausen s investigation and is a damning account of massive intelligence failure To this day the story surrounding the Japanese attack on Pearl Harbor stokes controversy and conspiracy theories This book provides conclusive evidence that shows how the US military missed so many signals and how it could have avoided the events of that fateful day

Four Views on the Role of Works at the Final Judgment Robert N. Wilkin, Thomas R. Schreiner, James D. G. Dunn, Michael P. Barber, 2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Ezra-Apocalypse ,1912 *Dies Irae: the Final Judgement and Future Prospects of Mankind* Robert Baker Girdlestone, 1877

Beyond Canon Meron Gebreanaye, Francis Watson, Logan Williams, 2020-12-24 This book highlights the significance of a group of five texts excluded from the standard Christian Bible and preserved only in Ge ez the classical language of Ethiopia These texts are crucial for modern scholars due to their significance for a wide range of early readers as extant fragments of other early translations confirm in most cases Yet they are also noted for their eventual marginalization and abandonment as a more restrictive understanding of the biblical canon prevailed everywhere except in Ethiopia with its distinctive Christian tradition in which the concept of a closed canon is alien In focusing upon 1 Enoch Jubilees the Ascension of Isaiah the Epistula Apostolorum and the Apocalypse of Peter the contributors to this volume group them together as representatives of a time in early Christian history when sacred texts were not limited by a sharply defined canonical boundary In doing so this book also highlights the unique and under appreciated contribution of the Ethiopic Christian Tradition to the study of early Christianity

Eschatology Markus Mühling,2015-06-18 This textbook offers a systematic introduction to eschatology The first part introduces the historical approaches to eschatology The second part concerns the reasons for eschatological statements in light of important aspects of the doctrine of God and Christ The third part is devoted to different concepts of the relationship between eternity and time space and infinitude as well as the question of what is good true and beautiful Using a thematic structure the multiple different approaches and concepts of modern eschatology are clearly presented and illuminated by the perspective of the classical teachings on the Last Things which are ultimately brought together in a synthesis This is an important contribution to a crucial part of the study of systematic theology **Diversity of Enforcement Titles in the EU**

Vesna Rijavec,Wendy Kennett,Tomaž Keresteš,Tjaša Ivanc,2023-12-30 This book examines the diversity of enforcement titles in cross border debt collection focusing on the types structure contents and effects of enforcement titles It offers a comprehensive overview of judgments court settlements and authentic instruments from a variety of EU Member States It primarily employs the comparative legal method to draw conclusions on commonalities and differences as well as prospects for future approximation of laws The premise of the research is rooted in the finding that national authorities of EU Member States continue to treat enforcement titles from other Member States with reservations and mistrust despite being committed to the principle of mutual trust The book identifies the issues of mistrust stemming from the diversity of enforcement titles The research is based on a rich database of national reports compiled during the course of several large scale EU Justice Projects Divided into five parts the book offers first some general considerations and presents attempts at a systemisation of enforcement titles The following parts are then devoted to more specialised approaches toward the different types of enforcement titles However the connecting line between all parts of the book are the considerations of cross border enforcement in the EU and in a limited manner with third States Herein research also addresses critical factors regarding the free movement of judgments in the EU including those of *lis pendens* and related actions This book provides a valuable contribution to the Theory of European Civil Procedure Since it is based on a comparative approach and employs both empirical and doctrinal viewpoints it should also greatly benefit practitioners involved in cross border dispute resolution Overall the findings should be of interest to a broad audience including policymakers judges practitioners and scholars
