The Split God Nimi Wariboko, 2018-02-15 Although Pentecostalism is generally considered a conservative movement in The Split God Nimi Wariboko shows that its operative everyday notion of God is a radical one that poses under cover of loyalty a challenge to orthodox Christianity He argues that the image of God that arises out of the everyday practices of Pentecostalism is a split God a deity harboring a radical split that not only destabilizes and prevents

God himself from achieving ontological completeness but also conditions and shapes the practices and identities of Pentecostal believers Drawing from the work of Slavoj i ek Jacques Lacan Jean Luc Nancy and Giorgio Agamben among others Wariboko presents a close reading of everyday Pentecostal practices and in doing so uncovers and presents a sophisticated conversation between radical continental philosophy and everyday forms of spirituality By de particularizing Pentecostal studies and Pentecostalism Wariboko broadens our understanding of the intellectual aspects of the global Pentecostal and Charismatic movements

Hezekiah and the Compositional History of the Book of Kings Benjamin D. Thomas,2014-07-29 This study explores one of the oldest and most central issues of the Hebrew Bible the compositional history of 1 2 Kings Its approach does not proceed from the assumption prevalent since the time of de Wette namely that the origins of 1 2 Kings should be explained through a process of Deuteronomistic literary redaction rooted in the Josianic reform Rather this study reads 1 2 Kings through the lens of other texts with similar genres existing in its historical context More precisely the texts under question belong to the genre of chronography kinglists chronicles and royal inscriptions possessing similar or in some cases identical structures and motifs to those found in 1 2 Kings This study includes a literary critical analysis of every main structural feature of the regnal

framework regnal year totals synchronisms geographic filiations naming the queen mother source citations death and burial formulae regnal evaluations royal predecessor formula and cultic reports It also seeks to determine the extent of the original framework by mapping its opening and conclusion The results of the study indicate that the framework s opening was in Solomon s account and its original climax was in Hezekiah s account and represented the latter as a royal YHWHist par excellence excellence the restorer of order who limited sacrificial space to Jerusalem The genealogical structure of this Hezekian History emerges from the Davidic royal ideology rooted in Jerusalem There is no decisive indication that calls for the original framework structure s classification as Deuteronomistic or Josianic The author of the framework wrote during the early to mid seventh century B C E and reported the major historical events surrounding Hezekiah s reign including the survival of Jerusalem in 701 B C E in the B1 narrative as well as his centralizing reform

Theology of the Open Table Eojin Lee,2016-11-23 Theology of the Open Table begins with research on the traditional eucharistic understanding in the Presbyterian Church of Korea PCK through cultural and social analyses In developing his argument Eojin Lee has especially researched the biblical theological and early church sources in relation to his subject the Eucharist and the open table This book seeks to provide sound theological justification for the open table with an introduction of practices of the open table in the Uniting Church in Australia UCA

The McDonaldization of the Church John William Drane,2002-02 A theology which comes pre packaged and in which there are no loose ends is not true to life nor can it adequately reflect the richness of the Gospel Why are churches struggling to maintain credibility in a culture in which there are more spiritual seekers than at any time in living memory John Drane believes that churches have become stereotyped structures offering un inventive formulaic worship to a dwindling minority But there are exciting opportunities for growth he argues if only churches will rediscover their own creativity and flexibility If only they will offer something more nourishing for post modern spiritual appetites than the equivalent of fast food

The Completion of Judges David J. H. Beldman,2017-05-08 The last five chapters of the book of Judges chs 17 21 contain some shocking and bizarre stories and precisely how these stories relate to the rest of the book is a major question in scholarship on the book Leveraging work from literary studies and hermeneutics Beldman reexamines Judges 17 21 with the aim of discerning the strategies of ending that are at work in these chapters The author identifies and describes a number of strategies of ending in Judges 17 21 including the strategy of completion the strategy of circularity and the strategy of entrapment The temporal configuration of Judges and especially the nonlinear chronology that chapters 17 21 expose also receive due attention All of this offers fresh insights into the place and function of Judges 17 21 in the context of the whole book

The Dynamics of Forgiveness James G. Emerson,2024-11-18 First published in 1964

The Dynamics of Forgiveness is the product of a parish and of theological study in the context of a parish. Written by a pastor, it attempts to give enough evidence to establish the place of forgiveness in theological thought, parish life, and personal health. The experiences presented have been subjected to investigation by tested procedures. The author states that he is not a church historian, a systematic theologian, or an authority on human behavior. However, he wished to raise questions for those that are experts in these disciplines and hoped that this book would raise a response. This book is a re-issue originally published in 1964. The language used is a reflection of its era, and no offence is meant by the Publishers to any reader by this re-publication.

Handbook of Community Movements and Local Organizations Ram A. Cnaan, Carl Milofsky, 2006-11-28. Although the way associations and the organization of local social life are intertwined is one of the oldest approaches to community study, the way citizens and residents come together informally to act and solve problems has rarely been a primary focus. Associations are central to important and developing areas of social theory and social action. This handbook takes voluntary associations as the starting point for making sense of communities. It offers a new perspective on voluntary organizations and gives an integrated yet diverse theoretical understanding of this important aspect of community life.

Prophecy in Early Christianity and the Ancient Mediterranean World David E. Aune, 2003-08-12. Aune's comprehensive study of early Christian prophecy includes a review of its antecedents, Greco-Roman oracles, ancient Israelite prophecy, prophecy in early Judaism, a discussion of Jesus as prophet, and analyses of Christian prophetic speeches from Paul to the middle of the second century A.D. The most detailed study of early Christian prophecy written. Aune's book places the phenomenon of early Christian prophecy within the larger Greco-Roman world.

The Justus Scrolls Paul David Morris, 2013-03 Rejected by God or called to an uncommon path The eleven apostles cast lots to determine whom the Holy Spirit would pick to replace Judas Iscariot he must be someone who had been with Jesus the whole time That left either Joseph bar Sabbas called Justus or Matthias The stones were cast and the lot fell to Matthias Even so Justus wouldn't be denied his dream He had mingled among the disciples for more than three years He had been close to Jesus held private conversations with him and had laughed with him He'd slept around the same campfires visited the same homes and eaten at the same tables Now Justus would chart a new path He would reveal everything he knew about his Lord from the viewpoint of a privileged witness Justus began to write What was it like to be near Jesus in everyday situations or to see him in action in his greatest moments Did Jesus have a childhood best friend How did he relate to his fish-breathed disciples What did he feel when the crowd cried out for his death Justus logged all of this in a series of scrolls and began a journey to house the treasure at the great library in Alexandria Egypt Perhaps someday they would be seen

Evangelicals in Mexico Dinorah B. Méndez, Dinorah Mendez, 2008 Hymns as a potential tool of theological contextualisation have never been fully explored This study looks at this function of hymnody in relation to Mexican culture A sample of hymnody used by evangelicals of different traditions was selected to examine its theology and to compare which kind of hymns or songs were more reliable and appropriate to communicate the evangelical faith in the Mexican context

The Church Eclectic, 1907 *Pentecostal Theology and the Christian Spiritual Tradition* Simon Chan, 2011-07-12 This book deals with the problem of Pentecostal traditioning Traditioning has been ineffective thus far because the richness of Pentecostal faith and experience has been inadequately captured in the classical Pentecostal doctrines of Spirit baptism and glossolalia A more adequate understanding of the key theological symbol of Pentecostalism glossolalia emerges when it is interpreted in the light of Christian spiritual tradition Within this larger tradition glossolalia can be seen as bringing together both the ascetical and contemplative dimensions of the Christian life Chan thus explores the shape of Pentecostal ecclesiology as traditioning community
