The Funny Thing Is English Edition:

There are Tears in Things (English Edition) Laksmi Pamuntjak, 2016-11-07 What a pleasure to see Laksmi Pamuntjak's poems and prose texts in one generous volume that bears witness to her versatility and dexterity in both those genres long before her name became internationally known for her splendid first novel. Her multivocal stories intertwine with the lush layered textures of art and music and her elliptical deft poems observe with a clear eye the cityscapes of our own restless lives whether in Jakarta or London New York or Berlin. Aamer Hussein author of *Another Gulmohar Tree* *The Cloud Messenger* *Insomnia* It is clear from her beautiful poetry and prose that Laksmi Pamuntjak knows the human heart has many chambers who cares what doctors think and that love desire and longing is never so easy and simple as to occupy only one room in the hotel of our hearts. This staggering collection is both delicate and dangerous forceful and faultless. She draws back the curtains on the aching complexities of vulnerability all you have to do is enter. Sean M Whelan author of *Tattooing the Surface of the Moon* Laksmi Pamuntjak's poems start in the thinking mind intelligently constructed and seemingly softly spoken. But they roam wildly into everything that surrounds it both by way of the material the bodily the sensuous and along the transformative power of the imagination. Her verse brings these two distinct modes of being together as if they are not separate at all. In so doing her poetry is one where the personal the political and the mystical are one. As they should be. Joost Baars poet essayist former manager of *Perdu Poetry Theater* in Amsterdam Pamuntjak moves through cities and bodies and imprints and sends us these pages like postcards to cherish on one side poems and musings on the other vignettes and visuals. So we travel with her through her eyes seeing and savoring each experience renewed by every fresh taste or tableau. Sharanya Manivannan author of *The High Priestess Never Marries* Aesthetically intense and powerfully sensual the poetry is attuned meticulous deft and the reader is transfigured by a sea of silences. Books of the Year 2005 *The Herald UK* for *Ellipsis* hard not to get caught up in the poems sheer energy and celebration of language or as Pamuntjak writes a world of the word. *The Straits Times Singapore* for *Ellipsis* hard edged and heartfelt her translations of desire may be measured in pure delight. Christopher Merrill director of the International Writing Program University of Iowa and author of *Brilliant Water Poems* *Things of the Hidden God* Only the Nails Remain for The Anagram

Words that Tear the Flesh Stephen Alan Baragona, Elizabeth Louise Rambo, 2018-01-22 The rhetorical trope of irony is well trod territory with books and essays devoted to its use by a wide range of medieval and Renaissance writers from the Beowulf poet and Chaucer to Boccaccio and Shakespeare however the use of sarcasm the flesh tearing form of irony in the same literature has seldom been studied at length or in depth Sarcasm is notoriously difficult to pick out in a written text since it relies so much on tone of voice and context This is the first book length study of medieval and Renaissance sarcasm Its fourteen essays treat instances in a range of genres both sacred and secular and of cultures from Anglo Saxon to Arabic where the combination of circumstance and word choice makes it absolutely clear that the speaker whether a character or a narrator is being sarcastic Essays address among other things the clues writers give that sarcasm is at work how it conforms to or deviates from contemporary rhetorical theories what role it plays in building character or theme and how sarcasm conforms to the Christian milieu of medieval Europe and beyond to medieval Arabic literature The collection thus illuminates a half hidden but surprisingly common early literary technique for modern readers
