## **The Marriage Mirage:**

Marriage Or Mirage Morolayo Owoputi,2019-04-13 This is a book on marriage and understanding successful marriage s love languages like Gary Chapman s book True marriages are a blessing but the consequences that come from a bad marriage are not experiences anyone wishes to live with as these could be cancerous to personal health families societies and nations As every day realities set in some marriages come across to the dispassionate observer as simply struggling to thrive Some marriages may appear to be in good health but lack substance While some fall apart along the way most seem to be enduring marriage rather than enjoy it Many individuals seem to be struggling to come to terms with the reality that their dreams of a blissful peaceful profitable and harmonious union have been eroded with the passage of time The surprises are just incredible There s a significant difference between a true marriage and its counterfeits Marriage or Mirage is a book for all individuals who are ready and willing to make great marriages A profoundly compelling book that unravels the secrets to having a marriage that works lastingly through the vicissitudes of life It s not a book that attempts to mock challenging or failing marriages but rather a resource to help show what marriage is not It primarily shows you how to know if there s a marriage in your house or a mirage It reveals and addresses devastating occurrences that make illusionary mirages out of many marriages today It also illustrates what the Originator s view of marriage is and spells out the roles assigned to each party in the marriage partnership to prevent the occurrence of mirages A must read With this book spouses in a discordant marriage are armed with the knowledge of what to do to redeem their marriages and those enduring marriage would discover how their marriages could become a delight rather than an exercise of endurance Even those experiencing a separation are given by this work the keys to form future workable marriages It also points out to individuals planning a divorce some truth they need to consider before saying never again Young couples about getting married are fore armed with the laws of union which they must continually exercise to build a lasting marriage Above all it will help stakeholders see how to make a marriage work such that all dreams of living happily ever after can become a reality which is the end desired for all true marital journeys

**Same Sex Mirage: Phantasmagoria at the Altar & Some Biblical Responses** Douglas Wilson, 2016-05-31 Obergefell v Hodges was a wonderful decision because it s now forcing every Christian to decide whether their allegiance is to the Supreme Court or to the Supreme Being In every other way it was a terrible decision But understanding where it came from and how it impacts our public and private lives isn t so straightforward And for Christians most of that difficulty stems from the fact that we have mis identified the nature of the current culture war Homosexual rights are about sexual liberty but only superficially Primarily gay marriage is about the right to control Same Sex Mirage starts to untangle the issues involved beginning with the fundamentals of marriage and then tracing the effects of this foundational institution in every area of life Is marriage a private matter an agreement before God alone Or is it public a matter for legislation But most Christians also need to think about the issues involved beyond the chapel Does marriage equality affect public discourse How should free speech play into this discussion What does the Bible say about the Supreme Court or repentance or a theology of resistance Obergefell was a disaster for our nation And as with every disaster the biggest benefit is in determining how we Christians ignored all warnings and let it happen Our secular culture is trying to redefine marriage because the church first showed the way by redefining love Douglas Wilson

Kincheloe, 2023-11-07 In *A Life Just Like Mine* Dr Donna D Kincheloe connects significant life scenes from her childhood high school nursing school and adulthood to depict events that caused deep pain while extracting nuggets of meaning and highlighting the positive take aways along the way Dr Donna engages the audience with an open heart to stimulate emotional self evaluation and thoughtfully showcase God s abundant grace She shares experiences blended with gems of wisdom tears of sadness and humor and subtle scenes of God s interventions with powerful transparency Ultimately Dr Donna passes on her realization that the imperfect life God gave her is the exact life that shaped her into who she is today a compassionate empathetic respectful God loving nurse mother and wife A fierce storyteller who uses her own experiences to help others transform their past pain into present peace *Living in Time* Albert Gelpi, 1998-02-19 The Oxford poets of the 1930s W H Auden C Day Lewis Stephen Spender and Louis MacNeice represented the first concerted British challenge to the domination of twentieth century poetry by the innovations of American modernists such as Ezra Pound and William Carlos Williams Known for their radical politics and aesthetic conservatism the Auden Generation has come to loom large in our map of twentieth century literary history Yet Auden s voluble domination of the group in its brief period of association and Auden s sway with critics ever since has made it difficult to hear the others on their own terms and in their own distinct voices Here rendered in eloquent prose by one of our most distinguished critics of modern poetry is the first full length study of the poetry of C Day Lewis a book that introduces the reader to a profoundly revealing and beautifully wrought record of his poetry against the cultural and literary ferment of this century Albert Gelpi explores in three expansive sections the major periods of the poet s development beginning with the emergence of Day Lewis in the thirties as the most radical of the Oxford poets An artist who sought through poetry a way of living in time without traditional religious assurances Day Lewis went further than his friends in seeking to forge a revolutionary poetry out of his commitment to Marxism When Stalinism led to his resignation from the Communist Party Day Lewis in the forties went on to shape a rich fiercely perceptive poetry out of the convergence of the wartime crisis with the explosive events of his own inner life intensified by the erotics of a decade long affair Returning to his Irish roots and meditating on the persistent tension between agnosticism and faith in the work of his third and final period Day Lewis wrote some of the most moving poems in the language about mortality and dying the limits and possibilities of

human striving Through the traumatic changes of his life C Day Lewis came increasingly to depend on the intricacies of poetry itself as a way of living in time His abiding belief in the psychological and moral functions of poetry impelled him in his critical writings and in his own poetic practice to delineate a modern poetics that presents an effective alternative to the elitist experimentation associated with Modernism This vital revisionist reading of Day Lewis demonstrates that much of his best work was written after the thirties and establishes him as one of the most significant and accomplished British poets of the modern period

Uncertain Pastor David Chambo explains how its dangerous to live without programming the world within and around us An agenda is very imperative for every human being who wants to excel on this lifes journey There are a few things to consider and to evaluate in order to make our dreamed life achievable such as the following Identifying your passion and purpose Timing your entire life endeavors Do not fast forward your journey Flexibility and open spirit Do not practice procrastination The agenda enables us to live in certainty and precision of our actions In addition the presence of an agenda in our lives will save us from disastrous influence and anxiety But dont begin until you count the cost For who would begin construction of a building without first calculating the cost to see if there is enough money to finish it Luke 14 28 NLT

Astrological Aspects  
Jeanne Avery,2004-12 Aspects are the mathematical relationships between planets in an individual s astrological chart They are key factors in the study of astrology for it is the interpretation of the relationship of one planet to another that explains human behavior If we think of each planet as representing a quality of energy or a voice within then two planets relating to each other would describe a conversation all ten considered together could be likened to a committee meeting The relationships of all those planets to each other characterizes the effectiveness of that group meeting or the quality of dialogue going on within us Some people have simple and harmonious inner dialogues while other people have a riot going on inside Astrological Aspects allows readers to make sense of the riot and through examples of aspects in the charts of well known people shows us how different individuals manage or mismanage both conflicting and complementary energies and by extension how we can do the same
