

A woman with dark hair, wearing a white, flowing, strapless dress, is shown from the waist up, floating underwater. Her arms are outstretched, and her legs are bent at the knees. The water is a deep blue, and light rays filter down from above. The overall mood is ethereal and dreamlike.

The Mermaid's Daughter:

Me-Shell Sandi White,2020-03-03 Me Shell loved to swim and often dreamed of being a mermaid Although she believed that mermaids were real she never thought that she might be one When she was a baby she was found on a beach on the small island of Montserrat Her friends thought that she was human because she had legs On her sixteenth birthday Me Shell went swimming disappeared under the water and didn't come back Her family and friends were afraid that she was gone forever but they are in for a surprise

The Mermaid's Daughter Ann Claycomb,2017-03-07 A modern day expansion of Hans Christian Andersen's The Little Mermaid this unforgettable debut novel weaves a spellbinding tale of magic and the power of love as a descendent of the original mermaid fights the terrible price of saving herself from a curse that has affected generations of women in her family Kathleen has always been dramatic She suffers from the bizarre malady of experiencing stabbing pain in her feet On her sixteenth birthday she woke screaming from the sensation that her tongue had been cut out No doctor can find a medical explanation for her pain and even the most powerful drugs have proven useless Only the touch of seawater can ease her pain and just temporarily at that Now Kathleen is a twenty five year old opera student in Boston and shows immense promise as a soprano Her girlfriend Harry a mezzo in the same program worries endlessly about Kathleen's phantom pain and obsession with the sea Kathleen's mother and grandmother both committed suicide as young women and Harry worries they suffered from the same symptoms When Kathleen suffers yet another dangerous breakdown Harry convinces Kathleen to visit her hometown in Ireland to learn more about her family history In Ireland they discover that the mystery and the tragedy of Kathleen's family history is far older and stranger than they could have imagined Kathleen's fate seems sealed and the only way out is a terrible choice between a mermaid's two sirens the sea and her lover But both choices mean death Haunting and lyrical The Mermaid's Daughter asks how far we will go for those we love And can the transformative power of music overcome a magic that has prevailed for generations

The Mermaid's Daughter Sydney Dreamweaver,2013-07-09 Maybe life is looking up for Kyle After all he moved to a new town and so far has actual friends But it all takes a turn for the crazy when one day he trips over a net with a mermaid inside and the one decision to cut the net off changes his life

The Penguin Book of Mermaids Cristina Bacchilega,Marie Alohalaani Brown,2019-10-08 Includes The Little Mermaid now a major motion picture from Disney starring Halle Bailey and directed by Rob Marshall Dive into centuries of mermaid lore with these captivating tales from around the world A Penguin Classic Among the oldest and most popular mythical beings mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's The Little Mermaid As far back as the eighth century B C sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens who lured men to their watery deaths with song More than two thousand years later the gullible New York public lined up to witness a mummified mermaid specimen that the enterprising

showman P T Barnum swore was real The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures ranging from Scottish selkies to Hindu water serpents to Chilean sea fairies A third of the selections are published here in English for the first time and all are accompanied by commentary that explores their undercurrents showing us how public perceptions of this popular mythical hybrid at once a human and a fish illuminate issues of gender spirituality ecology and sexuality For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Mermaids Singing Lisa Carey, 2009-04-07 There is an island off the west coast of Ireland called Inis Mór the Island of the Mermaids a world where myth is more powerful than truth and love can overcome even death It is here that Lisa Carey sets her lyrical and sensual first novel weaving together the voices and lives of three generations of Irish and Irish American women Years ago the fierce and beautiful Grace stole away from the island with her small daughter Grinne unable to bear its isolation Now Grinne is motherless at fifteen and a grandmother she has never met has come to take her back Her heart is pulled between a life in which she no longer belongs and a family she cannot remember But only on Inis Mór can she begin to understand the forces that have torn her family apart

The Mother / Daughter Plot Marianne Hirsch, 1989-10-22 Mothers and daughters the female figures neglected by classic psychoanalysis and submerged in traditional narrative are at the center of this book The novels of nineteenth and twentieth century women writers from the Western European and North American traditions reveal that the story of motherhood remains the unspeakable plot of Western culture Focusing on the feminine and more controversially on the maternal this book alters our perception of both the familial structures basic to traditional narrative the Oedipus story and the narrative structures basic to traditional representations of the family Freud's family romance Confronting psychoanalytic theories of subject formation with narrative theories Marianne Hirsch traces the emergence and transformation of female family romance patterns from Jane Austen to Marguerite Duras
