**Soviet-Born** Karolina Krasuska, 2024-07-12 How does being Soviet born inflect one's grasp of Jewishness in North

America Reading across the many English language works by Soviet born writers Soviet Born The Afterlives of Migration in Jewish American Fiction demonstrates how these diasporic authors recast such pivotal literary themes as Eastern Europe the Holocaust communism gender and intimacy and migrant solidarities **Reading Israel, Reading America** Omri Asscher, 2019-11-26 American and Israeli Jews have historically clashed over the contours of Jewish identity and their experience of modern Jewish life has been radically different As Philip Roth put it they are the heirs jointly of a drastically bifurcated legacy But what happens when the encounter between American and Israeli Jewishness takes place in literary form when Jewish American novels make aliyah or when Israeli novels are imported for consumption by the diaspora Reading Israel Reading America explores the politics of translation as it shapes the understandings and misunderstandings of Israeli literature in the United States and American Jewish literature in Israel Engaging in close readings of translations of iconic novels by the likes of Philip Roth Saul Bellow Bernard Malamud Amos Oz A B Yehoshua and Yoram Kaniuk in particular the ideologically motivated omissions and additions in the translations and the works reception by reviewers and public intellectuals Asscher decodes the literary encounter between Israeli and American Jews These discrepancies demarcate an ongoing cultural dialogue around representations of violence ethics Zionism diaspora and the boundaries between Jews and non Jews Navigating the disputes between these rival siblings of the Jewish world Asscher provocatively untangles the cultural relations between Israeli and American Jews 18 Nora Gold, 2023-10-17 A 2023 Foreword INDIES Book of the Year Finalist in the Anthologies Category This anthology the first of this kind in twenty five years collects eighteen astounding works of Jewish fiction This is the first anthology of translated multilingual Jewish fiction in 25 years a collection of 18 splendid stories each translated into English from a different language Albanian Croatian Czech Danish French German Greek Hebrew Hungarian Italian Ladino Polish Portuguese Romanian Russian Spanish Turkish and Yiddish These compelling humorous and moving stories written by eminent authors that include Shmuel Yosef Agnon Isaac Babel and Lili Berger reflect both the diversities and the commonalities within Jewish culture and will make you laugh cry and think This beautiful book is easily accessible and enjoyable not only for Jewish readers but for story lovers of all backgrounds Authors in the order they appear in the book include Elie Wiesel Varda Fiszbein S Y Agnon G bor T Sz nt Jasminka Doma Augusto Segre Lili Berger Peter Sichrovsky Maciej P aza Entela Kasi Norman Manea Luize Valente Eliya Karmona Birte Kont Michel Fais Irena Douskov Mario Levi and Isaac Babel *The Rise and Fall of Jewish American Literature* Benjamin Schreier, 2020-10-16 Benjamin Schreier argues that Jewish American literature s dominant cliché of breakthrough that is the irruption into the heart of the American cultural scene during the 1950s of Jewish American writers like Bernard Malamud Philip Roth Saul Bellow and Grace Paley must also be seen as the critically originary moment of Jewish American literary study According to Schreier this is the primal scene of the Jewish American literary field the point that the field cannot avoid repeating and replaying in instantiating itself as the more or less formalized academic study of Jewish American literature More than sixty

years later the field's legibility the very condition of its possibility remains overwhelmingly grounded in a reliance on this single ethnological narrative In a polemic against what he sees as the unexamined foundations and stagnant state of the field Schreier interrogates a series of professionally powerful assumptions about Jewish American literary history how they came into being and how they hardened into cliché He offers a critical genealogy of breakthrough and other narratives through which Jewish Studies has asserted its compelling self-evidence not simply under the banner of the historical realities Jewish Studies claims to represent but more fundamentally for the intellectual and institutional structures through which it produces these representations He shows how a historicist scholarly narrative quickly consolidated and became hegemonic in part because of its double articulation of a particular American subject and of a transnational historiography that categorically identified that subject as Jewish The ethnological grounding of the Jewish American literary field is no longer tenable Schreier asserts in an argument with broad implications for the reconceptualization of Jewish and other identity-based ethnic studies

**Memory Spaces** Victoria Aarons, 2023-05-09 Jewish identity memory and place deftly revealed through the lens of Jewish women's graphic narratives An exploration of the work of Jewish women graphic novelists and the intricate Jewish identity is complicated by gender memory generation and place that is the emotional geographical and psychological spaces that women inhabit Victoria Aarons argues that Jewish women graphic novelists are preoccupied with embodied memory the way the body materializes memory This monograph investigates how memory manifests in the drawn shape of the body as an expression of the weight of personal and collective histories Aarons explores Jewish identity diaspora mourning memory and witness in the works of Sarah Lightman Liana Finck Anya Ulinich Leela Corman and more Memory Spaces begins by framing this research within contemporary discourse and reflects upon the choice to explore Jewish women graphic novelists specifically In the chapters that follow Aarons relates the nuanced issues of memory transmission of trauma Jewish cultural identity and the gendered self to a series of meaningful and noteworthy graphic novels Aarons's insight close readings and integration of contemporary scholarship are conveyed clearly and concisely creating a work that both captivates readers and contributes to scholarly discourse in Jewish studies women's literature memory studies and identity

**Holocaust Narratives** Thorsten Wilhelm, 2020-06-09 Holocaust Narratives Trauma Memory and Identity Across Generations analyzes individual multi-generational frameworks of Holocaust trauma to answer one essential question How do these narratives change to not only transmit the trauma of the Holocaust and in the process add meaning to what is inherently an event that annihilates meaning but also construct the trauma as a connector to a past that needs to be continued in the present Meaningless or not unspeakable or not unknowable or not the trauma in all its impossibilities and intractabilities spawns literary and scholarly engagement on a large scale Narrative is the key connector that structures trauma for both individual and collective

**Laughter After** David Slucki, Avinoam Patt, Gabriel N. Finder, 2020-04-07 Laughter After will appeal to a number of audiences from students and scholars of Jewish and Holocaust studies to

academics and general readers with an interest in media and performance studies      The House of Love and Prayer Tova Reich, 2023-05-16 Tova Reich's verbal blade is amazingly ingeniously startlingly all consumingly all encompassingly deservedly and brilliantly savage Cynthia Ozick In this extraordinary collection of short fiction Tova Reich dives deep into the world of Orthodox Jewry a world that her stories like the shows Unorthodox and Shtisel embrace with respect and affection while also poking at the faultlines in its unshakeable traditions The eight stories collected in this volume are all populated by seekers of holiness illumination liberation meaning love Their journeys unfold in the U S Israel Poland China often in the very heart of the Jewish world and are rendered with an insider's authority The narrative voice bringing all this to life has been described as fearlessly satiric and subversive with a moral but not moralizing edge equally alive to the sacred and the profane comically absurd to the point of tragedy From the opening story The Lost Girl winner of a National Magazine Award in Fiction to Dead Zone in the closing pages of this collection we are confronted with souls unable to rest unable to find release searching for their place in this life and beyond Between these two stories we encounter a true believer seeking personal redemption in China Forbidden City and an aged woman longing at the end of her life to find a way back to her mother The Plot Three of the stories The Page Turner The Third Generation and Dedicated to the Dead are animated by the long term fallout from the Holocaust generational trauma abuse of memory competitive victimization and more In the midst of all this is the story The House of Love and Prayer which in its way encompasses the entire spectrum The novelist Howard Norman has said Few contemporary writers are truly original Tova Reich is one of them Read this book and discover her satiric genius      I Was a Doctor in Auschwitz Gisella Perl, 2019-02-28 Gisella Perl's memoir is the extraordinarily candid account of women's extreme efforts to survive Auschwitz With writing as powerful as that of Charlotte Delbo and Ruth Kluger her story individualizes and therefore humanizes a victim of mass dehumanization Perl accomplished this by representing her life before imprisonment in Auschwitz and other camps and in the struggle to remake her life It is also the first memoir by a woman Holocaust survivor and establishes the model for understanding the gendered Nazi policies and practices targeting Jewish women as racially poisonous Perl's memoir is also significant for its inclusion of the Nazis Roma victims as well as in depth representations of Nazi women guards and other personnel Unlike many important Holocaust memoirs Perl's writing is both graphic in its horrific detail and eloquent in its emotional responses One of the memoir's major historical contributions is Perl's account of being forced to work alongside Dr Josef Mengele in his infamous so called clinic and using her position to save the lives of other women prisoners These efforts including infanticide and abortion topics that would remain silenced for decades and unfortunately continue to be marginalized from all too many Holocaust accounts After decades out of print this new edition will ensure the crucial place of Perl's testimony on Holocaust memory and education      **Passing Fancies in Jewish American Literature and Culture** Judith Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In Passing Fancies in Jewish American

Literature and Culture Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today s contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America s nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment
