Post-Conflict Societies Anders Themnér, 2011-05-10 This book compares post civil war societies to look at the presence or absence of organized violence analysing why some ex combatants return to organised violence and others do not Even though former fighters have been identified as a major source of insecurity there have been few efforts to systematically examine why some ex combatants re engage in organized violence while others do not This book compares the presence or absence of organized violence in different ex combatant communities former fighters that used to belong to the same armed faction and who share a common horizontal identity based on shared war and peacetime experiences in the Republic of Congo ex Cobras Cocoyes and Ninjas and Sierra Leone ex Armed Forces Revolutionary Council Civil Defense Force and Revolutionary United Front The main determinants of ex combatant violence are whether former fighters have access to elites and to second tier individuals such as former mid level commanders who can act as intermediaries between the two By utilizing relationships based on selective incentives and social networks these two kinds of remobilizers are able to generate the needed enticements and feelings of affinity trust or fear to convince ex combatants to resort to arms These findings

demonstrate that the outbreak of ex combatant violence can only be understood by more clearly incorporating an actor perspective focusing on three levels of analysis the elite midlevel and grass root This book will be of much interest to students of peacebuilding civil wars post conflict reconstruction war and conflict studies security studies and IR Kingdom Politics Kristopher Norris, Sam Speers, 2015-04-16 American Christians weary of decades of entrenched partisan feuding are increasingly distancing themselves from politics Some however continue to turn toward the state and public policy to find solutions to the world s problems The problem is that both responses allow a narrow vision of politics to determine the church s mission and ministries which often ends up separating its commitment to personal faith from the pursuit of social justice the King from the kingdom Christians too easily forget that the church is inherently political a community defined by its allegiance to a King its citizenship in a new world and its call to work alongside others in pursuit of a new way of life The church needs a political vision that is more than blind acceptance or mere rejection of past models It needs a positive vision that takes its cues about politics not from the nation state but from another political reality the kingdom of God This book tells the stories of the visits of two researchers to five diverse congregations across the United States From the megachurch energy of Rick Warren s Saddleback Church in California to a young Emergent community in Minneapolis to the politically active home of Martin Luther King in Atlanta these stories illuminate the vastly different ways congregations understand and approach politics and offer a glimpse of a new political imagination for today s church

quickly And what will the truth cost **A Mountain of Evidence** Pastor Randy French, 2020-09-01 Wouldn't you like to know today the standard by which you will be judged in eternity tomorrow That is exactly what Jesus does in the greatest sermon ever told The Sermon on the Mount Jesus said For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law you will certainly not enter the kingdom of heaven Mt 5 20 This opener provides the basis for His sermon which spans three chapters in Matthew In it Jesus provides for us a comparison between two kingdoms the kingdom of heaven and the kingdom of self In His sermon Jesus gives us all insight into what a true Christian looks like acts like sounds like and even thinks like The Pharisees were known for their strict adherence to the law and their traditions Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity Only by clothing oneself in Christ's righteousness can one hope for eternal life The world and even the Church at times attempts to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the unbeliever Pastor and Martyr Dietrich Bonhoeffer called this cheap grace But the true Christian will not be measured by the world's or even the church's standards Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God's Word This book is a line by line explanation of Christ's expectations for every person who professes to be saved by the blood of Jesus Christ In essence it is a manual to help us all to understand what it means to be a Christian
