## **The Pagan King:**

**The Pagan King** Edison Marshall, 1960      The Pagan King Gabrina Garza, 2008-04-01 Enslavement leads to the unleashing of savage passion Gr i Gunnarsson is accustomed to being in charge As king of the Danes in a time of war between Christians and pagan Vikings he takes riches and lives as he pleases His greatest treasure of all however is a young woman from Wessex a thrall who is anything but disposable Tapia Sapadian can t escape the fierce Viking king who has taken her as his captive Alone aboard his ship and in his quarters she discovers she needs him more than he needs her A gruesome wound could kill him unless she acts to keep him alive While in his home and under his rule she finds her heart slowly belonging to him even though he stands against everything she believes in and wants to kill Christianity s greatest champion Charlemagne the Great Can Tapia and Gr i s blossoming yet fragile love withstand the mighty differences that exist between them      The Demon Hunters Adam L. D'Amato-Neff, 2003-06 The stunning conclusion to the Pleides Series Darkwolfe and the Dragon Band hunt down the escaped demons What follows is nothing short of spectacular as the adventurers travel to the Dragon Temple the Elven Forest and to the city of Thor s Hammer Only the fates may know what the king will find when at last his soul is bared the forces of nature and battle is at last waged on Alcyone      *The Scouring of the White Horse; Or, The Long Vacation Ramble of a London Clerk* Thomas Hughes, 2022-06-03 In *The Scouring of the White Horse Or The Long Vacation Ramble of a London Clerk* Thomas Hughes embarks on a literary journey that commemorates the revitalization of an ancient landmark akin to a cleansing of cultural memory This work documents the festival surrounding the Scouring of the Horse a traditional event at Uffington where the enigmatic chalk figure known as the White Horse is refreshed and preserved With a narrative infused with descriptive accounts of the 1857 celebration Hughes interweaves the local legends and traditions that enrich the tapestry of rural England His prose not only provides historical commentary but exhibits a celebration of English heritage through the articulate revival of folklore and communal spirit offering a rich lens into mid Victorian ethos and sociocultural dynamics Thomas Hughes notably recognized for his classic novel *Tom Brown s School Days* was an English lawyer and author who had a keen interest in social reform and the welfare of the common people His engagement with the festival may have been inspired by his deep seated appreciation for history education and a commitment to preserving communal bonds through shared narratives Hughes often perceived as a purveyor of moral and social values brilliantly utilizes the occasion of the Scouring to echo his ideals looking historically and critically at the events and traditions that shape Britain s communal fabric This text is not just a historical account it is a passionate call to the preservation of local history and the importance of community It stands testament to the notion that the echoes of a people s past are imperative to the understanding of their present and future Scholars and enthusiasts of English history and folklore alongside those intrigued by Victorian culture and communal celebrations will find *The Scouring of the White Horse* an essential addition to their collections Through Hughes s eyes the reader is invited to witness the deep roots of

tradition that lie beneath the rolling hills of the English countryside      **Reduced Laughter** Helen Paynter,2016-05-30 In this book Helen Paynter offers a radical re evaluation of the central section of Kings Reading with attention to the literary devices of carnivalization and mirroring she demonstrates that it contains a florid satire on kings prophets and nations Building on the work of humorists literary critics and biblical scholars the author constructs diagnostic criteria for carnivalization seriocomedy and identifies an abundance of these features within the Elijah Elisha and Aram narratives showing how literary mirroring further enhances their satirical effect This book will be of particular interest to students and scholars concerned with the Hebrew Bible as literature but will be valued by those who favour more historical approaches for its insights into the Hebrew text      **Unveiling Mysteries of the Bible** Grant R. displaying his moral authority seen as he confronts one of the most hated aspects of the empire the corruption and intimidation for which the emperor was ultimately responsible Seo suggests that Luke wants us to compare Jesus and the emperor to show us how the emperor is found wanting Concentrating on the titles of benefactor and saviour his analysis of Christ's moral authority is both discerning and erudite

**The Origins of Religious Violence** Nicholas F. Gier, 2014-08-20

Religiously motivated violence caused by the fusion of state and religion occurred in medieval Tibet and Bhutan and later in imperial Japan but interfaith conflict also followed colonial incursions in India Sri Lanka and Burma Before that time there was a general premodern harmony among the resident religions of the latter countries and only in the late nineteenth and twentieth centuries did religiously motivated violence break out While conflict caused by Hindu fundamentalists has been serious and widespread a combination of medieval Tibetan Buddhists and modern Sri Lankan Japanese and Burmese Buddhists has caused the most violence among the Asian religions However the Chinese Taiping Christians have the world record for the number of religious killings by one single sect A theoretical investigation reveals that specific aspects of the Abrahamic religions an insistence on the purity of revelation a deity who intervenes in history but one who still is primarily transcendent may be primary causes of religious conflict Only one factor a mystical monism not favored in Judaism Christianity and Islam was the basis of a distinctively Japanese Buddhist call for individuals to identify totally with the emperor and to wage war on behalf of a divine ruler

**The Origins of Religious Violence An Asian Perspective** uses a methodological heuristic of premodern modern and constructive postmodern forms of thought to analyze causes and offer solutions to religious violence
