many of France's best antiques and artworks from under their owners' noses. Only his classic opponent Detective Ganimard has the brilliance to attempt to foil Arsène's plans albeit with mixed results. This first collection of nine Arsène Lupin stories were originally serialised in the magazine *Je Sais Tout* from 1905 and translated into English in 1910. The final story of the set features Herlock Sholmes. In the original printings Sholmes was simply an unauthorized Sherlock Holmes but this appearance annoyed Arthur Conan Doyle; the character's name was changed to Herlock Sholmes for later printings and future stories. Arsène Lupin later went on to feature in over fifty stories by Maurice Leblanc along with many other books, films and plays around the world. This book is part of the Standard Ebooks project which produces free public domain ebooks.
