Wicked Secrets (Ashley's Story) Lisa Renee Jones, 2024-09-05 A sexy suspenseful standalone. There is a moment we all secretly crave: the moment when we look into another human's eyes and feel the world spin beneath our feet. And it happened to me. I fell in lust and love, and everyday with him was passion and happiness. He was the other half of me, and I trusted him more than I trusted myself at times. Then the truth came out, and the truth was that he'd lied about his identity. He was not the man I thought he was at all. He was dangerous, so very dangerous, and I soon learned that I'd been a dove in a wolf's mouth, trusting I wouldn't be eaten alive. The truth is that hiding would have been smart. I know this, of course. I know. But I wasn't giving up my life for a man who likely used me as a cover. He wouldn't be back, and certainly didn't care that I was glass, slowly shattering inside, never healing, bleeding and bleeding some more. Then one day it happened. He came back. Ashley's story: you met her in *Dirty Boss*, and now she's ready to tell her story. You do not need to read any book prior to this one. Previously published as *Dirty Rich Secrets*.

Secrets Exposed Lisa Renee Jones, 2014-06-14 Her enemy is her passion, her passion is her enemy. Lindsey Paxton was once the number one defense attorney in New York. She fought for those who were innocent but charged. Her instincts were her lifeline, never failing her as they guided her in her choices of who to defend. Or so she thought. Until she won a case she would forever wish to have lost. Her client, an accused rapist, kills and rapes a woman, only a day after being set free. Destroyed by her role in the woman's death, Lindsey blames her father's controlling ways for what she has become and runs from her career and life. Years later, the past becomes the present. Her father has cancer, and Lindsey is forced to leave her career with the Washington branch of the FBI. She finds herself facing the responsibility of running her father's law firm with the reluctant help of hotshot attorney Mark Reeves, a man who sparks her temper while also managing to tempt her heart while setting her body on fire. With his help, she finds herself fighting the emotional battles of the past, tempted to trust both him and her instincts. Now faced with a case inherited from her father, so similar to her career-ending one, she now must decide if her instincts will lead her down the path to saving an innocent man or setting free another killer. But while she fights her own battles, someone watches, wanting from the past what he had failed to get the first time. Lindsey.
