## **The Meaning Of Tango The Story Of The Argentinian:**

*The Meaning Of Tango* Christine Denniston, 2014-12-08 From the backstreets of Buenos Aires to Parisian high society this is the extraordinary story of the dance that captivated the world a tale of politics and passion immigration and romance The Tango was the cornerstone of Argentine culture and has lasted for more than a hundred years popular today in America Japan and Europe The Meaning of Tango traces the roots of this captivating dance from its birth in the poverty stricken Buenos Aires the craze of the early 20th century right up until its revival today thanks to shows such as Strictly Come Dancing This book offers history knowledge teachings and insights which makes it valuable for beginners yet its in depth analysis makes it essential for experienced dancers It is an elegant and cohesive critique of the fascinating tale of the Tango which not only documents its culture and politics but is also technically useful

**The Cambridge Companion to Tango** Kristin Wendland, Kacey Link, 2024-03-28 An innovative resource which shatters tango stereotypes to account for the genre's impact on arts culture and society around the world Twenty chapters by North and South American European and Asian contributors some publishing in English for the first time collectively cover tango's history culture and performance practice

**The Oxford Handbook of Dance and Competition** Sherril Dodds, 2019 This Handbook asks how competition affects the presentation and experience of dance

**The Revival of Banned Dances** Renée Critcher Lyons, 2012-10-01 Throughout history humans have used dance as a benefit for mind body and soul In some cases governments or churches have banned certain dances for a variety of reasons This work provides an exploration of dances banned around the world then revived by a handful of brave proponents The sixteen case studies ranging from Argentina's Tango and Cambodia's Royal Classical Ballet to Brazil's Samba and Ireland's Step Dance reveal the meaning of the dance to each culture and the importance of the art form to the creation of healthy sociological and political climates Chapters detail each dance's origins technical steps and movements costumes music and political history providing an informative overview of the oppression of dance culture through history Instructors considering this book for use in a course may request an examination copy here

*The Cambridge Global History of Fashion: Volume 2* Christopher Breward, Beverly Lemire, Giorgio Riello, 2023-08-17 Examines the challenges of fashion from the nineteenth century to the present day from decolonisation to sustainability

**Popular Fads and Craze through American History** Nancy Hendricks, 2018-08-17 This informative two volume set provides readers with an understanding of the fads and crazes that have taken America by storm from colonial times to the present Entries cover a range of topics including food entertainment fashion music and language Why could hula hoops and TV westerns only have been found in every household in the 1950s What murdered Russian princess can be seen in one of the first documented selfies taken in 1914 This book answers those questions and more in its documentation of all of the most captivating trends that have defined American popular culture since before the country began Entries are well researched and alphabetized by decade At the start of every section is an insightful historical overview of the decade and the set uniquely illustrates what

today's readers have in common with the past. It also contains a Glossary of Slang for each decade as well as a bibliography plus suggestions for further reading for each entry. Students and readers interested in history will enjoy discovering trends through the years in such areas as fashion, movies, music, and sports. **Tango Dance and Music** Kendra

Stepputat, 2024-01-30 This book is the first to explore tango argentino as translocal practice with a focus on the European context. Beyond that, the book crosses borders in the use of both qualitative and quantitative methods ranging from participant observation to statistical data evaluation including optical motion capture for movement analysis. Most of all, it is an important contribution to the emerging field of choreomusicology focusing on movement and sound structures, dancers and musicians, and the complex relations between all of these factors that all have their share in shaping tango argentino practice. Tango Mike Gonzalez, Marianella Yanes, 2013-07-15 Born on the unlit streets of Buenos Aires, tango was inspired

by the music of European immigrants who crossed the ocean to Argentina, lured by the promise of a better life. It found its home in the city's marginal districts where it was embraced and shaped by young men who told stories of prostitutes, petty thieves, and disappointed lovers through its music and movements. Chronicling the stories told through tango's lyrics, Mike Gonzalez and Marianella Yanes reveal in *Tango* how the dance went from slumming it in the brothels and cabarets of lower class Buenos Aires to the ballrooms of Paris, London, Berlin, and beyond. Tracing the evolution of tango, Gonzalez and Yanes set its music, key figures, and the dance itself in their place and time. They describe how it was not until Paris went crazy for tango just before World War I that it became acceptable for middle class Argentines to perform the seductive dance, and they explore the renewed enthusiasm with which each new generation has come to it. Telling the sexy, enthralling story of this stylish and dramatic dance, *Tango* is a book for casual fans and ballroom aficionados alike. *Tango Therapy 2, Research and Practice* Karen Woodley, Martin Sotelano, 2010

A Somaesthetics of Performative Beauty Falk Heinrich, 2023-04-14 This book develops an original theory of performative beauty. Philosophical aesthetics has largely neglected one's own actions as a potential experience of the beautiful. Throughout the book, the author uses his own experiences of Argentine tango as a case study. One important incentive for social dancing is to have pleasurable and beautiful experiences. This book begins by investigating the methodological causes for why beauty in modernity has been seen to result only from contemplating external objects. It then builds a theory of performative beauty that incorporates findings from new phenomenology, neuroaesthetics, enactivism, and somaesthetics, and that reassesses existing inquiries of beauty. The result is an account that identifies kinaesthetic awareness as the point of emergence of both theory and practice of creation (poiesis) and perception (aisthesis) and of moving agency and being moved (reception). Performative beauty is the pleasure of being moved by the dance where the dancer feels both as a creative improviser and as an integrated part of the activity itself. *A Somaesthetics of Performative Beauty: Tangoing, Desire, and Nostalgia* will appeal to scholars and advanced students working in aesthetics, dance studies, performance studies, and related fields of artistic research. Chapter 6 of this book is freely available as a

**Going Places** Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction books that most interest them. It will also serve to help users better understand the genre and their own reading interests. The book examines the subgenres of the travel narrative genre in its seven chapters, categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read-alikes and related reads by shared key topics. The author has also identified award-winning titles and spotlighted further resources on travel lit, making this work an ideal guide for readers, advisors, as well as a book general readers will enjoy browsing.

**World Music** Terry E. Miller, Andrew Shahriari, 2012-01-15

**Global Tangos** Melissa A. Fitch, 2015-02-25 *Global Tangos: Travels in the Transnational Imaginary* argues against the hackneyed rose-in-mouth clichés of Argentine tango, demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization: transnationalism and the rise of social media. *Global Tangos* demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries, all of which show how tango has mixed and mingled in the global imaginary, sometimes in wildly unexpected forms. Topics include Tango Barbie and Ken advertising for phone sex; the presence of tango in political upheavals in the Middle East and in animated Japanese children's television programming; gay tango; porn tango; orchestras and composers in World War II concentration camps; global tango protests aimed at reclaiming public space; the transformation of Buenos Aires as a result of tango tourism; and the use of tango for palliative care and to treat other ailments. They also include the global development of queer tango theory, activism, and festivals. *Global Tangos* shows how the rise in social media has heralded a new era of political activism, artistry, solidarity, and engagement in the world, one in which virtual global tango communities have indeed become very real social and support networks. The text engages some key concepts from contemporary critics in the fields of tourism studies, geography, dance studies, cultural anthropology, literary studies, transnational studies, television studies, feminism, and queer theory. *Global Tangos* underscores the interconnectedness of cultural identity, economics, politics, and power in the production, marketing, distribution, and circulation of global images related to tango and, by extension, Latin America that travel the world.

**Cultural Memory and Popular Dance** Clare Parfitt, 2021-12-02 This book focuses on the myriad ways that people collectively remember or forget shared pasts through popular dance. In dance classes, nightclubs, family celebrations, tourist performances on television, film, music video, and the internet, cultural memories are shared and transformed by dancing.

bodies adapting yesterday's steps to today's concerns The book gathers emerging and seasoned scholarly voices from a wide range of geographical and disciplinary perspectives to discuss cultural remembering and forgetting in diverse popular dance contexts The contributors ask how are Afro diasporic memories invoked in popular dance classes How are popular dance genealogies manipulated and reclaimed What is at stake for the nation in the nationalizing of folk and popular dances And how does mediated dancing transmit memory as feelings or affects The book reveals popular dance to be vital to cultural processes of remembering and forgetting allowing participants to pivot between alternative pasts presents and futures

Dance with Me Julia A. Ericksen, 2011-11 Click here to listen to Julia Ericksen's interview about Dance with Me on Philadelphia NPR's Radio Times Rumba music starts and a floor full of dancers alternate clinging to one another and turning away Rumba is an erotic dance and the mood is hot and heavy the women bend and hyperextend their legs as they twist and turn around their partners Amateur and professional ballroom dancers alike compete in a highly gendered display of intimacy romance and sexual passion In Dance With Me Julia Ericksen a competitive ballroom dancer herself takes the reader onto the competition floor and into the lights and the glamour of a world of tanned bodies and glittering attire exploring the allure of this hyper competitive difficult and often expensive activity In a vivid ethnography accompanied by beautiful photographs of all levels of dancers from the world's top competitors to social dancers Ericksen examines the ways emotional labor is used to create intimacy between professional partners and between professionals and their students illustrating how dancers purchase intimacy She shows that while at first glance ballroom presents a highly gendered face with men leading and women following dancing also transgresses gender

**Urban Kiz** Kelvin Kramp, 2021-09-08 This book provides answers to the following questions Part I Science and Philosophy Why do humans partner dance How did the dance style urban kiz develop Why are urban kiz and Rotterdam so interconnected How can we cope with the gender role division in partner dance Which positive effects does partner dance have on our physical and mental health Can partner dance become a harmful addiction What can we learn from maths in dance Part II Training and Mindset What are the foundations of social partner dance How enhance connection musicality creativity technique and self esteem What effect does partner dance have on romantic relationships The answers are based on scientific literature philosophical deliberations personal experiences and in depth interviews with dancers from the urban kiz scene making it one of the most comprehensive information resources for dancers and a must read for those interested in partner dance research

Dancing in the English style Allison Abra, 2017-04-30 Dancing in the English style explores the development experience and cultural representation of popular dance in Britain from the end of the First World War to the early 1950s It describes the rise of modern ballroom dancing as Britain's predominant popular style as well as the opening of hundreds of affordable dancing schools and purpose built dance halls It focuses in particular on the relationship between the dance profession and dance hall industry and the consumers who formed the dancing public Together these groups negotiated the creation of a national dancing style which constructed

circulated and commodified ideas about national identity At the same time the book emphasizes the global exploring the impact of international cultural products on national identity construction the complexities of Americanisation and Britain's place in a transnational system of production and consumption that forged the dances of the Jazz Age *Ageing, Physical Activity, Recreation and Wellbeing* Barbara Humberstone, Maria Konstantaki, 2016-08-17 This book will serve to raise awareness of ways of healthy ageing that are facilitated by different forms of and approaches to physical activity exercise and recreation It presents a collection of studies focusing on the effectiveness of different methods that promote an active lifestyle among communities and older people in general The contributions draw upon qualitative and quantitative paradigms that have active ageing at the core of their investigations The book imparts knowledge about recent advances in physical activity recreation and wellbeing initiatives that will benefit the academic community and the wider public It will also dispel myths about ageing and physical activity trouble popular notions of ageing and present different intervention strategies and approaches that will serve to improve older peoples lives and develop an understanding of active and healthy ageing Examples are drawn from both global and local perspectives walking initiatives exercise classes for the over 50s a dancing the tango for the D deaf project an inter generational dance project Movers and Shakers exercise intervention studies and yoga swimming and windsurfing case studies

**The Black History Truth: Argentina** Pamela Gayle, 2021-09-03 Reviewed by Daniel D Staats for Readers Favorite Five Stars If you like history and or geography you will love The Black History Truth Argentina by Pamela Gayle The first part of this book is a great introduction to the land of Argentina and its history Pamela covers the history of this South American country from before the Conquistadors came and destroyed the land as it was Pamela goes back in history and explains the foundations of chattel slavery She gives the common beliefs that are espoused by historians then gives the darker side of the truth She exposes the fallacies often found in Eurocentric history Since whites were in charge they wrote the history and shaded the facts to give credit to the whites instead of natives and Africans Pamela makes sure to correct many fallacies and give a true accounting of history In The Black History Truth Argentina by Pamela Gayle one learns the heretofore untold stories of the contributions of Africans to Argentina Pamela wants to boost the usefulness of this book and does so by giving assignments at the end of each chapter These assignments help the newly learned information to stick in the mind Pamela does an excellent job of presenting a volatile subject calmly and respectfully The facts in this book are backed up with the truth behind the myths that have been taught for centuries One needs to have an open mind as one reads this book Many of the facts presented by Pamela will be new to most readers Remember just because the information is new to you does not mean it is not correct One refrain you will find in this book is Yet the truth is
