The Life Swap Nancy Weber, 2015-06-23 In February of 1973 Nancy Weber put an ad in the Village Voice offering to trade places with another woman a stranger for a month In hopes of better understanding what was fixed and final in each person and what was invented and therefore might be reinvented they would use each other's names live in each other's homes love each other's loves and do each other's work After interviewing many of the fascinating women who answered the ad Weber single with a longtime lover and straight chose a polyamorous bisexual married psychologist and academic the pseudonymous Micki Wrangler They spent five months getting ready for their adventure cajoling their nearest and dearest into participating exchanging thousands of details and swapping deep secrets But instead of a month their wild ride lasted only a week Wrangler was having a rough time and Weber too good a time maybe so they decided to call things off Wanting The Life Swap to convey more than her own experience Weber invited Wrangler and ten others to enrich the book with their uncensored reports Publicity for the book included stints on The Tonight Show with Johnny Carson and To Tell the Truth The book achieved a kind of cult status in part because it's a relic of 1970s sexual openness cruelly destroyed by HIV AIDS and belief in the right of self-invention Recent critics have credited the book with inspiring life swap reality TV shows and several popular novels and films
