The Horrible Bag of Terrible Things #1 Rob Renzetti,2024-07-23 From the creator of My Life As a Teenage Robot comes a middle grade horror story about a horrible bag the spine chilling world hidden within it and a terrifying adventure into the world of GrahBhag Perfect for fans of Coraline the Spiderwick Chronicles and Small Spaces When Zenith finds a strange unsettling bag at his front door he s not sure where it came from or who sent it to him He knows better than to expect his overprotective older sister Apogee to help him figure it out because ever since she became a teenager she s been acting more like a parent to him than a sibling But he certainly did not expect for a horrifying spiderlike creature to emerge from the bag kidnap Apogee and drag her inside to the equally horrifying and unsettling world of GrahBhag Zenith sets off into the bag to bring her back but soon finds a bizarre realm where malicious forests a trio of blood drinking mouths and a sentient sawdust stuffed giant are lurking within the seams And from every corner of the world come whispers of the Great Wurm an eldritch horror with a godlike hold over the creatures of GrahBhag who seems to have a dark insidious purpose for Apogee With the help of a greedy earwax nibbling gargoyle Zenith will have to save Apogee from the Great Wurm and help them both escape the horrible bag before it s too late With a combination of dry absurdist humor and no holds barred horror Rob Renzetti has crafted a delightfully imaginative fantasy world that will hook readers as surely as it will send chills down their spines
