The Model T Ford Car Victor W Page,2014-08-07 This Is A New Release Of The Original 1916 Edition **The Model T Ford Car, Its Construction, Operation and Repair** Victor Wilfred Pagé,1916 The Model T Ford Car Victor Wilfred Pagé,2020-03-30 The Ford Model T revolutionized automotive transport Victor Pag was a mechanic and Model T owner dating to 1915 this historic handbook was designed to help fellow owners maintain and repair their cars A simple statement begins this book only one car in 1915 merits its own book of repair and this is the Model T The Ford Company s car was mass produced on an assembly line beginning in 1908 Reliable and distinctive in appearance by the time this book saw publication some 600 000 of these vehicles had already made it onto roads Sold mainly to the educated middle classes of the United States and Europe it is with the owner demographic in mind that Victor Pag wrote and published this guidebook Some 94 charts drawings and photographs are included some standalone some showing step by step processes Victor Pag is a detailed and intricate writer but accommodating to eager owners who haven t benefited from a background in mechanical repair or engineering Much of the Model T s success was down to its construction it was built entirely of parts that could be individually removed and replaced with the right knowhow This book contains ample guidance on the disassembly and assembly of various components that the car can be kept running better for longer The Model T Ford Car Victor Wilfred Pagé,1915 **The Model T Ford Car** Victor Wilfred Pagé,1915 The Model T Ford Car Its Construction Operation and Repair seeks to offer a manual on fixing the Model T that is accessible and discernible to the average Ford owner The average Ford owner is a middle class family with a modest salary likely from a job that requires little to no knowledge of mechanics They would need a text like this one to explain to them how to keep up their family s car **The Model T Ford Car, Its Construction, Operation and Repair** Victor Wilfred Page,2018-10-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Model T Ford Car, Its Construction, Operation and Repair** Victor Wilfred Pagé,2015-06-25 Excerpt from The Model T Ford Car Its Construction Operation and Repair There is only one make of motor vehicle in the world that is sold in large enough quantities to warrant the publication of a special treatise on its repair and maintenance and that is the Ford Model T With the close of the 1916 season s business there will be at least 1 000 000 Ford cars of all types in use perhaps more Most of these cars have been sold to and are being

operated by persons with but little mechanical knowledge and with no experience with the gas engine as an automobile power plant The maker s instruction book is excellent but it is necessarily brief as there is no opportunity for an extended exposition of principles involved Many operators desire to know the first principles before studying the operation and repair While considerable instruction is given in the writer s large work on motoring The Modern Gasoline Automobile it is not possible to cover any specific make of car completely in a general treatise Many requests have been received from motorists for a book on the Ford car that would enter into elementary exposition more than the manufacturer s instruction book does and cover some of the points involved in repair and maintenance more completely The writer has operated a Ford car of his own for nearly four years and has had many other cars of the same make under observation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
