Reid-Merritt,2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories **The Geographies of African American Short Fiction**

Kenton Rambsy,2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction *Building the Black Arts Movement* Jonathan Fenderson,2019-03-30 As both an activist and the dynamic editor of Negro Digest Hoyt W Fuller stood at the nexus of the Black Arts Movement and the broader black cultural politics of his time Jonathan Fenderson uses historical snapshots of Fuller s life and achievements to rethink the period and establish Fuller s important role in laying the foundation for the movement In telling Fuller s story Fenderson provides provocative new insights into the movement s international dimensions the ways the movement took shape at the local level the impact of race and other factors and the challenges

corporate political and personal that Fuller and others faced in trying to build black institutions An innovative study that approaches the movement from a historical perspective Building the Black Arts Movement is a much needed reassessment of the trajectory of African American culture over two explosive decades      *Zora Neale Hurston* Stephanie Li,2020-01-16 In this biography chronological chapters follow Zora Neale Hurston s family upbringing education influences and major works placing these experiences within the context of American history This biography of Zora Neale Hurston one of the most influential African American writers of the 20th century and a central figure in the Harlem Renaissance covers all of the major points of development in Hurston s life as well as her major publications Hurston s impact extends beyond the literary world she also left her mark as an anthropologist whose ethnographic work portrays the racial struggles during the early 20th century American South This work includes a preface and narrative chapters that explore Hurston s literary influences and the personal relationships that were most formative to her life the final chapter Why Zora Neale Hurston Matters explores her cultural and historical significance providing context to her writings and allowing readers a greater understanding of Hurston s life while critically examining her major writing      **The Making of T.S. Eliot** Joseph Maddrey,2009-05-13 This chronological survey of major influences on T S Eliot s worldview covers the poet s spiritual and intellectual evolution in stages by trying to see the world as Eliot did It examines his childhood influences as well as the literary influences that inspired him to write his earliest poetry his life as an American expatriate living in London from 1915 to 1930 including his ill fated marriage and his intellectual engagement with the literary traditions of his new country and the ways in which his intellectual pursuits fostered a spiritual rebirth that simultaneously reflected his past and revealed his future demonstrating how the early Romantic revolutionary became a staunch defender of tradition
