

**The Odyssey. PART II "Father and Son" "Suitors" "Penelope" pages 631-644**

1. How does Odysseus get home to Ithaca?

The King of Phaeacia provides a boat and crew to take him home after an absence of 20 years!

2. How does Athena help Odysseus?

She warns Odysseus to proceed cautiously - - believing that he is dead, many suitors have taken over his palace and are eager to marry his wife, Penelope, and kill his son, Telemachus before he is old enough to inherit his father's lands.

3. What is Telemachus' reaction when he first sees his father? (Use a vocabulary word in your answer!)

He reacts with incredulity! He thinks the Gods are playing a trick on him (because O. changes from dirty & bearded to a clean cut guy).

4. Why can't Odysseus immediately reveal his identity to the people of Ithaca?

He needs to see who is loyal to him and whom he can trust.

5. Explain Odysseus's plan for fighting the suitors.

\*Athena disguises O. as a beggar and Telemachus mingles with the suitors.

\*At O's signal, T. will lock up all the armor and weapons.

\*T puts aside 2 swords/spears/shields for themselves.

\*T. must keep O's identity a secret from all, including ♥ Penelope ♥ to see who's loyal.

the heart of a city that never seemed to sleep but his mind often wandered to places far beyond the endless skyscrapers and bustling streets It started as a simple dream a vision of an ancient city under a sky filled with stars Austin didn't think much of it at first He chalked it up to the usual chaos of his late night thoughts a cocktail of stress boredom and his overactive imagination But as the dream returned night after night it began to feel more like a calling A whisper that tugged at his soul urging him to take action One rainy Thursday evening while scrolling through old books in a secondhand store he stumbled upon a leather bound volume titled The Odyssey of Souls The cover worn and faded beckoned him It felt almost familiar He flipped through the pages and as he read something clicked inside him This wasn't just a story it was a guide A blueprint for something much bigger Austin knew that the time had come He couldn't ignore the call any longer Chapter 2 Crossing the Threshold Austin's departure was not dramatic There were no grand speeches no tearful farewells It was more like slipping into another world quietly and without much fanfare One early morning before the sun had fully risen Austin packed his bags leaving behind the life he had known for something unknown He took the train south feeling the vibrations of the wheels against the track beneath him The landscape began to change as he moved further from the city The tall buildings and crowded streets gave way to open fields winding rivers and small towns that seemed to belong to a different era This was no longer the world he had known This was the beginning of his journey Along the way Austin met strange and fascinating characters an elderly man who spoke in riddles a woman who claimed to have seen the future and a poet whose words seemed to bend reality itself Each encounter left him with more questions than answers but he found himself drawn deeper into their worlds unsure if he was meant to learn something or if he was simply caught in the current of the journey Chapter 3 The Trials of the Mind As Austin ventured further into uncharted lands he began to notice that his greatest obstacles were not external They were within him deep seated doubts fears and unresolved memories The journey was forcing him to confront parts of himself he had long ignored One afternoon he stumbled upon an old library hidden deep in a forest The shelves were lined with dusty tomes that seemed to pulse with energy The librarian an enigmatic figure in a tattered cloak welcomed Austin and offered him a book titled The Mirror of the Soul Inside the pages Austin saw reflections of himself not just as he was but as he could be his potential his dreams and his fears It was both beautiful and terrifying The book challenged him to face the things he had buried his past mistakes his doubts about his own worth and the weight of his unspoken desires As he read he realized that the journey was not just about exploring new lands It was about exploring the depths of his own soul Chapter 4 The Temple of Time Time had become a strange concept on Austin's journey Days blurred into nights and it often felt as though he was moving through a landscape untouched by the normal passage of time It wasn't until he stumbled upon an ancient temple an imposing structure carved into the side of a mountain that the true nature of time revealed itself Inside the temple Austin found a room filled with intricate clocks each one frozen in a different moment There were clocks that measured hours but others measured years decades even centuries The walls were covered with

murals depicting the lives of people who had entered the temple before him each one marked by a specific time A voice echoed in the chamber and Austin realized it came from the temple itself You are not bound by time Austin You are both within it and beyond it To understand the journey you must understand its true nature As the words sank in Austin began to understand The journey he was on was not linear It wasn't about reaching a specific destination It was about the process of becoming the exploration of self space and time Chapter 5 The Reunion Just when Austin felt like he had wandered too far too deep into the unknown he returned to a place that felt like home his childhood town The streets looked smaller the houses more quaint but the people were still the same His family his old friends all seemed to be there waiting for him But Austin was different He wasn't the same person who had left all those months ago He had changed He had seen the world confronted his inner demons and learned things about himself he had never imagined And yet in the quiet moments he realized that the journey was never really about the places he had visited or the people he had met It had always been about the person he was becoming Chapter 6 The Return Austin's return wasn't the end of his journey but a new beginning He had learned that the path to self discovery wasn't something that could be found in books temples or distant lands It was something that lay within him all along The adventure had been about peeling back the layers of his own identity confronting his fears and embracing his true self He returned to the city but this time with a different perspective The noise of the streets the chaos of urban life no longer felt suffocating It felt like a canvas one he could shape with his newfound understanding of himself and the world around him Epilogue The Odyssey Continues Austin knew his odyssey was far from over Every day was a new chapter in the story of his life He had learned that the journey wasn't about finding a final destination but about the continuous process of growth and discovery And so with each step he took Austin embraced the adventure ahead knowing that the path would always be there waiting for him to walk it
