The Old Testament Prophets:

The Old Testament Prophets Eric William Heaton, 1977 **Dictionary of the Old Testament: Prophets** Mark J. Boda, J. Gordon McConville, 2012-05-17 With this new volume IVP's Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel **Prophecy and the Prophets of the Old Testament** John F. A. Sawyer, 1987 In this original and authoritative study Sawyer explores the work of biblical prophets and Jewish and Christian interpretations of prophecy *Old Testament Prophets for Today* Carolyn J. Sharp, 2009-03-13 The prophets of the Old Testament include such well known characters as Isaiah Jeremiah Amos and Hosea There are however many other prophets both in the biblical books that bear their names and in the other histories and stories of ancient Israel Carolyn Sharp offers a brief introduction to each of the Bible's prophets and their prophetic books developing the theological themes present in each with an eye toward how the prophetic message is relevant today The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use *The Prophets of the Old Testament* Alexander Reid Gordon, 1916 Dictionary of the Old Testament: Prophets Mark J. Boda, J. Gordon McConville, 2013-05-14 With this new volume IVP's Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel *Introduction to the Prophets* Paul L. Redditt, 2008-11-03 Writing in a conversational rather than a scholarly tone Paul Redditt assumes little or no prior knowledge of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible The chapters of Redditt's Introduction to the Prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre's in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book Among other things Redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the Old Testament prophets developed the concept of monotheism Each chapter ends with questions for further reflection Concluding the volume are a helpful glossary and several indexes *The Major Prophets* James E. Smith, 1992 The Major Prophets is the fourth volume of a solid concise study through the Old Testament This volume covers Isaiah Jeremiah Lamentations Ezekiel and Daniel This hardcover study has quickly become a valuable aid for students and teachers alike James E Smith has written a concise clear informative easy to read series that should be in every Christian's library It is both scholarly and practical At College Press our motto is Every Christian a Bible Student This is the

kind of helpful challenging resource that represents the very essence of that motto In addition to first rate commentary Smith has included charts maps mnemonic devices and outlines to help the Old Testament come alive About the author James E Smith received his undergraduate and seminary training at Cincinnati Bible Seminary He was awarded the PhD degree by Hebrew Union College Jewish Institute of Religion Dr Smith Has served congregations in Ohio and Kentucky For thirteen years he was Professor of Old Testament at Cincinnati Bible Seminary He currently serves Florida Christian College as Chairman of the Division of Biblical Studies **Old Testament Prophets, Then and Now** Howard Bean,2012-10-11 This book seeks to get the attention of the Christian community that calls themselves the body of Christ because the revelation that God has given author Howard Bean concerning this book is to open the blinded eyes of those that have become hardhearted rebellious and backslidden to what God says in his Word The prophets that have been used in this book present a clear picture of the type of apostasy that we have today which are those who twist his Word and disobey the word of God This book is to warn the church of the apostasy that they have gotten themselves into as Israel had done against God years ago in the Old Testament If we as children of God will open his Word and asked him to open our blinded eyes in the name of Jesus for the truth that is not being preached today in many churches then he will do so as Jesus saidask and you shall receive In many ways this book can be used as a guide to help Christians study the Word of God but it is not to replace the Word as many have and caused error in the church It also can be used in Sunday school as a tool to help teach students from teenagers to adults the truth of how God expects his children to live for him and have faith as the prophets of the Old Testament shows every one today The Prophets and Kings of the Old Testament Frederick Denison Maurice,1853

The Prophets and Kings of the Old Testament Frederick Denison Maurice,1853 Isaiah and the Prophets Monte S. Nyman,1984 **T. A. Pruett's Commentary on Old Testament Prophets** T. A. Pruett,2021-09-27 Having led an online Bible Study for many years I began compiling my notes initially as a legacy to leave to my children As I have continued to refine my notes through the research it is my desire and prayer that the thoughts compiled help each person deepen their understanding of God s Love Letter we call the Bible and enrich their individual relationship with our Creator God the Father

An Introduction to the Old Testament Prophets Hobart E. Freeman,1983 **A Short Introduction to the Old Testament Prophets** Eric William Heaton,1996 This authoritative text covers all the great prophets including Isaiah Ezekiel and Jeremiah against the context of their lives and times The Hebrew Prophets James D. Newsome,1984-01-01 This informative survey presents the Old Testament prophets in an orderly format making them accessible and understandable to readers of the Bible The key feature of this introductory volume is the systematic outline and form Each chapter summarizes the essential element of the prophet s message The reader will have a basic foundation on which to build a growing understanding **The prophets and kings of the Old Testament, sermons** John Frederick Denison Maurice,1853

The Old Testament Prophets Then and Now James M. Efird,2001-04-16 **Handbook of the Old Testament**

Prophets James Manthey, 2016-05-10 What do the Old Testament prophets have to say about Jesus Christ our salvation through Christ our relationship with God because of all that Christ has done for us They have much to say and this should be our focus Look everywhere here and you will find many hints of the Messiah the Meshiach as Hebrew pronounces the word The question may be asked Is there a way to present the great prophecies of the Bible in a way that causes us to grasp better the essentials and capture some of the beauty and majesty God s spokesmen must have felt when writing The Lord has moved me I believe to generate a format that displays the truths of Scripture in such a way With the Spirit s help our heightened curiosity will more likely bear fruit leading to further study and discussion My prayer is that the Spirit will work through the suggestions here to lead the reader to a place of self discovery going hand in hand with a closer relationship to Jesus He Gave Some Prophets Sanford C. Yoder, 1964-01-01
