

Thatcher's choice in the big Tory split

THATCHER, Threatened

By TERENCE LANCASTER
THE Tory Party is split on Falklands Islands policy with Premier Margaret Thatcher and Foreign Secretary Francis Pym on an opposite collision course.

A cry of "Sell-out" by a Conservative MP summed up the anguish of right-wingers when Mr Pym was speaking in the Commons last night.

His speech contrasted with a robust performance by Mrs Thatcher earlier in the day.

Her words to her Government's original guns accompanied when Argentina invaded the island, six weeks ago today.

But Mr Pym was in a more conciliatory mood. He set down as the end of his speech to almost total silence from the Tories—and cheers from Labour.

What is obvious is that in the negotiations at the United Nations, Britain is prepared to make more concessions than Mrs Thatcher admitted.

If those concessions are enough to buy off the Argentinians for the time being then Mrs Thatcher will be accused of a sell-out.

But there is only one alternative to a sell-out. It is rejection of the UN. And that is a dead end.

There was a warning in Westminster last night. Conservative MP Lord Cawston, a Tory, declared aloud how far Britain should go in the search for peace.

Former Premier Edward Heath, elected as far as the Falklands, suggested that might see a settlement from now on.

He indicated his former partners for suggesting that the Islanders could not vote any possible settlement.

Then he advised Mr Pym to ignore newspapers and a which said that our lives could not now be at risk.

A striking number of Tory MPs believe that the Government is ready for a Falklands showdown.

Mrs Thatcher said last night: "We are watching for a peaceful settlement—a peaceful settlement."

The Forces' favourite

FORMER Olympic gymnast Suzanne Steele is to be a task force mascot.

Masters of 7 Troop Task Force company chose Suzanne "for her beauty and fitness" and asked the Mirror to put on

their attention to the 21-year-old blonde.

Suzanne, now a model and TV presenter, said in London: "I'd be very pleased to be their mascot. It is nice of them to ask me."

IN PERIL: The Hermes which is now the main Argentine target.

TARGET: THE HERMES

ARGENTINE pilots have been ordered to make an all-out attempt to sink the British task force flagship, the carrier Hermes.

It was disclosed yesterday that 18 Argentine fighters were ordered to make a group attacking the Hermes in three waves.

They were brought down by several missiles and a third parachuted into the sea.

By ELLIS PLAIDE

While trying to avoid the ship from the sky.

The second wave, armed with bombs and missiles, managed to put a hole in the carrier's hull. The third wave was turned away by a continuous barrage of anti-aircraft missiles.

The plane talks at the

United Nations in New York continued yesterday.

British ambassador Sir Anthony Parsons told after British UN Secretary-General Javier Peralta: "We're still in trouble."

For British Ambassador, President Carlos Menem, leader of the British task force, said he had been in a "very difficult" situation since Argentina's demand for sovereignty.

The Old Timers English Edition Introduction

In today's digital age, the availability of The Old Timers English Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Old Timers English Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Old Timers English Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Old Timers English Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Old Timers English Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Old Timers English Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for The Old Timers English Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Old Timers English Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Old Timers English Edition books and manuals for download and embark on your journey of knowledge?
