Developing Readers in the Academic Disciplines Doug Buehl,2023-10-10 Being literate in an academic discipline is more than being able to read and comprehend text you can think speak and write as a historian scientist mathematician or artist Author Doug Buehl strips away the one size fits all approach to content area literacy and presents an instructional model for disciplinary literacy which honors the discipline and helps students learn within that area In this revised second edition Developing Readers in the Academic Disciplines shows how to help students adjust their thinking to comprehend a range of complex texts that fall outside their reading comfort zones Inside you ll find Instructional tools that adapt generic literacy practices to discipline specific variations Strategies for frontloading instruction to activate and build background knowledge New approaches for encouraging inquiry around disciplinary texts In depth exploration of the role of argumentation in informational text Numerous examples from science mathematics history and social studies English language arts and related arts to show you what vibrant learning looks like in various classroom settings Designed to be a natural companion to Buehl s Classroom Strategies for Interactive Learning Developing Readers in the Academic Disciplines introduces teachers from all disciplines to new kinds of thinking and ultimately teaching that helps students achieve new levels of understanding **Fox Populism** Reece Peck,2019-01-03 Fox Populism offers fresh insights into why the Fox News Channel has been both commercially successful and politically effective Where existing explanations of Fox s appeal have stressed the network s conservative editorial slant Reece Peck sheds light on the importance of style as a generative mode of ideology The book traces the historical development of Fox s counter elite news brand and reveals how its iconoclastic news style was crafted by fusing two class based traditions of American public culture one native to the politics in populism and one native to the news field in tabloid journalism Using the network s coverage of the late 2000s economic crisis as the book s principal case study Peck then shows how style is deployed as a political tool to frame news events A close analysis of top rated programs reveals how Fox hails its audience as the real Americans and successfully represents narrow conservative political demands as popular and universal Cursing the Christians? Ruth Langer,2011-11-01 Ruth Langer offers an in depth study of the birkat haminim a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to

Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminim from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminim how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years *Citizenship in Classical Athens* Josine Blok,2017-03-10 This book argues that citizenship in Athens was primarily a religious identity shared by male and female citizens alike *The Religious Polemics of the Muslims of Late Medieval Christian Iberia* Mònica Colominas Aparicio,2018-04-17 The Religious Polemics of the Muslims of Late Medieval Christian Iberia examines the corpus of polemical literature against the Christians and the Jews of the protected Muslims Mudejars Commonly portrayed as communities in cultural and religious decay Mònica Colominas convincingly proves that the discourses against the Christians and the Jews in Mudejar treatises provided authoritative frameworks of Islamic normativity which helped to legitimize the residence of their communities in the Christian territories Colominas argues that while the primary aim of the polemics was to refute the views of their religious opponents Mudejar treatises were also a tool used to advance Islamic knowledge and to strengthen the government and social cohesion of their communities
