Teaching and the Case Method Louis B. Barnes, Carl Roland Christensen, Abby J. Hansen, 1994 This third edition of Teaching and the Case Method is a further response to increased national and international interest in teaching teachers and learning as well as the pressing need to enhance instructional effectiveness in the widest possible variety of settings Like its predecessors this edition celebrates the joys of teaching and learning at their best and emphasizes the reciprocal exchange of wisdom that teachers and students can experience It is based on the belief that teaching is not purely a matter of inborn talent On the contrary the knowledge skills and attitudes that make for excellence in teaching can

be analyzed abstracted and learned One key premise of Teaching and the Case Method is that all teaching and learning involve a core of universally applicable principles that can be discerned and absorbed through the study and discussion of cases

The New Yorker Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1994

Strained and Drained Connie Hamilton, Dorothy VanderJagt, 2022-05-09 Teaching is not a job it s a passion Caring and compassionate educators will stop at nothing to be sure their students have everything they need to flourish As teaching demands increase the attention teachers give to their own needs is often sacrificed The pressures of teaching are forcing educators to choose between what they love to do and their own well being The levels of stress are so high that teacher shortages are considered a crisis in the United States Authors Connie Hamilton and Dorothy VanderJagt share an alternative They believe it s possible to be a highly effective teacher and focus on yourself Strained and Drained Tools for Overworked Teachers describes five areas of wellness and offers realistic and practical ways that teachers can create habits to support each one You ll find effective ways to take care of YOU both in and out of the classroom Wellness is not an isolated activity it s a way of life and requires a mindset that values and prioritizes it The strategies you gain from this book will support your physical emotional social cognitive and spiritual health and will put you at your best so you can enjoy what the authors still believe is the most important and rewarding profession on earth
