Farren,2011-03 Elvis Presley the Hell s Angels Hunter S Thompson Truman Capote the Beatles Judy Garland Hank Williams Jack Kerouac Johnny Cash JFK the Manson Family and Adolf Hitler All of the above were at one time or another to put it bluntly speedfreaks Speed Speed Speedfreak traces the criminal and cultural use of amphetamine and its growing use through each new and destructive cycle Speed is both one of the biggest social problems facing the country today an indispensable component of the doctor s medicine bag and a huge and abiding influence on artists musicians and writers

In Defense of Faith David Brog,2011-02 Religious faith is under assault In books movies and on television secular critics are attacking religion and the religious with ever increasing intensity These new atheists typically repeat a two part mantra They claim that only an idiot could believe in God and that idiots who do so have been responsible for most of the hate and violence that have plagued humanity Abandon religion they urge and the world will finally know peace Surprisingly few books have emerged to defend faith from this onslaught Yet when it comes to this second argument the behavior of religious people in the world abstract claims can be tested by reference to objective facts In Defense of Faith examines the historical record and demonstrates that far from encouraging hate and aggression the Judeo Christian tradition has been the West s most effective curb on these dangerous defects of human nature In Defense of Faith asserts that the belief in the sanctity and equality of all humans at the core of both Judaism and Christianity what Brog calls the Judeo Christian idea has been our most effective tool in the struggle for humanity The Judeo Christian idea Brog argues has provided the intellectual foundation for human rights Even more importantly he maintains the Judeo Christian idea has repeatedly inspired the faithful to devote their lives to and often risk their lives in the fulfillment of these high ideals In Defense of Faith also convincingly demonstrates that when we abandon religion as the critics urge peace does not break out Instead we quickly revert to the most base instincts of our selfish genes Written by a Jewish author who works closely with the Christian faith community In Defense of Faith will appeal to secular and religious readers alike This book will challenge the secular to reconsider the role of religion in Western civilization It will inspire the religious to embrace a proud legacy of faith in action for the sake of humanity

Queer Theory, Gender Theory Riki Wilchins,2011 In this one stop no nonsense introduction to the work of postmodern sex and gender theorists nationally known gender activist Riki Wilchins clearly explains the key ideas that have shaped contemporary sex and gender studies Using straightforward prose and concrete examples from LGBT politics as well as her own life Wilchins makes thinkers like Derrida Foucault and Judith Butler easily accessible to students activists and others who are interested in some of the most compelling and divisive issues of the last 100 years Additionally Wilchins reports on the ways queer youths today are using the tools of queer theory and gender theory to reshape their world This is that rare invaluable book that connects postmodern theory to political passion personal experience and the patterns of everyday life Page 4 of cover

Montreal Main Thomas Waugh,2010-11 Montreal Main one of three QUEER FILM CLASSICS this fall considers the brilliant yet neglected 1974 Canadian film set in Montreal s bohemian neighborhood the

Main and hailed at its premiere at the Whitney Museum of American Art The movie directed and starring Frank Vitale is both a great indie film and a great queer film a fascinating cinema vrit take on North American social mores and relationships in the 1970s about a twenty something photographer living among the outcasts junkies and artists populating the Main and his growing obsession with Johnny the young son of acquaintances a relationship that is doomed from the start Disarming in its matter of fact treatment of potentially sensational themes Montreal Main is a quiet yet powerful look at human relations among the post flower power generation The book a collaboration between Thomas Waugh and Jason Garrison details the nuanced history of this peculiar film which was released on DVD for the first time in 2009 It also considers the politics and aesthetics of the trope of intergenerational love that director Vitale and collaborators Allan Moyle and Stephen Lack so brazenly probed in a way that would make the film virtually impossible to produce in present day
