The Erotic Mind:

The Erotic Mind Jack Morin, 1996-08-02 Challenging accepted theories about what makes for terrific sex The Erotic Mind is a breakthrough exploration of the least understood dimensions of human sexuality the psychology of desire arousal and fulfillment Nationally known sex therapist Dr Jack Morin offers a bold new perspective that celebrates the joys of Eros without denying its risks Based on an in depth analysis of over 1 000 provocative stories of peak sexual experiences The Erotic Mind offers clear accessible guidance on how anyone can utilize his or her own peak encounters and fantasies as powerful tools of self discovery The Erotic Mind explains the many paradoxes of erotic life such as why we re most excited when we must overcome obstacles how anxiety guilt and anger generally thought to have a negative impact on sexual arousal often turn out to be aphrodisiacs how we use unresolved issues from our early lives to intensify passion and why the best sex is dynamic and unpredictable rather than static and safe These and other insights combined with concrete suggestions for increasing our enjoyment overcoming our problems and revitalizing our relationships will change forever the way we think about our eroticism

Summary of Jack Morin's The Erotic Mind Everest Media, 2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most effective and enjoyable way to unlock the mysteries of the eros is to reminisce about your most compelling turn ons During these moments of high arousal the crucial elements of your partner the setting and a tantalizing twist of luck all mesh like instruments of an orchestra producing a crescendo of passion 2 I began encouraging clients who were struggling with sexual problems to explore their peak turn ons hoping the benefits of doing so would be obvious to them However many clients had trouble grasping the value of discussing their peak experiences 3 The idea of peak turn ons is that you should look for the woman who is most excited by you and not the one who is least bothered by your flaws Fred learned that when he fantasized about a centerfold like woman the visual enjoyment of her perfect body was just a starting point 4 When it came to her depression Sabrina said that she felt like nothing mattered anymore She was lonely most of the time and she didn t know how to have fun anymore She felt ugly and she wasn t sure if her husband loved her
