Calvin for Today Joel R. Beeke, 2010-01-01 Calvin for Today is an edited compilation of the stimulating addresses given at the Puritan Reformed Theological Seminary's annual conference in August 2009 at Grand Rapids Michigan The book contains a wealth of information and practical applications about how to use Calvin's thought in our challenging day Topics include Calvin on preaching Christ from the Old Testament missions the church Scripture the Spirit's work redemption ethics believers benefits the early church reprobation marriage and reforming the church Table of Contents Preface Joel R Beeke Introductory Sermon 1 What Kind of Love Is This Dr David Murray Calvin and the Bible 2 Calvin on the Word of God Dr Gerald Bilkes 3 Calvin on Preaching Christ from the Old Testament Dr David Murray Calvin the Theologian 4 Calvin on the Holy Spirit Dr Joseph Pipa 5 Redemption Speaking Peace in the 21st Century Dr Derek Thomas 6 Union with Christ the twofold Grace of God and the Order of Salvation in Calvin's Theology Cornelis Venema 7 Calvin's View of Reprobation Donald Sinnema Calvin and the Church 8 Calvin's Doctrine of the Church Rev Neil Pronk 9 Calvin on Reforming the Church Dr Derek Thomas 10 Calvin and Missionary Endeavor of the Church Dr Michael Haykin 11 Calvin on the Early Church Ligon Duncan Calvin the Ethicist 12 Calvin on Ethics Nelson Kloosterman 13 Christian Marriage in the 21st Century Listening to Calvin on the Purpose of Marriage Dr Michael Haykin Calvin and His Contemporary Impact 14 The Resurgence of Calvinism in America Dr Ligon Duncan 15 Why is Calvin Important Today Dr Joel Beeke Reformed Preaching Joel Beeke, 2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today Theology Is for Preaching Chase R. Kuhn, Paul Grimmond, 2021-03-10 Is it right to just preach the text Why do we preach and do theology How do we relate them And how do they relate to God's word Theology Is for Preaching helps preachers with theology and theologians with preaching Though diverse in contexts and disciplines the contributors share a commitment to equipping the saints to rightly handle the word of truth Through essays on foundations methods employing theology for preaching and preaching for theology this volume will

equip preachers and theologians to engage deeply with the text of the Bible and communicate its meaning with clarity

John Calvin L. Penning, 2006-01-01 **Genius of Geneva** Louwrens Penning, 1954 Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peter's command in 1 Peter 3:15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida American Theological Inquiry, Volume Two, Issue Two Gannon Murphy, 2009-08-01 American Theological Inquiry ATI was formed in 2007 by Drs S Gannon Murphy PhD St David's College Univ Wales Theology Presbyterian Reformed and Stephen Patrick PhD Univ Illinois Philosophy Eastern Orthodox to open up space for diverse Christian academicians who affirm the Ecumenical Creeds to share research throughout the broader Christian scholarly community in America ATI reaches thousands of Christian scholars throughout the United States particularly specialists in theology Though ATI is a new journal scholars who publish with ATI benefit from exposure to a vast non insular network of one of the broadest Christian academic communities possible **The Great Divide** Jordan Cooper, 2015-08-27 Since the sixteenth century the Protestant tradition has been divided The Reformed and Lutheran reformations though both committed to the doctrine of the sinner's justification by faith alone split over Zwingli and Luther's disagreement over the nature of the Lord's Supper Since that time the Reformed and Lutheran traditions have developed their own theological convictions and continue to disagree with one another It is incumbent upon students of the reformation in the Lutheran and Reformed traditions to come to an understanding of what these differences are and why they matter In *The Great Divide A Lutheran Evaluation of Reformed Theology* Jordan Cooper examines these differences from a Lutheran perspective While seeking to help both sides come to a more nuanced understanding of one another and writing in an irenic tone Cooper contends that these differences do still matter Throughout the work Cooper engages with Reformed writers both contemporary and old and demonstrates that the Lutheran tradition is more consistent with the teachings of Scripture than the Reformed *John Calvin's Commentaries On St. Paul's Epistles To The Philippians, Colossians And Thessalonians (Annotated Edition)* John Calvin, 2012 This is the extended and annotated edition including an extensive

biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The Epistle To The Philippians stands associated with a most interesting event in the history of the progress of Christianity While the charge given to the Apostles as to the universal promulgation of the Gospel was most explicit it was in a gradual manner and for the most part under the guidance of circumstances seemingly fortuitous that their sphere of labor was extended The Epistle To The Colossians is generally supposed to have been written by PAUL about A D 62 in the ninth year of the reign of the Emperor Nero It bears evidence of having been written during Paul s first imprisonment at Rome The First Epistle To The Thessalonians is generally believed to have been the first Epistle written by PAUL to any of the Churches of Christ It appears to have been written towards the close of A D 52 about two years subsequently to the introduction of the Gospel into Thessalonica by the instrumentality of Paul and Silas The Second Epistle To The Thessalonians appears to have been written a short time after PAUL S former Epistle to that Church The Apostle had learned that some expressions in his former Epistle in reference to the hopes of Christians beyond the grave had been misapprehended by the Thessalonian converts as though he had intended to intimate that Christ s second advent was near at hand **Hold Fast the Faith** Matthew

Everhard,2012-12-06 Furthermore confessions and creeds serve to help assure that the doctrinal faith that we articulate today has not subtly changed over time subject to the warping influence of secular society Creeds stand as ancient landmarks denoting the location of believers hearts in history Noting where one deviates from an ancient creed gives a person a distinct idea about where his or her own theological convictions stand in relation to other believers throughout history Perhaps this also helps us to discover what direction we are moving Are we moving closer to Christ To God s Word To the heart of God Himself Or are we moving further away The confession that I will be recommending to you in this volume is the standard bearing creed in the Presbyterian or Reformed branch of Christianity Influenced heavily by the thinking of Reformation theologian John Calvin 1509-1564 the Westminster Confession 1647 is a confessional exemplar of Reformed theology 2 The Westminster Confession of Faith is the premiere example of theological intellectualism absorbed in the beauty of the sovereignty of God The Westminster Confession and Calvin before it for that matter were both completely committed to the theological concept that God is sovereign over the entire universe Therefore as you study this Confession you will undoubtedly encounter the Living God as ruler of the cosmos the world the events of your life and hopefully your heart

95 Theses for a New Reformation Aaron Hebbard,2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless

and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice

95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today's pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ's beloved bride the church And let us prepare ourselves to respond with urgency to God's call to action by reforming the church family and culture Contributors John Frame John MacArthur R C Sproul Peter J Leithart and James White [Delphi Collected Works of John Calvin \(Illustrated\)](#)
