

A close-up, black and white portrait of Tom Cruise. He has a serious, intense expression, looking slightly off-camera. His face is marked with several scratches and abrasions, particularly around the eyes and on the cheek, suggesting a recent battle or accident. The lighting is dramatic, with strong shadows and highlights that emphasize the texture of his skin and the intensity of his gaze.

Despite Alfred's great victory at Edington, Wessex is far from secure. With the threat of an imminent attack from a large force of Vikings who have camped on the banks of the Thames at London, Matthew is sent to fortify the settlement at Leatherhead and whilst there, train the local fyrd. Hopelessly outnumbered, he faces his sternest test as he and a small band of untrained warriors strive to hold off the attack long enough for help to arrive or die trying. In a time ravaged by political uncertainty, Matthew is placed in intense personal danger as he's also ordered to investigate the tyranny of Ealdorman's son and dispense justice as he sees fit, a responsibility which rests heavy on his young shoulders. Given that he still carries the wound to his chest, what is asked of him seems more than most men could endure as he faces *The Final Reckoning*.

The World is in the throes of great turmoil, both economic and otherwise. Much like we find it today, a great evil has risen to take power over the inhabitants of the Earth. It is the end of days, the hour spoken about within the teachings of most of the major religions of the world. The final events are now occurring and the judgment of the people has all but been completed. There are, however, a precious few who have yet to be judged. There emerges a champion of the people who pleads with God for an extension of time so that he may prove that just one of these remaining souls will show proof strong enough to save the entire Human Race. This can be nothing short of a radical and complete transformation. He is up against all odds and the power of the Devil himself, and he is unable to influence the change that he proposes in any way.
