The Forgotten Spurgeon:

The Forgotten Spurgeon Iain H. Murray, 1973 An incisive historical and theological insight into the great 19th century Baptist with emphasis on the doctrines that moulded his life and thought **The Forgotten Spurgeon** Iain Hamish Murray, 1973 **Making Evangelical History** Andrew Atherstone, David Ceri Jones, 2019-04-08 This volume makes a significant contribution to the history of ecclesiastical histories with a fresh analysis of historians of evangelicalism from the eighteenth century to the present It explores the ways in which their scholarly methods and theological agendas shaped their writings Each chapter presents a case study in evangelical historiography Some of the historians and biographers examined here were ministers and missionaries while others were university scholars They are drawn from Anglican Baptist Congregationalist Methodist Presbyterian Fundamentalist and Pentecostal denominations Their histories cover not only transatlantic evangelicalism but also the spread of the movement across China Africa and indeed the whole globe Some wrote for a popular Christian readership emphasising edification and evangelical hagiography others have produced weighty monographs for the academy These case studies shed light on the way the discipline has developed and also the heated controversies over whether one approach to evangelical history is more legitimate than the rest As a result this book will be of considerable interest to historians of religion **The Making of a Maverick Missionary** Fiedler, Klaus, 2016-06-13 All Malawians know their national hero the Rev John Chilembwe who in 1915 protested against colonialism with an armed uprising To understand him it is necessary to understand Joseph Booth who baptized him and took him to America in 1897 to study for the Baptist ministry There in America Booth published his Africa for the African to the intense dislike of the colonial administration Booth was an Evangelical missionary but a maverick among them This book explores what made him the odd man out among his fellow missionaries by tracing his and his family's life in Auckland and Melbourne arguing that his political involvement must be understood from his specific Baptist background Reformed Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century

Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

I Longed To Gather You Roger Kirkpatrick, 2012-06-07 Modern technology bids us go forward as it rightly should The call of God conversely is and ever will be a call to return In spirituals the true is the tried and proven God calls us to the old paths he calls us back to himself Modern man will find healing for his many ills in no other way In this critical hour of history the call has never been more urgent The downward spiral will not reverse if we continue to ignore God s clarion call Come now let us reason together says the LORD Though your sins are like scarlet they shall be as white as snow though they are red as crimson they shall be like wool If you are willing and obedient you will eat the best from the land but if you resist and rebel you will be devoured by the sword For the mouth of the LORD has spoken Isa 1 18 20 Roger Kirkpatrick

High Calvinists in Action Ian J. Shaw, 2003-02-06 This valuable contribution to the debate about the relation of religion to the modern city fills an important gap in the historiography of early nineteenth century religious life Although there is some evidence that strict doctrine led to a more restricted response to urban problems extensive local and personal variations mean that simple generalizations should be avoided Ian J Shaw argues against earlier prejudiced views and shows that high Calvinists played a vigorous and successful part in the response of early nineteenth century churches to the process of urbanization The study includes six substantial case studies of ministers and their churches in Manchester and London Four high Calvinist ministers are considered with two studies of ministers holding to an evangelical Calvinist doctrine also included to provide instructive contrasts Detailed social analysis of the congregations is based upon extensive use of manuscript and printed sources sermons and local and denominational press

Dug Down Deep Joshua Harris, 2010-01-19 What will you build your life on With startling transparency Joshua Harris shares how we can rediscover the relevance and power of Christian truth This book shows a young man who rose quickly to success in the Christian evangelical world before he realized his spirituality lacked a foundation it rested more on tradition and morality than on an informed knowledge of God For the indifferent or spiritually numb Harris's humorous and engaging reflections on Christian beliefs show that orthodoxy isn't just for scholars it is for anyone who longs to know the living Jesus Christ As Harris writes I've come to learn that theology matters It matters not because we want to impress people but because what we know about God shapes the way we think and live Theology matters because if we get it wrong then our whole life will be wrong Whether you are just exploring Christianity or you are a veteran believer finding yourself overly familiar and cold hearted Dug Down Deep will help you rediscover the timeless truths of Scripture As Harris challenges you to root your faith and feelings about God in the person work and words of Jesus he answers questions such as What is God like and how does he speak to me What difference does it make that Jesus was both human and divine How does Jesus's death on the cross pay for my sins Who is the Holy Spirit and how does he work in my life With grace and wisdom Harris will inspire you to revel in the truth that has captured his own mind and heart He will ask you to dig deep into a faith so solid you can build your life on it He will point you to something to believe in again
