THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God's Word Herein **THE FUNDAMENTALS OF THE CHRISTIAN FAITH** puts Biblical Criticism on trial judging their claims as subjective

based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies

Abraham Vélez de Cea, 2013 Providing a rigorous analysis of Buddhist ways of understanding religious diversity this book develops a new foundation for cross cultural understanding of religious diversity in our time Examining the complexity and uniqueness of Buddha's approach to religious pluralism using four main categories namely exclusivism inclusivism pluralistic inclusivism and pluralism the book proposes a cross cultural and interreligious interpretation of each category thus avoiding the accusation of intellectual colonialism The key argument is that unlike the Buddha most Buddhist traditions today including Theravada Buddhism and even the Dalai Lama consider liberation and the highest stages of spiritual development exclusive to Buddhism The book suggests that the Buddha rejects many doctrines and practices found in other traditions and that for him there are nonnegotiable ethical and doctrinal standards that correspond to the Dharma This argument is controversial and likely to ignite a debate among Buddhists from different traditions especially between conservative and progressive Buddhists The book fruitfully contributes to the literature on inter religious dialogue and is of use to students and scholars of Asian Studies World Religion and Eastern Philosophy **The Fundamentals** Torrey, R.A., 2015-02-28 This one volume contains all 12 volumes 90 essays of the original work There is a linked table of contents to each of them The Fundamentals A Testimony To The Truth is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles The essays were designed to affirm among other things conservative Protestant beliefs especially those of the Reformed tradition and defend against ideas deemed inimical to them They are widely considered to be the foundation of modern Christian fundamentalism The essays set out what was believed to be the fundamentals of Christian faith The volumes defended orthodox Protestant beliefs and attacked higher criticism liberal theology Catholicism socialism Modernism atheism Christian Science Mormonism Millennial Dawn Spiritualism and evolutionism Listed here is just some of the essay The Virgin Birth of Christ James Orr The Deity of Christ Benjamin B Warfield The Purposes of the Incarnation G Campbell Morgan The Personality and Deity of the Holy Spirit R A Torrey The Proof of the Living God Arthur T Pierson History of the Higher Criticism Dyson Hague A Personal Testimony Howard A Kelly The Testimony of the Monuments to the Truth of the Scriptures George Frederick Wright The Recent Testimony of Archaeology to the Scriptures M G Kyle Fallacies of the Higher Criticism Franklin Johnson Christ and Criticism Robert Anderson Modern Philosophy Philip Mauro Justification by Faith H C G Moule Tributes to Christ and the Bible by Brainy Men not Known as Active Christians Inspiration of the Bible
