He is seated in a wooden chair with a cane back, holding an open book with green and red covers. He is looking down at the book. Richard Sudworth Mark Swanson Charles Tieszen John Tolan Davide Tacchini Herman Teule Albert Walters Islamic Studies Today: Essays in Honor of Andrew Rippin Majid Daneshgar, Walid Saleh, 2016-12-20 Islamic Studies Today Essays in Honor of Andrew Rippin is a collection of essays on the Qur'an, Qur'anic exegesis, the early history of Islam, the relationship of the Qur'anic text to writings from other religious traditions and the use of the Qur'an in modern discussions and debates. Its scope is medieval and modern contexts and it covers regions right across the Muslim world. The essays are based on and reflect Rippin's broad interests and methodological innovations: his studies of text transmissions, hermeneutical studies of the Qur'an, careful unpacking of the complex relations between Qur'anic exegesis and historical contexts and exploring potential new methodologies for future research. With contributions by Herbert Berg, Stefano Bigliardi, Majid Daneshgar, Bruce Fudge, Claude Gilliot, Andreas G. R. Feras, Hamza, Gerald Hawting, Aaron W. Saleh, Nicolai Sinai, Roberto Tottoli Confronting Antisemitism from the Perspectives of Christianity, Islam, and Judaism Armin Lange, Kerstin Mayerhofer, Dina Porat, Lawrence H. Schiffman, 2020-10-26 This volume engages with antisemitic stereotypes as religious symbols that express and transmit a belief system of Jew-hatred. These religious symbols are stored in Christian, Muslim, and even today's secular cultural and religious memories. This volume explores how antisemitic religious symbol systems can play a key role in the construction of group identities **Routledge Handbook on Christian-Muslim Relations** David Thomas, 2017-08-16 The matter of Christian-Muslim relations cannot be ignored these days. While the term itself may not appear all that often, relations between the two faiths and their reciprocal perceptions are undeniable influences behind many current conflicts, declarations of mutual recognition and peace negotiations, not to mention the brooding hatred of religious extremists. Since 9/11, relations between the two faiths have in one form or another hardly been away from the news. This Handbook contains fundamental information about the major aspects of relations between Christians and Muslims. Its various sections follow the history from the early seventh century to the present, the major religious issues that have led to disputes between the two faiths and the political implications of religious differences at various stages through history as well as in the present. It includes analysis of scriptural and theological themes and explores the characteristics of relations at important points in history and also in various parts of the world today. Chapters are devoted to the most significant intellectual interpretations and encounters, the main armed clashes including the Crusades and the important documents issued by each faith that in recent years have led the way towards new developments in recognition and acceptance. With chapters written by some of the foremost experts in the field, the book traces the largely dark history of relations and explains the underlying reasons why Muslims and Christians have found tolerance and respect for the other difficult. It is an excellent resource for understanding the past and for highlighting lessons for future relations between the world's two largest religions *The Quran with Christian Commentary* Gordon D. Baeq, Sam Kim, 2022-05-24 The theme of prophets and prophecy is a central area of theological research and discussion in both Christianity and Islam While academic researches on the prophets of Islamic tradition do exist it is rare to find studies which compare them with the biblical accounts based on evangelical theology This book provides theological analysis of the biblical prophets which appear in the Qur an and the Islamic literature The selection of prophets includes Adam Nuh Noah Ibrahim Abraham Yusuf Joseph Musa Moses Dawud David Ezekiel Dhul Kifl Zakariya Yahya John the Baptist and Mary the Mother of Jesus The contributors are a distinguished group of international scholars who combine impressive academic credentials with extensive ministry among Muslims Moreover the international nature of the contributors lends credibility to the work as an exercise in global theology This book lays a good foundation for the comparison of scriptural and theological traditions of two world major religions and for generating further discussions

 Challenge is a comprehensive handbook of all the commonest arguments raised by Muslims in response to the average
 Christian witness Throughout Muslim history its case against the authenticity of Christianity has remained much the same
 Christians wishing to reach out meaningfully to Muslims will need to know not only what the major points of contention are
 but also how to effectively counter them This book provides clear answers based on sound evidences and well established
 facts It also shows how to turn Muslim objections into a platform for positive witness to the great truths of the Gospel *H.*
M. Baagil's Muslim-Christian Dialogue A. Yousef Al-Katib,2014-02-14 Dr H M Baagil s Muslim Christian Dialogue is a
 proselytic tract that sets forth Islam s primary charges against Christianity the corruption of Scriptures revealed to earlier
 prophets and the adoption of false and idolatrous doctrine Dr Baagil s treatise has been used by countless Islamic
 organizations to urge Christians to return to the pure authentic uncorrupted religion of Islam Yet Dr Baagil s tract employs
 insidious and subtle twists of logic to support its conclusions The book is especially dangerous to the Christian or Muslim
 unschooled in Christian doctrine or having shallow biblical knowledge Such a reader will fall prey to Dr Baagil s traps thus
 being led astray from the truth of the Gospel to an impotent form of religion that denies Jesus salvific power At last there is
 now an answer to Dr Baagil s treatise In this volume A Yousef Al Katib sets forth a systemic reply to each of Dr Baagil s
 attacks on Christianity A Yousef Al Katib himself a Christian convert who spent more than five years in religious study before
 experiencing the miraculous power of Jesus to heal and to save thoroughly replies to refutes and rebuts each of Dr Baagil s
 arguments on a detailed point by point basis He reveals Dr Baagil s innumerable contradictions false statements circular
 arguments illogicisms and erroneous biblical interpretations **More Than a Prophet** Emir Fethi Caner,Ergun Mehmet
 Caner, For the world s one billion Muslims Jesus is a prophet A highly respected prophet but one of many throughout history
 For Christians Jesus is more than a prophet He alone is God incarnate Lord and Savior And therein lies the most profound
 difference between the two faiths Based upon the authors extensive dialogues and debates with skeptical angry and
 interested Muslims liberal Christians and mainstream journalists More Than a Prophet answers nearly 150 questions about
 Islamic and Christian faith Sympathetic to Muslim concerns yet uncompromising in its portrayal of historic Christian truth
 More Than a Prophet is an indispensable handbook for Christians who want to share their faith with sensitivity and
 intellectual honesty It is also a helpful introductory resource for those seeking to understand Jesus Back cover
