Ezra, the last Prophet; or, the vision of the great twelve-winged, three-headed Eagle, with twenty Imperial feathers, fulfilled, etc Rev. Thomas INMAN (of Witham.),1864 **Oracle of the Last and Final**

Message Mohsin Akhtar,2008-05-09 This book reveals that over the millennia the revealed knowledge has evolved in accordance with the advancement of the human civilization Accordingly by the advent of the Prophet Muhammad it has been updated for the rest of the humanity till end of the world Hence the prophet Hood has reached its peak and Muhammad remains the seal of the prophets till end of the world The knowledge of revelation endowed to the mankind remains over and above to their knowledge acquired through the instincts and the intuition The purpose of the revealed knowledge is that God wants His supreme creature to qualify for the righteous end duly prescribed by Him He has therefore provided us the syllabus the text Books and the teachers The last and final after the books of Torah and Gospel is the Quran and after the Prophets Moses and Jesus is the Prophet Muhammad peace be upon them all Hence Islam is not a new religion but the finalization of the Abrahams religion having the same purpose and the values meant by God through Judaism Christianity and Islam The author hopes that this book will work to bring all the three big nations the Jews Christians and the Muslim closer to each other quitting behind hatred hidden in their hearts and combine them together at the similar cause that is obedience and supplication to the Gods Commandments and peace and love for the humanity leaving behind all the prejudices and

hatred May God the Allah guide us for the right path Amen

Mohiuddin Habibi,Syed Ahsan Habibi,2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or

will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170 *Essential Knowledge in Islam Explained by the Quran* Dr. Yana Mulyana ibn Komala, 2020-09-17 This Book presents the most essential knowledge regarding the religion of Islam Islam is the religion which invites all human beings to the pristine monotheism toward Allah the Creator of the Universe The Book is intended for audiences who want to learn about Islam at the elementary level The information presented in this Book is taken from verses in the Quran which is the central Scripture in the religion of Islam The related Quranic verses are also displayed as evidences of the presented information The Quran was revealed in classical Arabic language and until these days still preserved in its original form The English translation of such Quranic verses is presented throughout this Book Thus no knowledge in Arabic is required to understand this Book Moreover no knowledge concerning Islam is prerequisite to comprehend the contents of this Book The teaching of Islam is intended for all mankind Thus this Book is purposed as a medium to convey the essential knowledge to common audiences regardless of their religious political educational and ethnical background The Quran Speaks Bahis Sedq, 2018-02-14 Even those who dispute the Quran do not question that it is in its original form This enables one to travel back in time to take a closer look at the Prophet Muhammad who is amongst the most towering personalities in history This book avails that priceless chance to reconstruct his life based on evidence as well preserved as the Quran It also explores the Quran s message on issues ranging from justice and women to the treatment of other religions to see if the disconnect between certain Islamic practices and the modern world is based on misreading of the Quran Among other topics the book assesses the claims that the Quran is a scientific miracle contains no inconsistencies and is a masterpiece of literature and also discusses the controversial incident of the Satanic verses in light of disclosures in the Quran The effort is to gain a holistic understanding of possibly the most influential book of all time The author has chosen to write under a penname Seeker of the Truth but remains optimistic of disclosing his identity in the future He does not doubt that a vast majority of Muslims would allow him to express the views noted in this book which are founded on the Quran Sedq uses many different translations of the Quran to present the material as clearly and sensibly as possible Bottom line This is an intriguing engaging look at a religion still misunderstood by many in the West It is bound to provoke heated debate Blueink Review A searching look at the teachings of the Quran Sedq takes up several common assertions about the Quran and subjects them to a scholarly thorough and often refreshingly cant free contemporary analysis that takes modern social norms and literary scholarship into account Sedq offers an interpretative look at the Quran that curious minds of all faiths will find fascinating

Kirkus Reviews What s the most interesting or important book to come out recently about the Islamic world The Quran Speaks by Bahis Sedq a hugely important book by a scholar of Islam who is to my mind the most sophisticated of all the dissidents in the Muslim world He could be the Muslim Luther if there were only a way to keep him safe Ayaan Hirsi Ali in The New York Times

Psychological Foundation of the Qur'an Muhammad Shoaib Shahid,2016-02-05 Historically the need for religion for guidance to promote moral ethical values under the concept of a sole Creator has been established by all the followers of the Holy Books The Qur an which is a continuation as a reformed authentic book has been either ignored to be comprehended with its meanings or misinterpreted for personal motives by its preachers Therefore due to the ignorance of the Qur anic Abrahamic monotheist concept various sects extreme groups and confrontations have been triggered among the Muslims and rival religious groups As the present century is based on science and technology intellectuals and truth seekers judge religious values from logical and scientific perspectives It is a dire necessity in the present era to present Divine knowledge with fundamental concepts and clear misconceptions about Islam with reasoning to attract adolescents and the ignorant toward peace through the Qur anic treasure of knowledge Therefore my presentation of the book based on these criteria is about the psychology of religion basic concepts and historical aspects for revealing Divine guidance through the Qur an to Muhammad PBUH with his role as Prophet to address the various aspects of human nature As a student of psychology with experience of observing human beings and current human destruction under religious disputes I have tried to present all of this according to set scientific standards and tools It has been written objectively in simple English narration with sole reference to the Qur an to create insight among laypeople particularly the adolescents new generation towards peace unity and a balanced life pattern leading to human respect and
