Castles & Buttons (Book Two) How to Have Everything by Doing Nothing (Susan James) Susan James, Castles The Introduction to Castles and Buttons Book One this third book Castles and Buttons Book Two goes a bit deeper into the higher study and its implications Implications include money flow and financial events The key understanding to get to is everything is simply given Those of

us who are committed to understanding higher things at some point are ready to entertain this notion of everything is just given to us When I reached that place of understanding that this could be true the effort then came in unraveling any underlying themes or beliefs that kept me from the experience of it The unraveling came in both the knowledge and the experience of the fact that I did not have to do this and that so that I could have or get this or that I have translated it over into every part of my life I know it s about how we use energy I ve had to develop my own way my own games I ve had to not listen to all the hype while still enjoying parts of it I have fully convinced myself that circumstances and conditions do not matter When we are purely aligned with Source Energy our thoughts ideas and timing all meet for a wonderful event or experience It becomes the way we live instead of the occasional miracle The Mechanism of Financial Abundance is attached to two things 1 Understanding Higher Law and It s Benefit as We use this understanding 2 Feeling Good IS The Mechanism of Financial Abundance It brings More Money and Money that Sticks to Us I can relate to this big time because before I smartened up I would get big money and then something would happen to it or something would need fixed which took the money away as fast as it showed up It s very nice these days to have the money flow and not go It s very nice to not have to fix things or backup and re start and re do Altho at those times that s exactly what I did I d re start with the mental ease and I d re do with the mental ease and up and out I went Done Deal Baby Some of the themes covered in this Book 2 of the Series How To Make It Easy Dissecting The Fast Track To Desire Fulfillment Simple Things I ve To Keep My Attention On Track The Mechanism of Financial Abundance Getting Out of A Jam While How to Create From The Highest Non Doing Place Understanding Castle s and Buttons As The Same The Higher Meaning of The Tree of Knowledge The Done Deal Future Pull Acquiring Money and Creating Money Blasting The Barriers to Money Flow How To Melt Our Limitations And Become Limitless Allowing More Money How to Intend from The Knowing State 5 Ways to Move Our Lives Towards Abundance The Easy Way To Win Applications Universal to Finances Health Relationships The Law of The Done Deal And How to Use It How To Open The Door To Boundless Supply Flashback to Circumstances Do Not Matter How To Increase Our Belief Level The Power of Precipitation Using True Vision Not Lifting a Finger Only Needing A Thought Enjoy the entire Castle s and Buttons Series and you too may then understand how creating Castles or Buttons is the same and everything you want is already there for you

*Moving Mountains* Raymont L. Anderson, 2012-05 In life everyone at some time or another will experience what is commonly referred to as problems *Moving Mountains* is a manual of sorts to assist people in the removal of life s problems This removal process occurs by first looking at some commonly held beliefs and ideas held by our society Secondly this removal occurs by realizing that a shift in perception is needed As the reader continues to read and walk through the journey laid out in the pages of the book the task of noticing and in time changing existing paradigms will become the number one mission This mission allows the reader to realize that the mountains in life problems challenges issues and traumas are blessings that can be used as stepping stones to greater awareness and increase one s ability to live a sacred life

The book guides the reader through the process of personal transformation by challenging what is believed and what the reader feels is known with various ideas and concepts that the author has found over years of study to be of immeasurable value and use so that the mountains can be moved just as Jesus the Christ said in Matthew 17 20 if you have faith as small as a mustard seed you can say to this mountain Move from here to there and it will move Nothing will be impossible for you

Whitehouse,2012-03-16 At first glance the Old and New Testaments of the Bible could not appear to be more different on the subject of prosperity The Hebrew teachings encourage the accumulation of wealth and state that God will prosper us if we trust in Him while the Gospels and letters of the New Testament recommend discarding wealth and living a simple life Thou shalt remember the Lord thy God for it is He that giveth thee the power to get wealth Deuteronomy 8 18 I tell you it is easier for a camel to pass through the eye of a needle than for a rich man to enter into the kingdom of heaven Gospel of Matthew 19 24 But is there more to it than that Is there an underlying unifying theme of what prosperity actually is and how to attract it throughout the whole of the Bible This book reveals that there is and that this ancient text interpreted carefully and

comprehensibly is a prosperity workbook for the modern age **Open Your Mind to Prosperity** Catherine Ponder,1983-12 There are many success courses and books available today and they are all good Anything that helps you to open your mind to prosperity is worthwhile But most of those courses and books cover only about one fourth of the formula given in **OPEN YOUR MIND TO PROSPERITY** Other books only explain how to create your prosperity mentally first Catherine Ponder not only explains how she helps you prepare your mind for prosperity and directs you forward to a life of prosperity To live a prosperous life you must learn how to clear away the psychological blocks about prosperity as discussed in Chapter 1 then learn how to cleanse your mind to make way for prosperity as explained in Chapter 2 then follow this up by giving your

prosperity a spiritual basis as shown in Chapter 6 just creating your prosperity mentally first is not enough By learning the entire formula for prosperity as given in this book in both Part I and Part II you will find that it becomes an automatic process which you can easily invoke again and again and you will enjoy doing so Then you will return to the cleansing laws of prosperity and once again form a vacuum in both inner and outer ways You will begin again to create your prosperity mentally first probably making a new list getting fresh mental pictures and affirmations to work with daily **Another**
