**Making Disciples in the Twenty-First Century Church** Joel Comiskey,2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God s ultimate plan does he have a particular purpose for the cell based church I ve been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping

this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship and receive fresh vision The goal of the two-wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I'm looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans \_\_\_\_ I am so excited about Joel Comiskey's new book Making Disciples in the Twenty First Century Church When I'm asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won't only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church

of the kingdom of God This well written book deserves attention from every serious Christian Dennis McCallum Author Organic Discipleship *Knowing God to Make Him Known* Ed Scheuerman,2021-04-20 Christians are all too familiar with the dichotomy between being a Mary sitting at Jesus feet and being a Martha being active in ministry We have been told that before we can do we first need to be And this is well and good But it is insufficient Before we can be we first need to know We need to know who God is God s attributes so that we can then be who we are intended to be in Christ Only then should we seek to do what he has called and equipped us to do for his glory This book focuses on knowing God in his many attributes so that we can become conformed to his image in order to do what he s called us to do to bring the gospel to the world
