## **The Nostalgia Cafe:**

*Slovakia: Bratislava* Lucy Mallows, Tim Burford, 2025-07-04 This new thoroughly updated fifth edition of Bradt's Bratislava remains the only standalone guide from a major publisher that is dedicated to this compact and increasingly popular capital of Slovakia declared by the legendary Casanova as the most beautiful city in Europe and he knew a thing or two about beauty. Situated by the mighty Danube River and nestling in the Small Carpathian Mountains with new downtown skyscrapers overlooking refurbished old buildings Bratislava is indeed a good looking city filled with good looking people who seem to enjoy life. Bratislava is a city that effortlessly blends history with hedonism where world class restaurants have been joined by a clutch of artisan coffee houses and literary tea and bookshops. Local winemakers are going from strength to strength with orange and natural wines becoming a speciality while microbreweries are producing all sorts of dark beers and IPAs as well as pilsners. Split into ten easy to follow chapters Bradt's Bratislava contextualises your visit by summarising local politics and cultural etiquette then advises on planning practical information local transport including the expanding bike sharing scheme accommodation eating and drinking entertainment nightlife and shopping. City walks are also included focusing on the main sights and beyond as is sightseeing from castles and palaces to museums galleries churches gardens and parks. Beyond the city itself there are sections on Devín, Červený Kameň, Ancient Gerulata, Rusovce, the Small Carpathian Wine Route, Senec, Piešťany, Spa Trnava and Košice in eastern Slovakia. There are also useful reference sections on language pronunciation and words and phrases and sources of further information. Bratislava's small size is satisfyingly compact and visitor friendly. It offers many superbly curated museums rivalling those in Budapest and Vienna plus an opera house and the Slovak National Gallery reopened in 2022 following a lengthy refurbishment. With a range of airlines flying into the city and Košice plus the rail link to Vienna being upgraded Bratislava is the perfect destination for a weekend break, a romantic city break, a family holiday or as a base for discovering the rest of Slovakia. With Bradt's Bratislava you'll have everything you need for a successful trip.

**Coffee Life in Japan** Merry White, 2012-05-01 This fascinating book part ethnography part memoir traces Japan's vibrant café society over one hundred and thirty years. Merry White traces Japan's coffee craze from the turn of the twentieth century when Japan helped to launch the Brazilian coffee industry to the present day as uniquely Japanese ways with coffee surface in Europe and America. White's book takes up themes as diverse as gender, privacy, perfectionism and urbanism. She shows how coffee and coffee spaces have been central to the formation of Japanese notions about the uses of public space, social change, modernity and pleasure. White describes how the café in Japan from its start in 1888 has been a place to encounter new ideas and experiments in thought, behavior, sexuality, dress and taste. It is where a person can be socially, artistically or philosophically engaged or politically vocal. It is also importantly an urban oasis where one can be private in public.

Cafes and Bars Christoph Grafe, Franziska Bollerey, 2007-09-12 The design of bars and cafes has played an important role in the development of architecture in the twentieth century. This influence has been felt particularly

strongly over the past thirty years in a time when these social spaces have contributed significantly to the rediscovery and reinvention of cities across Europe and North America This volume presents and examines this significant urban architectural production and discusses it against a background of the design of cafes and bars across the nineteenth and twentieth centuries Major themes and developments are discussed and illustrated with case studies from the functionalist pre World War Two architects in Central Europe representing modern society through the design of public spaces right up to the design of sophisticated bars and cafes as part of the recent urban renaissance of Barcelona and Paris in 1980s and London in the 90s

**Tokyo Listening** Lorraine Plourde, 2019-07-02 Tokyo Listening examines how the sensory experience of the city informs how people listen to both music and everyday ubiquitous sounds Drawing on recent scholarship in the fields of sound studies anthropology and ethnomusicology and over fifteen years of ethnographic fieldwork in Japan Lorraine Plourde traces the linkages between sound and urban space She examines listening cultures via four main ethnographic sites in Tokyo an experimental music venue classical music cafes office workspaces and department stores looking specifically at how such auditory sensibilities are cultivated The book brings together two different types of spaces into the same frame of reference places people go to specifically for the music and spaces where the music comes to them Tokyo Listening examines the sensory experience of urban listening as a planned and multifaceted dimension of everyday city life ultimately exploring the relationship between sound comfort happiness and productivity

**The Ruins of Nostalgia** Donna Stonecipher, 2023-10-10 What is it to feel nostalgia to be skeptical of it yet cleave intently to the complex truths of feeling and thought In a series of 64 gorgeous ramifying unsettling prose poems addressing late twentieth and twenty first century experience and its discontents The Ruins of Nostalgia offers a strikingly original exploration of the misunderstood phenomenon of nostalgia as both feeling state and historical phenomenon Each poem also titled The Ruins of Nostalgia is a kind of lyrical mini essay playful passionate analytic Some poems take a location memory conceit or object as their theme Throughout the series the poems recognize and celebrate the nostalgias they ironize which are in turn celebrated and then ironized again Written often in the fictional persona of the first person plural The Ruins of Nostalgia explores the rich territory where individual response meets a collective phenomenon sample poem The Ruins of Nostalgia 13 Where once there had been a low end stationery store minded by an elderly beauty queen there was now a store for high end espresso machines minded by nobody Where once there had been an illegal beer garden in a weedy lot there was now a complex of luxury lofts with Parisian style ivory fa ades Where once there had been a bookstore and a bike shop and a bakery there was now a wax museum for tourists Where once there had been an empty lot there was now a building Where once there had been an empty lot there was now a building Where once there had been an empty lot there was now a building Where once there had been farms there were now subdivisions Where once there had been subdivisions there were now sub subdivisions We lived in a sub subdivision of a subdivision We

ourselves had become subdivided where once we had merely been of two minds Where once there had been a river there was now a road A vocal local group had started a movement to break up the road and daylight the river which still flowed in the dark underneath the road Could we daylight the farms the empty lots the stationery store the elderly beauty queen the city we moved to Was it still flowing somewhere under the luxury lofts deliquescing in the dark inhabited by our luxury selves not yet subdivided because not yet whole Could we daylight the ruins of nostalgia

**The Viennese Café and Fin-de-Siècle Culture** Charlotte Ashby, Tag Gronberg, Simon Shaw-Miller, 2013-01-01 The Viennese caf was a key site of urban modernity around 1900 In the rapidly growing city it functioned simultaneously as home and workplace affording opportunities for both leisure and intellectual exchange This volume explores the nature and function of the coffeehouse in the social cultural and political world of fin de si cle Vienna Just as the caf served as a creative meeting place within the city so this volume initiates conversations between different disciplines focusing on Vienna at the beginning of the twentieth century Contributions are drawn from the fields of social and cultural history literary studies Jewish studies and art and architectural and design history A fresh perspective is also provided by a selection of comparative articles exploring coffeehouse culture elsewhere in Eastern Europe

dance hall women who charge a fee of ten cents for a 3 minute spin on the dance floor They are murdered in the Budapest Hotel in certain room numbers which have biblical meanings as to why the killer chooses these rooms Detective Vero travels to France and works with Interpol to capture the killer **Web Secrets** Ronnie Dauber,2012-03-16 Madison Richards has finally married the man of her dreams but her perfect world becomes a nightmare when family members and friends begin to

disappear and her husband thinks she's heading for a breakdown. But she is bound to prove him wrong and begins an investigation that leads to a web of lies and fear as she learns that she is the target of a psychopathic killer. *The Briny Café* Susan Duncan, 2012. Ettie Brookbank is all too aware of the years slipping by and yearns for excitement, a challenge, the chance to live dangerously. And then fate offers her a lifeline: a lopsided little café on the water's edge. **Senses and the City** Mădălina Diaconu, 2011. The papers collected in this volume discuss the sensory dimension of cityscapes with focus on touch and smell. Both have been traditionally considered lower senses and thus unworthy of being cultivated objects of social prohibitions and targets of suppressing strategies in modern architecture and city planning. The book brings together approaches from anthropology, aesthetics, the theory of architecture, art and design, research, psychophysiology, ethology, analytic chemistry, etc. Series: Austria: Forschung und Wissenschaft Interdisziplinär Vol. 4. *Ton Up!* Paul d'Orleans, 2019-12-31. *Ton Up: A Century of Caf Racer Speed and Style* focuses on the story of the ton up boys and their café racers. But it's much more than just that. Illustrated with historic and modern photos and featuring a text by one of the world's motorcycle historians, it's really the story of motorcycle speed and style evolved from the early 1900s right through today. Café racers are most associated with the young, rebellious rock and rollers of 1960s Britain. These riders created the quintessential café racers: fast motorcycles customized to resemble the racing bikes of the period. They were called café racers because their riders raced on public roads from one café to the next. The goal was to do the ton, exceed 100 miles per hour on these runs, which led to their designation as ton up boys. Today, ton up culture is more popular than ever and recognized worldwide, with a following of young and long-time riders alike. With *Ton Up*, enjoy a scenic ride through the history of this vibrant scene. *The Postmodern Presence* Arthur Asa Berger, 1998. Instead of summing up the various perspectives of scholars and the variety of ideas to which the term postmodernism has been assigned, this text lets this diversity speak for itself. By bringing together articles and essays on the impact of the postmodern temper on an eclectic range of subjects, Berger presents a few of the many ways different theorists have come to terms with postmodernism while examining manifestations of postmodernism in the culture of everyday life. **The Future of Nostalgia** Svetlana Boym, 2008-08-05. Can one be nostalgic for the home one never had? Why is it that the age of globalization is accompanied by a no less global epidemic of nostalgia? Can we know what we are nostalgic for? In the seventeenth century, Swiss doctors believed that opium, leeches, and a trek through the Alps would cure nostalgia. In 1733, a Russian commander, disgusted with the debilitating homesickness rampant among his troops, buried a soldier alive as a deterrent to nostalgia. In her new book, Svetlana Boym develops a comprehensive approach to this elusive ailment. Combining personal memoir, philosophical essay, and historical analysis, Boym explores the spaces of collective nostalgia that connect national biography and personal self-fashioning in the twenty-first century. She guides us through the ruins and construction sites of post-communist cities: St. Petersburg, Moscow, Berlin, and Prague, and the imagined homelands of exiles: Benjamin Nabokov, Mandelstam, and Brodsky. From Jurassic Park to

the Totalitarian Sculpture Garden from love letters on Kafka's grave to conversations with Hitler's impersonator Boym unravels the threads of this global epidemic of longing and its antidotes      Philosemitism in History Jonathan Karp, Adam Sutcliffe, 2011-03-21 Too often philosemitism the idealization of Jews and Judaism has been simplistically misunderstood as merely antisemitism in sheep's clothing This book takes a different approach surveying the phenomenon from antiquity to the present day and highlighting its rich complexity and broad impact on Western culture Philosemitism in History includes fourteen essays by specialist historians anthropologists literary scholars and scholars of religion ranging from medieval philosemitism to such modern and contemporary topics as the African American depiction of Jews as ethnic role models the Zionism of Christian evangelicals pro Jewish educational television in West Germany and the current fashion for Jewish kitsch memorabilia in contemporary East Central Europe An extensive introductory chapter offers a thorough and original overview of the topic The book underscores both the endurance and the malleability of philosemitism drawing attention to this important yet widely neglected facet of Jewish non Jewish relations      **Spectacle in Classical Cinemas** Tom Brown, 2015-08-11 Spectacle is not often considered to be a significant part of the style of classical cinema Indeed some of the most influential accounts of cinematic classicism define it virtually by the supposed absence of spectacle Spectacle in Classical Cinemas Musicality and Historicity in the 1930s brings a fresh perspective on the role of the spectacular in classical sound cinema by focusing on one decade of cinema the 1930s in two modes of filmmaking musical and historical films and in two national cinemas the US and France This not only brings to light the special rhetorical and affective possibilities offered by spectacular images but refines our understanding of what classical cinema is and was
