**Have Yourself a Movie Little Christmas** Alonso Duralde, 2025-09-18 Don't waste a second of your valuable holiday time on another boring Christmas movie. In this merry and informative guide, film critic Alonso Duralde takes us on a tinsel bedecked tour of the best and worst films of the Yuletide season. Whether you're looking for the classics, family favorites, holiday horror, seasonally themed crime epics, or the most wonderfully awful cinematic lumps of coal, *Have Yourself a Movie Little Christmas* serves up delightful recommendations in prose as brisk as a winter sleighride. From *White Christmas* to *Bad Santa*, *Eyes Wide Shut* to *Gremlins*, you'll find a marvelously eclectic selection of holiday fare and a thorough breakdown of the many screen Scrooges, including Alistair Sim, Jim Carrey, and Tori Spelling. And get ready to encounter movies you may never have heard of from the gritty noir *Blast of Silence* (filmed in New York City over Christmas 1959 without a single permit) to the loony Santa Claus, a Mexican kiddie movie in which St. Nick teams up with Merlin to fight the devil. Fun facts abound: did you know the actor cast as Uncle Billy in *It's a Wonderful Life* was also in the running to play mean old Mr. Potter? Making this a stocking stuffed with goodies, you'll turn to every Christmas season. This fully revised and updated edition includes all Christmas movies of note to have been released in the fifteen years since the first edition was published, as well as gems omitted from the first edition.

**A Worst Case Scenario** J.

Lynn, 2009-10 Lynn, a Baltimore Surrealist artist, reviews her unusual life without any knowledge that Asperger's Syndrome, a mild form of autism, exists. Her life and circumstances certainly are the result of something. She has always been different. It is impossible to explain herself or confide in anyone, even the closest friends and family. Depressed, overwhelmed, and not knowing how to describe what she's going through to anybody, she tries to figure out things on her own. Can she find some clues in her dreams? Nothing she tries works, and she is ready to give up. She looks back, going deeper and deeper into her past. What is it, the thing that makes her different? Has it prevailed throughout her entire life? Maybe so, does it have patterns? She begins to see there are. Are they responsible for things turning out so badly? Does whatever it is make it possible to dream of the future and possibly travel through time? The Last Exit before the Toll: Art, Death, Asperger's, and Dreams is the story of her journey to find out the truth of the mystery. The story is told in an unusual timeline; it is told backwards in decades, a timeline never used in books but the usual way we get to know each other in real life. The book also features pictures of her singular, highly detailed art. One chapter spotlights her epic painting, Poe's Last Supper. The large 4 x 6 oil painting depicts Poe on his deathbed in a hospital, but he hallucinates he's in a Fell's Point bar drinking with his characters. See more on the book and art in vivid color. A passage from *What Kind of Kid Were You?* In earlier childhood, I could be a handful. I don't know what happened. It was as if something would take over. I'd persistently asked questions and would make comments out loud or sounds. The other kids would crack up. I understand now they didn't think I was stupid, although it felt so at the time. I would ask outrageous questions, whether the teacher acknowledged my raised hand or not. They sometimes

wouldn't Many times what I asked or my comments made me sound like a smart ass Right after the words left my mouth it sounded different than what I was trying to say This would drive the teachers up a wall right out of their minds My third grade teacher the elderly Mrs Mitchell got so fed up she separated my desk from the other kids by sitting me up front next to her desk Bad move I already had everybody's attention up front Everybody could then hear everything I said I did it one time too many I said something and the whole class shrieked She went ape shit She went over the edge She would have hit me if she could have gotten away with it if it weren't for my mother The best she could do was throw a cartoon like tantrum She jumped up and down with her knees a little bent She stopped writing on the blackboard and made tight fists clutching the chalk SHUT UP SHUT UP SHUT UP SHUT UP she screamed It was almost the same as the tantrum Mozart would throw at the costume party in Amadeus when he wanted his penalty except more aggressively I did shut up for then The image stunned me I had no idea I got to her that badly A note was sent home Another note one of many Let me tell you I got away with nothing at home I got whipped My mother was strict The only child spoiled brat wasn't correct That wasn't it The same basic kind of behavior got me whipped at home but whipped or not it would come out I know my mother was driven crazy sometimes She would practically lose her mind I was also hardheaded and wouldn't back down if I thought I was right I would face my punishment such as staying out of the woods I wasn't going to stay out of the woods We played our roles in that one At school I don't know exactly what happened because most of the time I was so sincere I really did want to know something or I would make a comment about something It wasn't appreciated Most of it was
