The Older I Get The Less I Care

Lewis R. Aiken

The Older I Get The Less I Care:

Messiah Pulpit ,1896 Contains text of sermons delivered by M J Savage and others in New York City Barriers to Health Care for Older Americans United States. Congress. Senate. Special Committee on Aging. Subcommittee on Health of the Elderly,1974 **To Amend the Older Americans Act of 1965, Hearing Before the Select Subcommittee on Education...., 93-1, February 8, 1973** United States. Congress. House. Education and Labor,1973 **Long-term Care and the Older Americans Act** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Aging,1991 A Comprehensive Guide to Rehabilitation of the Older Patient E-Book Shane O'Hanlon,Marie Smith,2020-11-17 This book will help all health professionals involved in the rehabilitation of older people to provide their patients with the highest possible quality of life and autonomy Expanded and rewritten by a diverse team of authors the text is suitable for doctors in all specialties that see older patients as well as nurses physiotherapists occupational therapists psychologists dietitians speech and language therapists pathologists physician associates assistants healthcare assistants and many others including patients family members and students The book is written in an accessible no jargon style and provides a patient centred perspective on recent advances in the field of rehabilitation an increasingly important aspect of care for older people Clear explanations of relevant concepts ageing frailty comprehensive assessment rehabilitation Broad coverage of all aspects of rehabilitation including different settings Explanations of input from multiple health professionals Problem based section that highlights solutions to common issues during rehabilitation Specialty specific areas of rehabilitation such as stroke rehabilitation cancer rehabilitation post operative rehabilitation trauma rehabilitation in the community Practical section explaining how to plan discharge safely run a care planning meeting organize home supports continue rehabilitation at home Evidence based but accessible writing complemented by practical clinical wisdom Aimed at a broader audience applicable to all health professionals who see older patients Resources for patients and their caregivers Multiple choice questions to test knowledge **Hearing Aids and the Older American** United States. Congress. Senate. Special Committee on Aging. Subcommittee on Consumer Interests of the Elderly,1974 **Health Care for Older Americans** United States. Congress. Senate. Special Committee on Aging,1977 **The Complete guide to pregnancy and child care - The baby manual - PART TWO** Sarah Owen / Gardner,2015-03-07 They say babies don t come with instruction manuals I tried to change this this guide will be as close to one as you will get It will answer questions that you hadn t even thought of It focuses on conception to 3 years They say babies don t come with instruction manuals this guide will be as close to one as you will get It also has sections for you to record your journey and keep as a keepsake making it an invaluable 2 in 1 complete guide reference book that you can keep referring to and a memory book to keep forever This book is in 2 parts this is part one You will also need to purchase part two for the complete book it is too large to publish as one book **The Case for Health Care Reform** ,1990 **Rising Out-of-pocket Health Care Costs for Older Americans**

,1991 **Restorative Care Nursing for Older Adults** Barbara Resnick,2012 Print CourseSmart Aging Lewis R. Aiken,1995 The aging process is a complex sometimes mysterious evolution we will all experience In this interdisciplinary text author Lewis R Aiken acquaints you with the elements and effects influencing people in the later stages of life Beginning with an historical overview of gerontology Aiken discusses both pragmatic and philosophical concerns within the field Factors impacting the process and results of aging are carefully outlined and explicated these address such areas as biology psychology sociology economics and politics The interpersonal variability of the older population is stressed throughout the book recognizing gender ethnic racial and cultural differences Each chapter concludes with a thorough review of the material covered a series of questions and activities designed to enhance the learning experience and a list of suggested readings that expand on the topics being discussed Clearly written authoritative rich in information and integration of research material in a wide range of disciplines Aging An Introduction to Gerontology is valuable for undergraduate certificate and community college programs in gerontology as well as graduate courses in applied professional disciplines The book makes a contribution to the field it is a praiseworthy effort and it has substantive merit It reveals competence good grasp of the subject matter and a very good integration of research material in a wide range of disciplines The information is generally very much up to date and relevant It constitutes the right introduction for people interested to learn about the field of gerontology The text is lucid clearly written and easy to read It is definitely well attuned to its targeted audience It introduces technical terminology with all the proper caveats and facilitates its comprehension with a glossary Abraham Monk School of Social Work Columbia University This is a basic textbook of human gerontology that comprehensively covers aging and the aged with a special emphasis on the psychology of aging The purpose is to review what is known about aging and older adulthood the methods by which this information is obtained and to provide practical guidelines for dealing with the problems of an aged population The author meets these goals very well This book is written for undergraduate and graduate students Even geriatricians in training will find this a lucid exposition of human gerontology This book s well organized chapters are clearly illustrated There are boxes that highlight concepts and a list of further readings in addition to well cited references At the end of each chapter there are questions and exercises This textbook is a welcome addition to the field It is very well written and organized Both teachers and students will enjoy using this textbook Rating 98 Doody s Health Sciences Book Review Journal Aging is rich in information and integration of research material in a wide range of disciplines and valuable for undergraduate certificate and community college programs in gerontology and as well graduate courses in applied professional disciplines Turning Pages **Hearings** United States. Congress Senate,1968 Hearings, Reports and Prints of the Senate Special Committee on Aging United States. Congress. Senate. Special Committee on Aging,1968 Long-range Program and Research Needs in Aging and Related Fields United States. Congress. Senate. Special Committee on Aging,1968 Surveys the problems of the aged including future income needs future social services needs

problems of minority aged trends in shelter and environment what is needed in research and training and manpower needs in gerontology Encyclopedia of Women and Gender , *Encyclopedia of Women and Gender, Two-Volume Set* Judith Worell,2001-10-16 The study of gender differences began in earnest in the 1970s and has since increased dramatically to infiltrate virtually all fields of study in the social and behavioral sciences Along the way it was discovered that while women very often think and behave differently than do men industrialized societies cater to masculine perspectives The Psychology of Women emerged as a field of study focusing on just those areas in which women most often butted against assumed roles And similarly in the 1990s the Psychology of Men emerged to focus on the same issues for men The Encyclopedia of Gender covers all three areas under one cover discussing psychological differences in personality cognition and behavior as well as biologically based differences and how those differences impact behavior Coverage includes studies of these differences in applied settings such as education business the home in politics sports competition etc Key Features Over 100 In depth chapters by leading scholars in the psychology of women and gender Addresses critical questions of similarities and differences in gendering across diverse groups challenging myths about gender polarization and the Venus Mars distinction Broad coverage of topics from theory and method to development personality violence sexuality close relationships work health and social policy Sensitive attention to multicultural and cross cultural research Clearly written readable comprehensive with helpful guides outline glossary reference list Raises difficult questions related to power inequality ethics and social justice Challenges the reader to revise established truths and to seek further information Maintains a feminist and woman centered focus *Care for Older Adults in India* Ajay Bailey,Martin Hyde,K. S. James,2023-11-14 India s ageing population is growing rapidly This book examines living arrangements across India and their impact on the provision of care for older adults in India The Older Americans Act for the Nineties and Beyond ,1991 **Care of Older People** Sue Thompson,2025-08-21 This text provides a foundation of essential knowledge and practical guidance for building best practice in the care of older people Fully updated for its second edition Care of Older People uses a whole person and values led approach to explore practice with older people providing the opportunity for practitioners to reflect critically on not just what they do but also on how and why It includes two new chapters the first looking at the ways in which digital technologies can impact on how care support is delivered and the potential for older people s lives to be enriched or otherwise by them and the second reflecting the particular challenges of helping older people at the end of their lives to manage their needs Highlighting how older people in receipt of care support can be enabled to be co producers of knowledge it challenges the depiction of older people with support needs as one dimensional individuals rather than multi dimensional people with life left to live This accessible book is an invaluable learning resource for all those working or studying across the caring professions including social work social care nursing occupational therapy and anyone committed to excellence in eldercare

The Older I Get The Less I Care Book Review: Unveiling the Magic of Language
