The Other Side Of Midnight:

THE OTHER SIDE OF MIDNIGHT SIDNEY SHELDON,1973 The Other Side of Midnight Simone St.

James,2025-08-26 No one mixes romance mystery and that faint spine tingling sense of the supernatural that curtain lifting in a breeze that isn't there the hair prickling on the back of your neck like Simone St James Her novels are the perfect combination of classic ghost story historical fiction and romantic suspense Lauren Willig London 1925 Glamorous medium Gloria Sutter made her fortune helping the bereaved contact loved ones killed during the Great War Now she's been murdered at one of her own sances after leaving a message requesting the help of her former friend and sole rival Ellie Winter Ellie doesn't contact the dead at least not anymore She specializes in miraculously finding lost items Still she can't refuse the final request of the only other true psychic she has known Now Ellie must delve into Gloria's secrets and plunge back into the world of hucksters lowlives and fakes Worse she cannot shake the attentions of handsome James Hawley a damaged war veteran who has dedicated himself to debunking psychics As Ellie and James uncover the sinister mysteries of Gloria's life and death Ellie is tormented by nightmarish visions that herald the grisly murders of those in Gloria's circle And as Ellie's uneasy partnership with James turns dangerously intimate an insidious evil force begins to undermine their quest for clues a force determined to bury the truth and whoever seeks to expose it **The Other Side of Midnight** M.D.

Nygaard,2010-08-11 On the eve of her birthday Ashley wakes to find her family murdered and an unusual mist cloaking her guiding a deadly hunger A dark voice beseeches her to seek her new fate as an immortal being plunged into a world ruled by laws and myths long forgotten Along the way she meets Apollo One born of two fathers Together they travel lost to their souls confronting unholy secrets blood betrayals and wars of the past Violent passions erupt as she fights her hunger for blood and lustful desires for her new companion Will she ever find the safety of her loves arms or will she destroy him along with the others Who is she and why was she made What prophecy is it that she is to fulfill **The Other Side of Midnight -**

The Fulfillment Karen Rivello,2014-05-20 A king will die another will emerge two worlds will battle one will have to start over As Death converges on the land of Midnight it will draw all the cursed of the dark realm to its side in a final battle along with the black dragon The elves of Waters Edge will also have to battle the unexpected as the Nel'laf converge on their ancient city As war ravages both worlds the prophecy plays out its hand as those whose fate has been drawn and sealed try desperately to return one of their own to his rightful place All the while the stone of Dalbhach cannot be conquered nor subdued for one's own purpose lest it take him which Legna had discovered long ago and the human king has now discovered all too late As the elves struggle to protect their kingdom they discover their pendants have lost their power have they also lost their beloved king Can both elves and men fight along side together after so many years of mistrust And who will be king when all is said and done *The Other Side of Midnight - The Journey* Karen Rivello,2011-10-29 The Elvin warriors had traveled the cursed land of Midnight many times before but never with two inexperienced girls to hinder their journey Now

they must escort April and Rebecca through the dark realm with hopes of making it to Waters Edge before the Elvin lord of this world and his army discover them However Legna has sensed the presence of the Chosen One and is desperately trying to find her before she can escape for he envisions himself as the prince to fulfill the prophecy with her More of the prophecy will be revealed though as they encounter the Specter and Death makes a demanding request of the Chosen One before she can leave the forsaken valley With war the only possible outcome for the Elvin world they now also have to battle the world of men but the human king will meet them with an unexpected power that could alter the outcome of both worlds Can the Chosen One fulfill the prophecy before it s too late The Other Side of Midnight - The Prophecy Karen Rivello,2010-11-11

One prophecy two families one moon two worlds who will survive A curse has spread across the elvin realm of Waters Edge and only the chosen one from the human world can stop it One hundred years after the prophecy was foretold on the night of the harvest moon the small village celebrates its bountiful year never suspecting that their ancient lore was about to unfold Though none believed it could not stop the events from unfolding and only a few who had been unwillingly drawn in could hope to stop the elvin prince that had betrayed his own As the power of the elvin king wanes the shadow dragon has also returned to the human world leaving the pools open for more evil and vile things to pass through and unless the two worlds pull their armies together none may survive How many must perish before the prophecy can be fulfilled **The Other Side of Midnight - The Return** Karen Rivello,2015-07-10 The elves of Waters Edge have set upon the world of men to find Leg a and make him pay for the treason against his own kin though they are not the only ones to have breached the pools into the human world As more prophecies come to light there are also more surprises as the small Elvin party A lior is leading align themselves with the humans It is the only way to win against King rrin who now possesses the black stone of Dalbhach and as is the stone s nature the human king has also fallen to its call in the form of a green dragon When the battles converge on both worlds the chosen one is finally revealed atop the thousand steps and it s not what the elves expected The One with blood still pure is the only one who can wield the blood sword of a blue dragon forged by the blue flame How had the Elvin child been hidden for so long And who are the other elves that have lived among men that now come to their rescue Death waits for many and yet Death itself will fail **HORI-On The Other Side of Midnight** Ian Richardson,2007 For anyone
