The Donkey Speaks Again Could All The Prophets Be Wrong:

The Donkey Speaks... AGAIN! John Hohl, 2014-10-16 How we understand and interpret prophecy ultimately determines how we interpret the rest of the Bible even how we understand God Unfortunately all the currently accepted outlines of how the end times are portrayed in the Bible contain contradictions The two major groups Amillennialism who reject the theory that Jesus Christ will have a literal thousand year long physical reign on the earth and Premillennialism who believe Jesus Christ will literally and physically return to the earth after taking the Christian believers up to heaven each have strong arguments While the Premillennial view appears to have the most validity it also has many contradictions mainly rooted in the assumption of a seven year yet future tribulation before the second coming The Donkey Speaks Again will help the reader finally understand Bible prophecies and the way the Bible lays them out for us Key Bible words and phrases are interpreted to allow the reader to overlap singular events depicted within the two separate visions of end times events given to Jews in the Old Testament and the Christians in the New Testament confidently as occurring together on the prophecy timeline When faced with these truths the reader will be forced to change the way they understand God the Bible and definitely some long held but never questioned beliefs

Caught by the Collar Eugene Akins, 2018-02-06 Caught by the Collar is an attempt to shed light on the inaccuracies and inefficiencies in the teachings and methodology of teaching in the Pentecostal church In too many instances sincere followers of Christ are lost in a quagmire of unanswered questions and errant doctrine They end up with stunted or stagnant growth and sometimes turn away from Christ altogether In many cases these errors and confused teachings can be directly connected with the ideas that the Bible is confusing or contradictory It is unfortunate that for so many years so many church leaders have either failed to recognize this issue or have intentionally chosen not to address it In fact holding on to and continuing to teach ideology and principles that are out of line with scriptures sounds suspiciously like teaching another gospel which the Bible specifically speaks against As a lifetime member of this denomination Eugene Akins has personally experienced the confusion caused when scripture is misinterpreted the failure that occurs when scripture is not implemented and the heartbreak that is precipitated by clergymen who should be in some

other line of work Many of the members of these churches are caught in what they have been told versus what they know and understand They are caught in traditions and hand me down word bites versus the truth of the scriptures and when the clergy is primarily responsible for all this clutter church members are caught by the collar **The Good News: One Man's Journey Through the Bible** Charles M. Miller,2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God s Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible s view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all
