An urgent powerful examination of place and the ways in which all kinds of identities exist and collide GOVERNOR GENERAL S LITERARY AWARD FOR POETRY FINALIST PAT LOWTHER MEMORIAL AWARD SHORTLIST J M ABRAHAM ATLANTIC POETRY AWARD SHORTLIST GERALD LAMPERT MEMORIAL AWARD LONGLIST The poems in sulphurtongue ask how to redefine desire and kinship across languages and across polluted environments An immigrant family scatters over a stolen continent Oracles appear in public transit and online Bodies are transformed by nearby nickel mines Doppelgangers Catholic saints and polyamorists alike pass on unusual inheritances Deeply entangled in relations both emotional and ecological this collection confronts the stories we tell about gender queerness race religion illness and trauma seeking new forms of care for a changing world *Uproarious* Cynthia Willett, Julie Willett, 2019-11-05 A radical new approach to humor where traditional targets become its agents Humor is often dismissed as cruel ridicule or harmless fun But what if laughter is a vital force to channel rage against patriarchy Islamophobia or mass incarceration To create moments of empathy and dialogue between Black Lives Matter and the police These and other such questions are at the heart of this powerful reassessment of humor Placing theorists in conversation with comedians Uproarious offers a full frontal approach to the very foundation of comedy and its profound political impact Here Cynthia Willett and Julie Willett address the four major theories of humor superiority relief incongruity and social play through the lens of feminist and game changing comics such as Wanda Sykes Margaret Cho Hannah Gadsby Hari Kondabolu and Tig Notaro They take a radical and holistic approach to the understanding of humor particularly of humor deployed by those from groups long relegated to the margins and propose a powerful new understanding of humor as a force that can engender politically progressive social movements Drawing on a range of cross disciplinary sources from philosophies and histories of humor to the psychology and physiology of laughter to animal studies Uproarious offers a richer understanding of the political and cathartic potential of humor A major new contribution to a wider dialogue on comedy Uproarious grounds for us explorations of outsider humor and our golden age of feminist comics showing that when women prisoners even animals laugh back comedy along with belly laughs forge new identities and alter the political climate **Ethics, Meaningfulness, and Mutuality** Ruth Yeoman, 2019-11-21 There is an urgent need to understand how private and public organisations can play a role in promoting human values such as fairness dignity respect and care Globalisation technological advance and climate change are changing work organisations and systems in ways which foster inequality alienation and collective risk Against this backdrop organisations are being urged to make their

contribution to the common good take account of the interests of multiple stakeholders and respond ethically as well as efficiently to complex challenges which transcend traditional organisational and state boundaries Ethics Meaningfulness and Mutuality poses critical questions related to organisational design by challenging limits to current thinking such as the neglect by political philosophers of markets firms and stakeholders or by organisational theorists of business ethics In so doing the book advances our understanding of the theory and practice of ethical organising Specifically meaningfulness and mutuality will be used to yield values and principles for a philosophy of ethical organising which includes an account of human values in morally desirable collective action and examines the relationship of collective action to the contested concept of shared value creation Within a philosophy of ethical organising mutuality permits an examination of the unavoidable relational nature of collective action whereas meaningfulness addresses fundamental human concerns for significance and leading a life we have reason to value By addressing our status as relational beings with human needs for meaning a philosophy of ethical organising brings critical thinking to the creation of morally informed organisational practices which are not only instrumentally beneficial for addressing wicked problems but are normatively desirable for human flourishing

Handbook of Research on Advising and Developing the Pre-Health Professional Student

Schwartz, Lisa S.,Ganjoo, Rohini,2022-04-29 Despite significant demand for healthcare professionals in the workforce admission to health professional graduate programs is highly competitive with less than half of all medical school applicants gaining admission annually The application process is nuanced complex and costly which can often be a significant barrier to otherwise highly qualified students particularly those from backgrounds underrepresented in the healthcare workforce Further understanding of the best practices in navigating the application processes academia and professional development is crucial for those advising pre health students The Handbook of Research on Advising and Developing the Pre Health Professional Student considers current practices and research regarding academic and extracurricular preparation of undergraduate students who wish to enter health professions and offers new pre health professional advisors as well as more seasoned advisors and other administrators a resource to assist them in their professional journey Covering a range of topics such as advisor relationships and lifelong learning skills this major reference work is ideal for advisors healthcare professionals academicians researchers practitioners scholars instructors and students

The Essays Only You Can Write

Irene Papoulis,2023-10-17 The Essays Only You Can Write offers a perspective on essay writing that spotlights a writer s uniqueness Resisting the perception that personal and academic writing are at odds with one another it treats the impulse to write personally as potential fuel for a variety of writing purposes The book encourages students to think like academics pursuing their enthusiasms trusting their ideas and questioning their conclusions by leading them through three main writing assignments a personal essay an essay based on texts and a research essay Each chapter offers exercises and strategies for various stages in the pre writing drafting and revision processes Freewriting extensive attention to planning

devising a structure and order of ideas that both promote and reflect engagement with a topic developing rhetorical awareness and knowledge of conventions and an advocacy for expressive socially responsible writing all are central elements of the text's instruction. By acknowledging the emotions inherent in the writing process many of which can muddle thinking I don't want anyone to see this what if I make mistakes what if the writing isn't good I don't want to be critiqued etc Papoulis helps beginning college writers to navigate the psychological as well as the technical roadblocks that can get in the way of their best personal and academic writing

Waveform Marcia Aldrich, 2016-12-15 Waveform celebrates the role of women essayists in contemporary literature. Historically women have been instrumental in moving the essay to center stage and Waveform continues this rich tradition further expanding the dynamic genre's boundaries and testing its edges. With thirty essays by thirty distinguished and diverse women writers this carefully constructed anthology incorporates works ranging from the traditional to the experimental. Waveform champions the diversity of women's approaches to the structure of the essay today a site of invention and innovation with experiments in collage fragments segmentation braids triptychs and diptychs. Focused on these explorations of form Waveform is not wed to a fixed theme or even to women's experiences per se. It is not driven by subject matter but highlights the writers' interaction with all manner of subject and circumstance through style voice tone and structure. This anthology presents some of the women who are shaping the essay today mapping an ever-changing landscape. It is designed to place essays recently written by women such as Roxane Gay Cheryl Strayed Margo Jefferson Jaquira Diaz and Eula Biss into the hands of those who have been waiting patiently for something they could equally claim as their own. Kept Secret Jen Hirt, Tina Mitchell, 2017-06-01 Creative nonfiction writers wrestle constantly with the boundaries of creative license what to reveal when to reveal it and how best to do it. While the truth may inspire us to make confident assertions secrets lies and half truths inspire us to delve further into our own writing to discover the heart of the story. The pieces in this collection feature essayists who do this type of detective work. Each essay contains a secret lie or half truth some of these are revealed by the author but others remain buried. Ranging from the deep family secret to the little white lie from the shocking to the humorous and from the straightforward revelation to the slanted half truth these essays ask us to appreciate the magnitude of keeping a secret. They also ask us to consider the obstacles writers must overcome if they want to write about secrets in their own lives and the lives of others. In short interviews following each essay the contributors discuss craft ethics creativity and how they eventually decided to reveal or not reveal a secret.

Hippocampus and Essay daily Acknowledgmentes **Leaving Orbit** Margaret Lazarus Dean, 2015-05-19 Winner of the Graywolf Press Nonfiction Prize a breathtaking elegy to the waning days of human spaceflight as we have known it In the 1960s humans took their first steps away from Earth and for a time our possibilities in space seemed endless But in a time of austerity and in the wake of high profile disasters like Challenger that dream has ended In early 2011 Margaret Lazarus Dean traveled to Cape Canaveral for NASA's last three space shuttle launches in order to bear witness to the end of an era With Dean as our guide to Florida's Space Coast and to the history of NASA *Leaving Orbit* takes the measure of what American spaceflight has achieved while reckoning with its earlier witnesses such as Norman Mailer Tom Wolfe and Oriana Fallaci Along the way Dean meets NASA workers astronauts and space fans gathering possible answers to the question What does it mean that a spacefaring nation won't be going to space anymore *Paul Ricoeur and the Hope of Higher Education* Daniel Boscaljon, Jeffrey F. Keuss, 2021-01-14 The essays in *Paul Ricoeur and the Hope of Higher Education* The Just University discuss diverse ways that Paul Ricoeur's work provides hopeful insight and necessary provocation that should inform the task and mission of the modern university in the changing landscape of Higher Education This volume gathers interdisciplinary scholars seeking to reestablish the place of justice as the central function of higher education in the twenty-first century The contributors represent diverse backgrounds including teachers scholars and administrators from R1 institutions seminary and divinity schools as well as undergraduate teaching colleges This collection edited by Daniel Boscaljon and Jeffrey F. Keuss offers critical and practical visions for the renewal of higher education The first part of the book provides an internal examination of the university system and details how Ricoeur's thinking assists on pragmatics from syllabus design to final exams to daily teaching The second portion of the book examines the Just University's role as a social institution within the broader cultural world and looks at how Ricoeur's description of values informs how the university works relative to religious belief prisons and rural poverty *The Parenthood Dilemma* Gina Rushton, 2023-09-05 Our Culture Magazine Best Book of 2023 Rushton's work is generous thoughtful and honest taking care neither to romanticize nor to disparage the choice to become a parent Jenny Hamilton Booklist starred review A bold feminist investigation into the mother of all questions whether or not to become a parent in these turbulent times Should we become parents This timeless question forces us to reckon with who we are and what we love and fear most in ourselves in our relationships and in the world as it is now and as it will be When Gina Rushton admitted she had little time left to make the decision for herself the magnitude of the choice overwhelmed her Her search for her own yes or no only uncovered more questions to be answered How do we clearly consider creating a new life on a planet facing catastrophic climate change How do we reassess the gender roles we have been assigned at birth and by society How do we balance ascending careers with declining fertility How do we know if we've found the right co parent or if we want to go it alone or if we don't want to do it at all To seek clarity on these questions Rushton spoke to doctors sociologists economists and ethicists as well as parents and childless

people of all ages and from around the world Here she explores and presents policies data and case studies from people who have made this decision one way or the other and shows how the process can be revelatory in discovering who we are as individuals Drawing on the depth of knowledge afforded by her body of work as an award winning journalist on the abortion beat Rushton wrote the book that she needed and we all need to stop a panicked internal monologue and start a genuine dialogue about what we want from our lives and why

How to Tell When We Will Die Johanna Hedva,2024-09-24 From one of the most influential voices in disability activism comes an essay collection that detonates a bomb in our collective understanding of care and illness showing us that sickness is a vibrant part of life In the wake of the 2014 Ferguson riots and sick with a chronic condition that rendered them housebound Johanna Hedva turned to the page to ask How do you throw a brick through the window of a bank if you can't get out of bed It was not long before this essay Sick Woman Theory became a seminal work on disability because in reframing illness as not just a biological experience but a social one Hedva argues that under capitalism a system that limits our worth to the productivity of our bodies we must reach for the revolutionary act of caring for ourselves and others How to Tell When We Will Die expands upon Hedva's paradigm shifting perspective in a series of slyly subversive and razor sharp essays that range from the theoretical to the personal from Deborah Levy and Susan Sontag to wrestling kink mysticism death and the color yellow Drawing from their experiences with America's byzantine healthcare system and considering archetypes they call The Psychotic Woman The Freak and The Hag in Charge Hedva offers a bracing indictment of the politics that exploit sickness relying on and fueling ableism to the detriment of us all With the insight of Anne Boyer's The Undying and Leslie Jamison's The Empathy Exams and the wit of Samantha Irby Hedva's debut collection upends our collective concept of disability In their radical reimaging of a world where care and pain are symbiotic and our bodies are allowed to live free and well Hedva implores us to remember that illness is neither an inconvenience or inevitability but an enlivening and elemental part of being alive

Too Poor to Die Amy Shea,2025-09-09 Death is the great equalizer but not all deaths are created equal In recent years there has been an increased interest and advocacy concerning end of life and after death care An increasing number of individuals and organizations from health care to the funeral and death care industries are working to promote and encourage people to consider their end of life wishes Yet there are limits to who these efforts reach and who can access such resources These conversations come from a place of good intentions but also from a place of privilege Too Poor to Die The Hidden Realities of Dying in the Margins a collection of closely connected essays takes the reader on a journey into what happens to those who die while experiencing homelessness or who end up indigent or unclaimed at the end of life Too Poor to Die bears witness to the disparities in death and dying faced by some of society's most vulnerable and marginalized and asks the reader to consider their own end of life and disposition plans within the larger context of how privilege and access plays a role in what we want versus what we get in death
