The Encore Career Handbook Difference:

The Encore Career Handbook Marci Alboher, 2012-12-26 Until recently most Americans equated the end of a successful career with the beginning of retirement. No more. Now they want to stay in the game or better change the game. They want to leave a mark. Make a difference and continue to make money. From Encore.org, the leading organization in the field, comes a road map to every step of the encore career journey. Here's how to plan the transition. How much you need to make. The pros and cons of going back to school. When to volunteer and when to intern. How to network effectively and harness the power of social media. Who's hiring and for what jobs. Check out the Encore Hot List of 35 viable careers. A comprehensive nuts and bolts guide filled with inspiring stories and answering in extensive FAQ sections the concerns of its readers, this book is everything you need to help you strike a balance between doing good and doing well in a way that will sustain you through this new stage of life.

The Encore Career Handbook Marci Alboher, 2012-01-01 Provides guidelines to starting a second career during middle age including tips on how to plan the transition from one career to another, salary and education requirements, and finding a new career that makes an impact on society.

The Encore Career Handbook Amro Tielen, 2014-11-09 A career is an individual's journey through learning, work, and other aspects of life. There are a number of ways to define a career, and the term is used in a variety of ways. Career management describes the active and purposeful management of a career by an individual. Career development is the lifelong process of managing learning, work, leisure, and transitions in order to move toward a personally determined and evolving preferred future. In educational development, career development provides a person, often a student, focus for selecting a carrier or subject(s) to undertake in the future. Often, educational institutions provide career counselors to assist students with their educational development.
