The End Of The Alphabet:

The End of the Alphabet Claudia Rankine, 2018-11-20 A harrowing and hallucinogenic collection of poems from author of the New York Times bestselling National Book Award finalist *Citizen* An American Lyric Library Journal Claudia Rankine's book length poem about rising racial tensions in America *Citizen* An American Lyric won numerous prizes including the The National Book Critics Circle Award Her new collection of poems intrepid obsessive and erotic tell the story of a woman's attempt to reconcile herself to her own despair Drawing on voices from Jane Eyre to Lady MacBeth Rankine welds the cerebral and the spiritual the sensual and the grotesque Whether writing about intimacy or alienation what remains long after is her singular voice its beguiling cadence and vivid physicality There is an unprotected quality to this writing as if each word has been pushed out along the precipice daring us to go with it Rankine's power lies in the intoxicating pull of that dare From one of contemporary poetry's most powerful and provocative authors *The End of the Alphabet* is a work where wits at once keen and tenacious match themselves against grief's genius Boston Review [*The End of the Alphabet* C. S. Richardson](#), 2007 In a tender intimate novel of an ordinary life defined by an extraordinary love Richardson tells the story of a 50 year old man who learns that he has one month to live *How Children Learn to Write Words* Rebecca Treiman, Brett Kessler, 2014-04-09 Writing allows people to convey information to others who are remote in time and space vastly increasing the range over which people can cooperate and the amount they can learn Mastering the writing system of one's language is crucial for success in a modern society This book examines how children learn to write words It provides a theoretical framework that integrates findings from a wide range of age groups from children who are producing their first scribbles to experienced spellers who are writing complex words To set the stage for these discussions early chapters of the book consider the nature of writing systems and the nature of learning itself The following chapters review various aspects of orthographic development including the learning of symbol shapes and punctuation Each chapter reviews research with learners of a variety of languages and writing systems revealing underlying similarities Discussions of how orthography is and should be taught are incorporated into each chapter making the book of interest to educators as well as to psychologists cognitive scientists and linguists This book is unique in the range of topics and languages that it covers and the degree to which it integrates linguistic insights about the nature of writing systems with discussions of how people learn to use these systems It is written in a scholarly yet accessible manner making it suited for a wide audience *Dramatische situationsbilder und -bildtypen* August Carl Mahr, 1928 **The Writing Revolution** Amalia E.
