The Equipping Church Somewhere Between Fundamentalism And Fluff:

The Equipping Church Ronnie W. Rogers, 2016-03-30 The New Testament model for the church is neither pragmatic fluff nor sterile traditionalism but rather biblically driven which places her somewhere between the traditional and contemporary church models Seasoned by decades of pastoral experience Ronnie Rogers makes a compelling biblical theological case that an equipping church fulfills Gods plan for the bride of Christ Adam Harwood Ph D Associate Professor of Theology McFarland Chair of Theology New Orleans Baptist Theological Seminary This book gives the reader a robust ecclesiology a biblical philosophy of ministry and a host of practical exhortations that will lead to biblical reformation among Gods people Josh Wagner M A Biblical Languages Pastor Berry Road Baptist Church Norman OK On rare occasions I read a book that I simply cant put down until the last page This is such a book From his fertile mind gifted pen and more than thirty years of pastoral experience comes a work that everyone in Christian ministry must read Rogers cuts through the murk of all the discussions and debates about traditional and contemporary ministry approaches David L Allen Ph D Dean of the School of Theology Southwestern Baptist Theological Seminary

The Vulgarization of Christ's Church Ronnie W. Rogers, 2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one The Equipping Church Somewhere Between Fundamentalism and Fluff I explain the biblical model for the local church and how to build such a church

Undermining the Gospel Ronnie W. Rogers, 2015-09-02 The cruelest thing we can do is to let people remain in their sin when there is liberty to be lived Ronnie W Rogers Pastor Ronnie Rogers superb volume on discipline has provided the most detailed study that to my knowledge has been written in recent years Dr Paige Patterson president of Southwestern Seminary Writing as a biblical theologian Ronnie Rogers establishes the foundation for church discipline But Ronnie writes also as an experienced pastor who has worked out the biblical teaching on church discipline in real life Dr C Richard Wells distinguished professor of pastoral theology The Criswell College Senior Pastor South Canyon Baptist Church Rapid City SD Its hypocrisy for a local church to claim to believe the Bible and then willingly ignore the Bibles teaching on church discipline Its refreshing to see a local church pastor like Ronnie Rogers cry out so clearly against the apathy and disobedience that prevails in most churches on this issue Dr Donald S Whitney associate professor of spiritual formation Midwestern Baptist Theological Seminary
