Plantagenet Princes Douglas Boyd,2021-07-07 When Count Henry of Anjou and his formidable wife Eleanor of Aquitaine became king and queen of England they amassed an empire stretching 1 000 miles from the Pyrenees to the Scottish border including half of France Henry s grandmother Empress Mathilda of Germany had taught him that ruling is like falconry show

the hawk the reward but take it away at the last moment to keep the bird eager to please To sons and vassals alike Henry promised everything but gave nothing keeping the three adult princes hating him and the other siblings all their lives Plantagenet Princes traces the lives and infamous webs of mistrust and intrigue among them What sons they were Henry b 1155 the Young king was entitled to succeed his father yet was a rich playboy who died crippled by debt before his thirtieth birthday after living the life of a robber baron Richard b 1157 the Lionheart was lord of his mother s duchy of Aquitaine and became thanks to her England s most popular king despite bankrupting the Empire twice in his disastrous 10 year reign Geoffrey b 1158 count of Brittany was the cleverest but was trampled to death by horses aged 32 in a pointless m l e at Paris leaving his wife Constance to act as regent for their son Arthur in a long power struggle between Philip Augustus king of France and the Plantagenets The runt of the litter John b 1166 was nicknamed Lackland since no inheritance was initially promised him He proved the longest lived by far dying at the age of fifty after signing Magna Carta losing the key duchy of Normandy and most of the other continental possessions also murdering his nephew Arthur imprisoning Arthur s sister for life and waging war against his barons continued by Henry III The Plantagenet line continued with Richard of Cornwall Edward I conquering Wales gay Edward II Edward III Edward the Black Prince and Richard II who died in prison while his usurper sat on the throne

The New Trail of Tears Naomi Schaefer Riley,2021-11-30 If you want to know why American Indians have the highest rates of poverty of any racial group why suicide is the leading cause of death among Indian men why native women are two and a half times more likely to be raped than the national average and why gang violence affects American Indian youth more than any other group do not look to history There is no doubt that white settlers devastated Indian communities in the 19th and early 20th centuries But it is our policies today denying Indians ownership of their land refusing them access to the free market and failing to provide the police and legal protections due to them as American citizens that have turned reservations into small third world countries in the middle of the richest and freest nation on earth The tragedy of our Indian policies demands reexamination immediately not only because they make the lives of millions of American citizens harder and more dangerous but also because they represent a microcosm of everything that has gone wrong with modern liberalism They are the result of decades of politicians and bureaucrats showering a victimized people with money and cultural sensitivity instead of what they truly need the education the legal protections and the autonomy to improve their own situation If we are really ready to have a conversation about American Indians it is time to stop bickering about the names of football teams and institute real reforms that will bring to an end this ongoing national shame
